Viessman, 2009-08-27 More than 1,000 board-style questions build confidence, knowledge, and test-taking skills for the USMLE Step 2 CK and the pediatrics shelf exam I really like the format of the questions. I believe they are quite an accurate representation of the questions that appear on the boards -- Joshua Lynch, DO Lake Erie College of Osteopathic Medicine, Class of 2008 I thought the questions were well worded. The conciseness [of the answer explanations] is one of the benefits of this book. -- Lisa A.
