The Fortune Runner Smart Phone App is set up and designed for its users to automatically receive money earned directly to their account to be used right away daily And for savvy users, you may also receive payments in crypto currencies as well Once you experience the Fortune Runner App at work, never again will you see value working on a job that pays meager hourly wages and requires weeks before you are paid, and the pay is never enough to live on. Now I am certainly not against hourly wages, or even earning income monthly, hourly wage earning can be a very lucrative structure only if your physical labor is not involved, or, the control of your time to earn the hourly income is not a factor.
