Financial Freedom In Two Steps The Proven Method To Generate Passive Income From Scratch Agustin Grau, 2017-06-28 At last! Stop worrying about money. Start making money. Obtaining your financial freedom is simple using this proven method that I'll show you. I have been using it for years and it's easy enough for anyone to implement, whether they have experience or not. To make money, you don't need to have money. You just need knowledge to lead you to money. This "knowledge" is what you'll find in this book. A clear, simple and precise method that explains how to generate passive income from scratch, without needing to have money to invest. A two-step method: first, generate some money; second, invest that money earned. In simplicity is power. The key to financial independence is creating assets: making things that bring in a constant flow of cash every month. What's more, this needs to happen in automatic mode and for an indefinite period of time. You can then keep on enjoying the income, as can your children even after you die. This is not science fiction: it's a system, a passive income strategy that will provide you with freedom, financial freedom, financial independence and money. Why are there not more people doing it? Because they're too busy working, tied to their jobs and not generating income. They're focused on not being free and not being happy. The focus of this book, however, is something else. What? Abundance, wealth, fulfillment, creativity, personal growth, strategy, joy, prosperity and happiness. In this book, you will learn:

- To make money, even though right now you have nothing.
- To create assets that will bring in money every month.
- To design a strategy that will make your money work for you.
