**Pass It On** Jim Burns,Jeremy Lee,2015-09-01 Parents often experience a “freak out” moment when they realize their children’s view of God will primarily come from what they learn at home. Most parents spend more time helping their kids succeed at academics or athletics than infusing shared spiritual experiences into the rhythm of everyday family life. While the idea of strategically passing down our faith can seem intimidating, the annual Rites of Passage Experiences contained in Pass It On make it easy for your family to celebrate milestones from kindergarten through high school graduation. Forever change the direction of your family’s spiritual legacy ... starting now!

**Pass It On** Deshaun Watson,2020-09-08 Breakout NFL star Deshaun Watson, quarterback for the Houston Texans, shows readers the lessons that have driven him to become a leader and to put others first. Houston Texans quarterback Deshaun Watson is one of the most promising young players in the NFL, but he believes that true success lies in leading his team from a perspective of service. In this inspiring, practical book, Deshaun illustrates how the seven qualities of a servant leader can lead to a more successful life. Deshaun Watson was only eleven when his family qualified for a Habitat for Humanity house, which was furnished by Atlanta Falcons running back Warrick Dunn through Dunn’s charity, Homes for the Holidays. But that early gift left a lasting impression, teaching Deshaun that generosity and service to others are important parts of true success. Now a star in his own right, and the most promising young player in the NFL, Deshaun reveals the lessons that have guided him throughout his life. From Deshaun’s early days in Gainesville, Georgia, where he supported his mother through cancer, to his years at Clemson University—where he graduated in three years while being nominated for the Heisman twice—to his first few seasons in the NFL, Deshaun has distinguished himself as a leader by putting others first. In Pass It On, Deshaun opens up about the seven core values that have guided him on his own journey. Generosity Empathy Self-Sacrifice Service Commitment Strength Values in Action Interweaving stories from his life with practical advice that every reader can apply, Deshaun demonstrates how true strength lies in putting others first.

To Pass It On Scott Duka,2013-02 Aydenn Price: a quiet highschooler living in a quiet house with his quiet mother. He's both a wanderer and a wonderer, trying desperately to find peace with his deceased father as well as a piece of himself. All sixteen years of his life have unfolded in the small town of Mayhaw, where the changing of seasons is as significant as his distant relationship with Mom. For Aydenn, the only way to move forward is to understand his past, and find out where he fits into his family, let alone the world. Stuck in this stillness of weather, balancing the burdens of both life and death, he's called to begin a journey inward. Sure it'll be a big task, and perhaps one that rests solely on him. Or maybe, just maybe, he'll receive unexpected help along the way. To Pass It On is a story of movement-of seasons and of wind, of people and their footprints. And once Aydenn begins to make footprints of his own, it becomes clear that his withdrawn stance isn't a product of a flat and unwelcoming outside world, but instead, the ungardened world inside himself. Aydenn's walk through growing up is proof that, in life, we'll meet all the people we're supposed to-and at just the right time. It's stories like this that make us think twice about coincidences...

Passing It On Myles Munroe,2011-05-25 Leaders everywhere, in arenas big and small, struggle with the desire and, frankly, the need to make sure their vision for the organization they have created or grown continues regardless of circumstances. And the question what will be my legacy? is a question all people ask themselves. Myles Munroe has observed that the tendency among leaders is to deal with this question as serious circumstances or retirement loom. Further, it is his belief that this is one of the most important decisions a leader will ever make. This book is a wakeup call. Myles Munroe wants all leaders to focus on building the right team for the future and to make it a top priority because the process is not a quick one. Properly mentoring the right people to ensure the continuation of an organization is actually a process that must be woven into that organization over a span of years or even decades. Chapter topics discussed include The Chaos of Transition The Leadership Dilemma Living Beyond Your Generation The Principles of Mentoring PASSING IT ON shows how to use the concept of mentoring within an organization to value the distinct talents and abilities of the individuals. Mentoring is the pathway to developing leaders from within; leaders who are in line with the goals of the organization; leaders who are most likely to adopt and carry a vision forward.
