Unpacking School Lunch Marcus B. Weaver-Hightower,2022-05-18 This book delves into the heated political battles over what kids eat at school, shedding light onto how policymakers craft food policy for schools. The book takes readers inside schools, through the history of school food programs in the United States and England, and into the policy terrain that makes school lunch difficult to change. Through diverse case studies—hungry linebackers, pink slime, English reality television and policy making, pizza as a vegetable, lunch shaming, and more—chapters provide detailed analysis of rhetorical tactics, arguments over, and policy for school feeding. The book concludes with a progressive vision of school food that is healthy, pleasurable, educative, shame-free, and, most importantly, free for all students, just like the rest of school.

Settler Education Laurie D. Graham,2016-03-22 A tone-perfect elegiac meditation on the impossibility of engaging with painful history and the necessity of doing so. – Margaret Atwood, Thomas Morton Memorial Prize for Poetry In the stunning poems of *Settler Education*, Laurie D. Graham vividly explores the Plains Cree uprising at Frog Lake -- the death of nine settlers, the hanging of six Cree warriors, the imprisonment of Big Bear, and the opening of the Prairies to unfettered settlement. In ways possible only with such an honest act of imagination, and with language at once terse and capacious, *Settler Education* reckons with how these pasts repeat and reconstitute themselves in the present.

Count Me In Varsha Bajaj,2020-08-25 An uplifting story, told through the alternating voices of two middle-schoolers, in which a community rallies to reject racism. Karina Chopra would have never imagined becoming friends with the boy next door--after all, they've avoided each other for years and she assumes Chris is just like the boys he hangs out with, who she labels a pack of hyenas. Then Karina's grandfather starts tutoring Chris, and she discovers he's actually a nice, funny kid. But one afternoon something unimaginable happens--the three of them are assaulted by a stranger who targets Indian-American Karina and her grandfather because of how they look. Her grandfather is gravely injured and Karina and Chris vow not to let hate win. When Karina posts a few photos related to the attack on social media, they quickly attract attention, and before long her #CountMeIn post--What does an American look like? #immigrants #WeBelong #IamAmerican #HateHasNoHomeHere--goes viral and a diverse population begin to add their own photos. Then, when Papa is finally on the road to recovery, Karina uses her newfound social media reach to help celebrate both his homecoming and a community coming together.
