Pediatric Care and Checklist Speedy Publishing,2014-09-10 Medicine is a very important field, and pediatrics is one of the more delicate specializations of medicine. When performing any sort of pediatric care, there are certain procedures a physician will need to follow. For those who are learning about medicine and going through a pediatric program, using a pediatric care and checklist study guide is pretty much essential so that you can absorb everything possible about working in pediatrics. After leaving medical school, some newer pediatricians may want to keep a pediatric care and checklist study guide handy so that they can have it for consultation and so that the checklist becomes a habit.

Pediatric Informatics Christoph Lehmann,George R. Kim,Kevin B. Johnson,2009-07-16 Now is a critical time in pediatric informatics. As information technologies—electronic health records (EHRs), personal health records (PHRs), computerized physician order entry (CPOE)—and standards (HL7) are developed to improve the quality of health care, it is imperative for policy makers and pediatricians to be aware of their impact on pediatric care and child health. Informed child advocates must be at the planning table as national and regional health information networks are developed to insure the unique health care needs of children are being met. Pediatric Informatics: Computer Applications in Child Health is a current digest of the important trends in pediatric informatics, written by leading experts in the field. This book explores how the management of biomedical data, information, and knowledge can optimize and advance child health. The contributors investigate the specific importance of pediatric informatics is derived from the biological, psychological, social and cultural needs that the distinguish children from other populations. These distinctions create complexities in the management of pediatric data and information that make children a vulnerable population and require the development of a new body of knowledge in pediatric informatics.
