Stride Ken Willard, Mike Schreiner, 2017-10-17 Churches of all types around the country are struggling. The more programs they try the more evident it becomes that there is no quick fix or secret formula to help them out of their rut. John Wesley, the founder of the Methodist Movement, once said, "The way to keep a Methodist alive is to keep him moving." It is time to recapture this simple yet profound truth and get back to the basics of making fully devoted followers of Jesus Christ. The authors developed and launched a highly successful pathway to discipleship in their church (Morning Star UMC, in St. Louis). Here, they show others how to create a successful discipleship pathway for their own particular contexts, based on the principles developed at Morning Star. Willard and Scheiner share the process of developing a discipleship pathway that meets individual people where they are. They provide examples of each element and practical instruction on how to plan, implement and sustain the discipleship pathway. The authors are teaching this material in conferences around the UM connection, from New Mexico to Missouri. They also share examples of how the pathway works in other churches. For small group study participants working through *Stride*, the

Stride Participant Book (ISBN 9781501876257), a workbook designed to facilitate individual work on creating a discipleship pathway, is available to purchase separately.

Prayer Timothy Keller, 2014-11-04 Renowned pastor and New York Times bestselling author of *The Prodigal Prophet* Timothy Keller explores the power of prayer. Christians are taught in their churches and schools that prayer is the most powerful way to experience God. But few receive instruction or guidance in how to make prayer genuinely meaningful. In *Prayer*, renowned pastor Timothy Keller delves into the many facets of this everyday act. With his trademark insights and energy, Keller offers biblical guidance as well as specific prayers for certain situations, such as dealing with grief, loss, love, and forgiveness. He discusses ways to make prayers more personal and powerful, and how to establish a practice of prayer that works for each reader. Dr. Keller's previous books have sold more than one million copies. His Redeemer Presbyterian Church is not only a major presence in his home base of New York, it has also helped to launch more than two hundred fifty other churches in forty-eight cities around the world. His teachings have already helped millions, the majority of whom pray regularly. And with *Prayer*, he'll show them how to find a deeper connection with God.

True Worshipers Bob Kauflin, 2015-09-01 Everyone worships. But Jesus tells us that God is seeking a particular kind of worshiper. In *True Worshipers*, a seasoned pastor and musician guides readers toward a more engaging, transformative, and biblically faithful understanding of the worship God is seeking. True worship is an activity rooted in the grace of the gospel that affects every area of our lives. And while worship is more than just singing, God's people gathering in his presence to lift their voices in song is an

activity that is biblically based, historically rooted, and potentially life-changing. Thoroughly based in Scripture and filled with practical guidance, this book connects Sunday worship to the rest of our lives—helping us live as true worshipers each and every day.

Sacred Pathways Gary Thomas, 2020-09-08 *Sacred Pathways* reveals nine distinct spiritual temperaments--and their strengths, weaknesses, and tendencies--to help you improve your spiritual life and deepen your personal walk with God. It's time to strip away the frustration of a one-size-fits-all spirituality and discover a path of worship that frees you to be you. Experienced spiritual directors, pastors, and church leaders recognize that all of us engage with God differently, and it's about time we do too. In this updated and expanded edition of *Sacred Pathways*, Gary Thomas details nine spiritual temperaments and--like the Enneagram and other tools do with personality--encourages you to investigate the ways you most naturally express yourself in your relationship with God. He encourages you to dig into the traits, strengths, and pitfalls in your devotional approach so you can eliminate the barriers that keep you locked into rigid methods of worship and praise. Plus, as you begin to identify and understand your own temperament, you'll soon learn about the temperaments that aren't necessarily you but that may help you understand the spiritual tendencies of friends, family, and others around you. Whatever temperament or blend of temperaments best describes you, rest assured it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions. If your spiritual walk is not what you'd like it to be, you can change that, starting here. *Sacred Pathways* will show you the route you were made to travel, marked by growth and filled with the riches of a

close walk with God. A Sacred Pathways video Bible study is also available for group or individual use, sold separately.

The Ruthless Elimination of Hurry John Mark Comer, 2019-10-29 ECPA BESTSELLER • A compelling emotional and spiritual case against hurry and in favor of a slower, simpler way of life “As someone all too familiar with ‘hurry sickness,’ I desperately needed this book.”—Scott Harrison, New York Times best-selling author of *Thirst* “Who am I becoming?” That was the question nagging pastor and author John Mark Comer. Outwardly, he appeared successful. But inwardly, things weren’t pretty. So he turned to a trusted mentor for guidance and heard these words: “Ruthlessly eliminate hurry from your life. Hurry is the great enemy of the spiritual life.” It wasn’t the response he expected, but it was—and continues to be—the answer he needs. Too often we treat the symptoms of toxicity in our modern world instead of trying to pinpoint the cause. A growing number of voices are pointing at hurry, or busyness, as a root of much evil. Within the pages of this book, you’ll find a fascinating roadmap to staying emotionally healthy and spiritually alive in the chaos of the modern world.

