Let Dogs Be Dogs The Monks of New Skete,Marc Goldberg,2017-09-12 America's foremost authorities on dog care and training distill decades of experience in a comprehensive foundational guide for dog owners. No matter what training method or techniques you use with your dog, the training is unlikely to be optimally successful unless it is predicated on an understanding of the dog's true nature. Dogs need food, water, exercise and play, rest, veterinary care--the basics. But since dogs naturally want to be led, they also need focused and compassionate guidance. Through abundant stories and case studies, the authors reveal how canine nature manifests itself in various behaviors, some potentially disruptive to domestic accord, and show how in addressing these behaviors you can strengthen the bond with your dog as well as keep the peace. The promise of this book is that, especially in an ever-accelerating world filled with digital distractions, you can learn from your dog's example how to live in the moment, thereby enriching your life immeasurably.

Bacon and Egg Man Ken Wheaton, 2014-07-01 In the halls of Congress, on the streets, in the media, the war on fast food is on. Tofu may be topical, but bacon is eternal. Bacon and Egg Man, Ken Wheaton's second novel, is a sly send-up of a politically correct food establishment, where the Northeast has split off from the rest of the United States. The new Federation is ruled by the electoral descendants of King Mike, a man who made it his mission to form a country based on good, clean living. But you can't keep good food down. And Wes Montgomery, a journalist at the last print paper in the Federation, is a mild-mannered bacon-and-egg dealer on the side. Until he gets pinched and finds himself thrust into Chief Detective Blunt's wild-eyed plot to bring down the biggest illegal food supplier in the land. To make matters worse, Wes is partnered with Detective Hillary Halstead, the cop who, while undercover, became his girlfriend. Their journey takes them from submarine lairs to sushi speakeasies, from Montauk to Manhattan, where they have to negotiate with media magnate the Gawker before a climactic rendezvous with the secretive man who supplies the Northeast with its high-cholesterol contraband, the most eternal of all breakfast foods: bacon and eggs.

Miami Stretch Nigel Anthony Conrad Leader, 2016-01-12 Nigel Leader never imagined in his wildest dreams that when he headed from snowy New York to sunny Florida to pursue a career in aviation he would one day become a professional chauffeur. But as Nigel ultimately discovered, sometimes life gets in the way of even the best-laid plans. Beginning with his birth in Port of Spain, Trinidad, Nigel chronicles his life experiences as a child living on a Caribbean island, as a teenager in Queens, and eventually as a young man who strived to fulfill his goals. As life and work led him from city to city, Nigel shares an honest look into his varied personal and professional experiences, his

disappointments and joys, his spiritual walk, and the circumstances that caused his eventual career detour to becoming a limousine driver in South Beach, Florida. While detailing his encounters with musicians, celebrities, executives, athletes, criminal elements, and regular folks, Nigel offers an interesting perspective on wealth, privilege, and life in Florida from his point of view and that of his varied clientele. In this colorful memoir, a professional limo driver narrates the first part of his fascinating life story as he journeys from Trinidad to New York and ultimately South Florida where he seeks bold, new adventures.

Smoke and Mirrors: Police Dreams Jordan P. Castro, 2016-09-26 Xlibris author Jordan P. Castro has seen his book *Smoke and Mirrors: Police Dreams* reviewed by the New York Times. The review praises Jordan Castro's prose and writing, comparing it to the works of such writers as Mike Hammer. The New York Times review also positively upholds Jordan Castro's dialogue, citing it as gritty and emotionally evocative. Jordan Castro is an active NYPD sergeant who began assembling his literary painting on the pages of his police memorandum pad and restaurant napkins while on patrol in the Bronx and Harlem. Born in Washington Heights to Cuban parents, his dreams were supported and nurtured by a mother and father who enrolled him in arts programs where he cultivated the bold strokes of his vivid writing style. Inspired by English teachers, who awakened him to the universes of Shakespeare, Jane Austen, and F. Scott Fitzgerald, Jordan believed it was his destiny to contribute memorably to the literary landscape while honoring his predecessors. The original New York Times article and review can be read at:
