When his real life abruptly ends, he is given a second chance as Geo Margilus, his magic user from the game. The powers, wealth, and enchanted loot that he gathered across endless hours of imaginary adventures are now made real. The catch? He's transported to the world of Sedia, a fantasy realm where evil abounds, and ravenous daemons threaten mankind.

Wizard's Holiday Diane Duane,2005-06-01 Two teen wizards embark on an alien exchange program in this "hilarious and scary" adventure from the author of *A Wizard Alone* (Booklist). Rest and relaxation--that's what Nita Callahan thinks she's going to get when she and her partner-wizard Kit Rodriguez go on a "cultural exchange" program. But nothing about wizardry--not even vacation--is ever quite that simple! Number one: They're headed to a planet that may be just a bit too perfect. Number two: Nita's sister Dairine must host a trio of alien guests here on Earth. Number three: The culture clashes that ensue could have devastating consequences--for both planets! Praise for the Young Wizards series "Duane is tops in the high adventure business . . . This rollicking yarn will delight readers."--Publishers Weekly "High Wizardry is . . . high entertainment."--Locus "Recommend this series to young teens who devour books about magic and wizards . . . or kids looking for 'Harry Potter' read-alikes."--School Library Journal "Stands between the works of Diana Wynne Jones . . . and Madeleine L'Engle . . . An outstanding, original work."--The Horn Book

The Way of the Wandering Wizard Michael Novak,John Addis,2016-11-04 Gentle wizard Mikal Novastar's life is complacent and secure as a mystic instructor at the School of the Three Moons in the Great City of Addis. This changes, however, when an extraordinary prophecy urges him to embark upon a heroic and dangerous adventure. Armed with a staff of light and joined by his summoned feline Majam, and an inscrutable thief, and a very young half-elf, Mikal must overcome vicious wererats, ghastly blood goblins, horrific gloomhounds, savage slavers, an exceptional and mysterious Stone Mage, and the enigmatic dragon Em-Le. Nothing could have prepared him, however, for dealing with the calculating evil of Path Bloodhue and his powerful Red Robed Wizards. And against the legion of the perfidious Black Robed Wizards, with their lethal dark assassins and brutal black blades, how can he possibly hope to triumph or even survive? And then there are the squirrels.

Merlantis Magic Path J. C. Filmer,2020-11-30 The Merlantis Wizards Path is no ordinary educational path. Just as this is no ordinary little book. Rather, this book is a guide and manual to an entirely magical excursion. Along a route in nature chosen by you, it leads young and old wizard students, children, mothers, fathers, grandmothers, grandfathers, aunts, uncles, teachers and friends directly into the nature of things, the magic of places and of course, into the Wizard's Arts. And for sure some of the well-kept secret of the sunken magic kingdom of Merlantis will be revealed. The latter can also be visited online at www.merlantis.de. There, a whole magic world reveals itself to the prospective magic students.

Gods of Nabban K.V. Johansen,2016-09-06 The fugitive slave Ghu has ended the assassin Ahjvar's century-long possession by a murderous and hungry ghost, but at great cost. Heir of the dying gods of Nabban, he is drawn back to the empire he fled as a boy, journeying east on the caravan road with Ahjvar at his side. Haunted by memory of those he has slain, Ahjvar is ill in mind and body, a danger to those about him and to the man who loves him most of all. Tortured by violent nightmares, he believes himself mad. Only his determination not to leave Ghu to face his fate alone keeps Ahjvar from asking to be freed at last from his unnatural life. Innocent and madman, god and assassin--two men to seize an empire from the tyrannical descendants of the devil Yeh-Lin. But in war-torn Nabban, enemies of gods and humans stir in the shadows. Yeh-Lin herself meddles with the heir of her enemies and his soul-shattered companion, as the fate of the empire rests on their shoulders. From the Trade Paperback edition.

A Wizard Abroad Diane Duane,2005-10-01 Long Island's teen wizard returns in "an unusually consistent fantasy, rich in details, subplots, and Irish lore" from the author of *High Wizardry* (School Library Journal). To give fifteen-year-old Nita a vacation from magic--and her partner Kit--her parents pack her off for a stay with her eccentric aunt in Ireland. But Nita soon finds herself with a host of Irish wizards battling mythical beings, wolves, and elves from a nightmare land. In *Wizard Abroad*, "Duane seamlessly interweaves encounters with creatures from legend with glimpses of modern Irish life and teen culture. Her view of magic's place in the scheme of things is so clever and well reasoned that readers will have no trouble suspending belief (School Library Journal). "Exceptional."--Science Fiction Chronicle "The series may be of particular interest to female readers as Nita and her younger sister are the focus of most of the books and they are strong female characters. If you've read the other Wizardry books, this fourth book in the series won't disappoint you."--SF Site Praise for the Young Wizards series "Duane is tops in the high adventure business . . . This rollicking yarn will delight readers."--Publishers

Weekly “High Wizardry is . . . high entertainment.”—Locus “Recommend this series to young teens who devour books about magic and wizards . . . or kids looking for ‘Harry Potter’ read-alikes.”—School Library Journal “Stands between the works of Diana Wynne Jones . . . and Madeleine L’Engle . . . An outstanding, original work.”—The Horn Book

The Way Of The Wizard Deepak Chopra,2010-01-26 In THE WAY OF THE WIZARD, Deepk Chopra sheds light on 20 life-enhancing principles for rediscovering the magic that we have lost, but that remains within our grasp. The result, in effect, is a practical and accessible guide to one of life's shortest but most rewarding journeys: the one into the realm of boundless possibilities that exist within and all around us. THE WAY OF THE WIZARD is a natural outgrowth of Dr Chopra's work on the themes and metaphysics of the medieval Merlin myth and a development of his work on the philosphy and application of magic. THE WAY OF THE WIZARD is for the seeker in all of us.

Way of the Wizards - New Blood J. E. Honey,2011-10 Book One: Way of the Wizards Series Fifteen wizards who live in a barren place need to find apprentices to pass on their knowledge of magic and wizardry before they die. The first problem they face is remembering how to speak, as they currently use only telepathic communication. This gave me a fun way of introducing each of them and a glimpse into their characters. They send out seven wizards into the world who each bring back an apprentice. One wizard notices that four of the candidates are females this causes a discussion on the reasons why wizards have always been men and they have to change their rules. This created a way for me to look at the male and female differences real and imagined. Each apprentice has a form of communication problem giving me an opportunity to explore the ways kids adapt to protect themselves from life experiences and different forms of life abuse. Each apprentice has to go before the higher council who has to decide if each of them have the right spirit, stamina, strength and are dedicated to become wizards and to live in the middle of nowhere. There is lots of problem solving that takes place as each group adapts to the other and how each individual personality unfolds. As the wizards have lived so long with only each other for company they have all became more and more like each other and as things change so do they slowly become more of an individual. Author J. E. Honey James' ambitions as a writer are to communicate, entertain, and give something back for what he has received from the books and people that has helped him so often over the years. The author of many short stories, James has co-authored Purple Moon with Sue McCormack and offered many other story ideas to others. He has had a couple of short stories published by the Alternative Natural Philosophy Association. James is interested in other things such as painting, drawing, and carving, not to mention his studies with various healing energies. James has retired to Wales, and is devoting more time to writing the Way of the Wizards Series. Visit the wizards of Pearland and their apprentices at and interact with them!

The Way of the Wizard Deepak Chopra, M.D.,2009-09-02 The author of the acclaimed New York Times bestsellers The Seven Spiritual Laws of Success and Ageless Body, Timeless Mind now presents a guide to using spiritual alchemy for awakening the magic in everyday life.
