Jewish Sports Legends Joseph Siegman, 2020-08-01 Following the 1972 Olympics one sportswriter referred to Mark Spitz, winner of seven gold medals, as "the first great Jewish athlete." He couldn't have been more wrong. As Jewish Sports Legends shows, Jews have excelled at athletics for centuries. This engaging volume illuminates the lives and unforgettable accomplishments of Jews in virtually every major sport played worldwide. Baseball stars Sandy Koufax and Hank Greenberg, basketball's Red Auerbach and Dolph Schayes, and football's Sid Luckman and Marv Levy are only a few notable examples. With photographs accompanying almost every sports personality, this fifth edition introduces some famous and some not-so-famous Jewish sports greats throughout history. More than eighty new entries have been added to the International Jewish Sports Hall of Fame since 2005, among them Lyle Alzado, Max Baer, Ira Berkow, Kenny Bernstein, Sasha Cohen, Shawn Green, Donna Geils Orender, Aly Raisman, and Bud Selig. While most of those profiled are professional sport champions and Olympic gold medalists, the book also features great coaches, officials, journalists, and other significant contributors in every major sport.

Playing with the Big Boys Lou Antolihao, 2015-05 Basketball has a lock on the Filipino soul. From big arenas in Manila to makeshift hoops in small villages, basketball is played by Filipinos of all walks of life and is used to mark everything from summer breaks for students to religious festivals and many other occasions. Playing with the Big Boys traces the social history of basketball in the Philippines from an educational and "civilizing" tool in the early twentieth century to its status as national pastime since the country gained independence after World War II. While the phrase "playing with the big boys" describes the challenge of playing basketball against outsized opponents, it also describes the struggle for recognition that the Philippines, as a subaltern society, has had to contend with in its larger transnational relationships as a former U.S. colony. Lou Antolihao goes beyond the empire-colony dichotomy by covering Filipino basketball in a wider range of comparisons, such as that involving the growing influence of Asia in its region, particularly China and Japan. In this context, Antolihao shows how Philippines basketball has moved from a vehicle for Americanization to a force for globalization in which the United States, while still a key player, is challenged by other basketball-playing countries.

Ebony Legends in Sports P. Paul Provost,2009-07 The enthusiasm that I have for sports has led me to bring forth a work, encompassing many sports in which African Americans were not always privy to participate. In the effort to overcome this inequality, many challenges and struggles were experienced, because of the deprivation, and have been addressed within these pages. Much has been achieved as a result of the endurance of these many African American, legendary athletes. It is very disturbing to know what we, as African Americans, went through to arrive at where we are, and now appear to be losing ground. Staying abreast of the various sports has alerted me to the declination in numbers and deterioration of African Americans in the sports arena. This declination is a documented fact and must be expressed in bold terms. My primary purpose in writing this book, *Ebony Legends in Sports*, is that it will certainly be a wake-up-call, for action, in the total African American community. My hope is that it will inspire the youth of this, and future generations, to return to the glory of the games, that they will become members of athletic programs, in mass, in their schools, follow through with their endeavors and persevere, as our legends did.

The Legends Club John Feinstein,2017-02-21 On March 18, 1980, the Duke basketball program announced the hiring of Mike Krzyzewski, the man who would restore glory to the team. The only problem: no one knew who Krzyzewski was. Nine days later, Jim Valvano was hired by North Carolina State to be their new head coach. The hiring didn't raise as many eyebrows, but the two new coaches had a similar goal: to unseat North Carolina's Dean Smith as the king of college basketball. And just like that, the most sensational competitive decade in history was about to unfold. In the skillful hands of John Feinstein, *The Legends Club* captures an era in American sport and culture, documenting the inside view of a decade of absolutely incredible competition. Feinstein pulls back the curtain on the recruiting wars, the intensely personal competition that wasn't always friendly, the enormous pressure and national stakes, and the battle for the very soul of college basketball.