Bickerton, and Bruce R. Ough. Pathways Tony Evans, 2019-02-15 God has a purpose for your life, and every action or event that occurs within it has been used to make that purpose a reality. The story of Esther appears to be a series of coincidences strung together to deliver the Jews from certain death. However, God selected Esther for a particular purpose at a particular time. Discover your own pathway to purpose through learning principles on providence as Tony Evans takes us on a journey of epic proportions.

Holy Roar Chris Tomlin, Darren Whitehead, 2018-10-23 What happens when we praise God? What are the benefits of praising Him? Do you know what praise actually means? In Holy Roar, Chris Tomlin and Darren Whitehead share a fresh perspective from the worship practices of the ancient world. They take

readers on a praise journey that answers questions and provides valuable insight. After reading *Holy Roar*, you will: Grow an understanding of praise with Darren's unique insights. Gain a deeper understanding of how to worship. Be inspired as Chris shares how those insights take shape in the stories behind some of your favorite worship songs, including *How Great Is Our God*, *We Fall Down*, and *Good Good Father*. *Holy Roar* is for: Readers of all ages interested in growing their faith Pastors, worship leaders, and small group teachers leading believers In the ancient world, something extraordinary happened when God's people gathered to worship Him. It was more than just singing; it was a declaration, a proclamation, a time to fully embody praise to God for who He is and what He has done. In fact, in the Psalms, seven Hebrew words are translated into the English word praise, each of which represents a different aspect of what it means to truly praise God.

Pathways to God Alexander Converse Purdy, 1922

Pathway to Peace Ellen White, 2020-12-07 Today's alphabet soup of doctrinal views on salvation mirrors the chaotic spiritual experience prevalent throughout much of Christianity: the largest Christian church in the world continues to be plagued by sex-abuse scandals; regular church attendance across many denominations keeps dropping; the divorce rate within Christianity is essentially the same as that outside of it; and shockingly large numbers of Christians, including many pastors, remain addicted to

pornography, alcohol, nicotine, and other destructive habits. As a result, Christianity is steadily losing its influence on society—and its hold on the human heart. Yet Jesus promised, this gospel of the kingdom shall be preached in all the world for a witness unto all nations (Matthew 24:14). But which gospel? Certainly not the one strangling much of Christianity today. Certainly not the one that has left millions of its adherents helpless victims to the power of sin. Certainly not the one that gives the unbelieving world reason to mock the confusion and in-fighting seen in many churches today. No, this gospel can only refer to the same gospel that the apostle Paul wrote about in Romans 1:16 when he said, I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth. For over 120 years, this book has guided thousands of people into a life-changing relationship with God. In these pages you will find explained simply and clearly how the plan of salvation works, and how the Bible's promises can become reality in your life. Discover and experience God's pathway to peace and spiritual victory!

A Church in Crisis: Pathways Forward Ralph Martin, 2020-10-01 Nearly forty years ago, Ralph Martin's bestselling *A Crisis of Truth* exposed the damaging trends in Catholic teaching and preaching that, combined with attacks from secular society, threatened the mission and life of the Catholic Church. While much has been done to counter false teaching over the last four decades, today the Church faces even more insidious threats—from outside and within. In *A Church in Crisis: Pathways Forward*, Martin offers a detailed look at the growing hostility to the Catholic Church and its teaching. With copious evidence, Martin uncovers the forces working to undermine the Body of

Christ and offers hope to those looking for clarity. *A Church in Crisis* covers: -polarization in the Church caused by ambiguous teachings - initiatives that accommodate the culture without calling for conversion - Vatican-sponsored partnerships with organizations that actively contradict the teaching of the Catholic Church -and the recycling of theological errors long settled by Vatican II, Pope St. John Paul II, and Pope Benedict XVI. Powerfully written, *A Church in Crisis* reminds all readers to heed Jesus' express command not to lead His children astray. With ample resources to encourage readers, Ralph Martin provides the solid foundation of Catholic teaching—both Scripture and Tradition—to fortify Catholics against the errors that threaten us from all directions.

Pathways to the King Rob Reimer, 2024-03-11 The church in America desperately needs revival. The percentage of people who attend church in America today is lower than ever before. But how do we experience revival? How do we usher in God's Kingdom on Earth and see the next great spiritual awakening? It starts with you. God wants you to draw near to Jesus and to be a carrier of His Kingdom. He wants you to experience the reality and fullness of His Kingdom, and He wants you to expand the Kingdom to others - just like Jesus did. *Pathways to the King* provides you with 8 Kingdom pathways that you'll need to incorporate and internalize in order to experience and expand God's Kingdom on Earth. These pathways are discussed in great detail, are securely rooted in biblical truths, and are illustrated by poignant examples from Scripture, from the lives of believers, and from great Christians throughout history. When you begin to walk down these pathways, you will develop intimacy, authority, and power in Christ and become a Kingdom-minded person living out the compelling life of the Spirit.

Replicate shows church leaders how to make disciples who make disciples and get the rest of your church on board as well.
