Waking up an Empath Kim Wuirch, 2016-12-28 Waking Up an Empath: A Year in the Life of an Empath from Awakening to Spiritual Healer is the honest, often comical year in the life story of Kimberly Wuirch. Having been labeled as sensitive throughout her life, even by her mother, Kimberly

finally finds out the reason why her emotions and moods are often heightened. She discovers that she is an empath. This book is based on one year of Kimberlys life from the shock of finding out she was an empath and learning what that meant, to the journey through spiritual awakening, and finally to becoming a healer, psychic, and medium. Her story is relatable to many people who are too afraid to let the world know of their abilities or who are only just discovering who they really are. Kimberly wrote this book to help other empaths realize that their thoughts, feelings, and sudden mood swings are all a normal part of being an empath and how difficult it is for those on the outside to fully understand what life is like for an empath. In the pages of this book, Kimberly is like the good and knowledgeable friend whom empaths can confide in when it comes to their own spiritual awakening and the fears and challenges that brings up. There are not only words on the pages of this book. There is also love and compassion for a journey Kimberly knows all too well.

Using historical data along with her psychic impressions, she creates empowered works of art based on sacred sites and their mythology. This book includes photos, images, and research that the public has never seen before. This is reiterated in the brilliant forward by Dr. Jean Houston. The book is divided into the four mythic lands where Cheryl lives and creates. Narnia (Northern Ireland), Lemuria (Mt. Shasta), Avalon (UK), and Bohemia (Prague, Czech Republic). There are 120 color photos and 60 color paintings and their stories. Some of the highlights include The real portrait of Mary painted by St. Luke, the actual Kingdom of Narnia, and the rarely seen ancient Lemurian petroglyphs near Mt. Shasta documented by archeologists.

Edgar Cayce and the Unfulfilled Destiny of Thomas Jefferson Reborn Joanne DiMaggio,2020-12-04

On June 23, 1936, Edgar Cayce, the most renowned psychic of the 20th century and the father of holistic medicine, gave a Life Reading for Thomas Jefferson (T.J.) Davis, the two-day old nephew of his secretary, Gladys Davis. In this Reading, Cayce identified one of the child's past lives as that of Thomas Jefferson, adding this stunning prediction—that he “may become more important in the affairs of the WORLD than this entity in its previous experience has been to America—Thomas Jefferson.” This book examines all the reasons why that prediction never happened. It is an endearing look at the relationship between Cayce and young T.J., who was tutored by Cayce for the first nine years of the boy's life in preparation for the great work ahead of him. But it also explores how decisions made by T.J.'s absentee parents put their son's soul on a totally different path. For those who make the assumption that a soul that reaches the greatness of a Thomas Jefferson would continue its upward trajectory, this book clearly illustrates the role that free will plays in the outcome of any life. It is a classic case of karma in action, of synchronistic events that make one cringe to think

how close and yet how far T.J. was from being the redemption of the world.