Saint Michael the Archangel in Medieval English Legend Richard Freeman Johnson,2005 The cult and legends of St Michael the archangel were widespread in medieval England, and this book - the first full-length study of the subject - offers a comprehensive examination of their genesis and diffusion. Part I identifies and analyses the concerns, conflicts, and roles with which St Michael is associated, from scriptural and apocryphal literature through to the homiletic literature of the medieval period. Part II begins with a discussion of the vernacular recensions of the popular account of the archangel's earthly interventions, and goes on to survey the legendary accounts in Old English, Anglo-Norman, and Middle English of the archangel and his roles as guardian, intercessor, psychopomp, and warrior-angel follows. The Appendices contain the first English translation of the archangel's hagiographic foundation-myth; an annotated bibliographical list and motif index of textual materials relating to the archangel; and an essay on the iconographic representations of the archangel in medieval England. Legends of the Jungle Mark Powell, 2017-03-24 Boomer Esiason still holds the Cincinnati Bengals record for most passing yards in a game and is tied for the most 300-yard passing games. Jim Breech is the team's all-time leading scorer in points and remains a beloved figure more than twenty years after his retirement. Cris Collinsworth led the team in receptions and receiving yards several times in the 1980s and topped the team in receiving touchdowns three times. But these great players and many others aren't in the Bengals Hall of Fame, and it's for a simple reason: It does not exist. That needs to change, according to die-hard fan Mark Powell. By creating its own Hall of Fame or Ring of Honor, the team would be paying tribute to its great players and personalities. But it would need to determine who is eligible and who should be honored first. Get a detailed look at one of the NFL's most interesting franchises, discover its rich history, and decide for yourself who deserves to be among the Legends of the Jungle.

Butler Basketball Legends Stan Sutton, 2018-07-11 The author of *The Curse of the Indy 500* takes to the court to showcase the celebrated Bulldogs who made their marks on college basketball. Although many fans think Butler University basketball took off with its back-to-back NCAA tournament appearances in 2010 and 2011, the Butler Bulldogs have a long history of tenaciously outplaying larger and better-known teams. In *Butler Basketball Legends*, veteran sports writer Stan Sutton profiles the legacy of the Butler University basketball program and the coaches, players, and fans who give it heart. Sutton takes readers behind the scenes to meet Butler's legendary stars and hear their stories, including players like Darnell Archey, Gordon Hayward, Matt Howard, and Mike Green, and unforgettable coaches like Thad Matta and Brad Stevens, and of course, Tony Hinkle. For 41 years Mr. Hinkle was the cornerstone of the athletics department and built a winning basketball program around small guards, short but stout centers, and players other coaches thought inadequate, leading Butler to over 550 victories. From the fabled feats of past teams all the way up to the first season of new head coach LaVall Jordan, *Butler Basketball Legends* is a must-read for all who love the game.

Legends of the Hall Kristine Setting Clark, 2008 *Legends of the Hall: 1950s* captures a period of time when playing professional football was for tough, honest men who played solely for the love of the game. The 1950s was an era of crew cuts and nicknames like Crazy Legs, Hopalong, and Night Train. The decade began with Sammy Baugh throwing his last passes and ended with the death of Bert Bell. This era also produced some of the greatest quarterbacks ever to play the game. They were known as the glamour boys of the league--Otto Graham, Bob Waterfield, Bobby Layne, Y. A. Tittle, and Bart Starr, to name a few. The incomparable, individual brilliance and unique team chemistry that marked this era have transcended this specific time and place to make *Legends of the Hall: 1950s* an unforgettable part of the magic and myth of professional football.

The Legend of Jesse Smoke Robert Bausch,2016-08-30 When Skip Granger, the assistant coach for the Washington Redskins, first sees Jesse Smoke, she is on the beach in Belize. And she has just thrown a regulation football a mile. Granger knows that Smoke's talent is unprecedented for a woman, and nearly unparalleled among men. As Granger observes her throughout a season as quarterback for the Washington Divas of the Independent Women's Football League, he decides to sign her to the Redskins, even as he faces losing his job and credibility. As the first woman on a major NFL team, Jesse Smoke's astounding success places her in the tradition of athletes like Jackie Robinson and Joe Louis. Yet Smoke is quickly faced with her own battles, including the clamors of the press, the violence of her teammates, and the institutional resistance that seeks to keep football in the hands of men. While a female quarterback in the NFL is a fantasy at the moment, Robert Bausch's genius as a writer makes it a highly engaging reality on the page. Fans of football--and readers who were just waiting for a player worth getting excited about--will relish Jesse Smoke's journey to the big leagues.
