All Things Work Together Victoria, 2015-06-01 A novel about a girl, Vicki Bright, from the 1960s Vietnam War era—covering the years she was falls in love and feels forced to marry young but finishes college. Carry Me Home John M. Del Vecchio, 2013-02-18 In this powerful and poignant epic, Del Vecchio transports the soldiers of the Viet Nam experience to their final battlefield—the home front. High Meadow Farm, in the fertile hill country of central Pennsylvania, would be their salvation. In Viet Nam they had fought side by side, brothers in arms. Now in the face of personal tragedy and bureaucratic deception, they would create a more enduring allegiance, an alliance of the spirit and the soil. Carry Me Home is the remarkable story of their struggle to find each other and themselves, a saga spanning fifteen years—fifteen years lost in a wilderness called America. In its scope, breadth, and brilliance, Carry Me Home is much more than a novel about Viet Nam and Viet Nam veterans. It is a testament to history and hope, to hometowns and homecomings, to love and loss, to faith and family. It is a novel about two decades in our collective lives and the cleansing of our spirit—an inspiring and unforgettable novel about America itself. “In this...final installment of his trilogy about America's war in Southeast Asia (The 13th Valley; For the Sake of All Living Things), Del Vecchio focuses on veterans who returned home in the late '60s only to find themselves viewed largely as lepers...the overall purpose of his powerful proletarian art demands such detail to underscore his characters' pain and, for a few, uplifting recovery.” —Publishers Weekly “Carry Me Home completes a trilogy begun by The 13th Valley, and deals, much like James Jones' Some Came Running, with veterans trying to adapt to civilian life....in the end they gain a frightening power from Del Vecchio's accretion of utterly authentic detail. And Wapinski, at least, comes to a hard-earned redemption through the example of one fine old man and a beautiful, communitarian idea.” —Booklist “Arresting, searing and shattering...the most eloquent novel ever to examine the American Viet Nam veteran and his return home to a nation that had failed him.” —International Review

Roller Donald Roller Wilson, 1988

Psychosis Tim Roesch, 2004-12 Sixteen years ago a war that humans had been slowly losing for more than two thousand years ended in a place called Iowa. The victors unknowingly overcame seemingly insurmountable odds at the last possible moments and the losers in this titanic battle fled into the unassailable shadows from whence they had come, hiding behind mathematical equations so complex even they were unable to solve all of them. Sixteen years later humans struggle to rebuild from the ashes, plucking discovery upon discovery from the rubble, waiting fearfully in the darkness of space for the return of that which had almost consumed them utterly. One day, sixteen years later, a

confluence of events brings humanity both to the brink of a destiny they were completely unaware of being possible and to annihilation. One day, a term almost without meaning to the seemingly vanquished enemy, fate would rise out of the blackness of space, out of a dimension where fate was as predictable as a linear equation, into another where almost nothing could be reliably predicted even with the most fastidious attention to mathematical detail. One day can be as short as a heartbeat or last forever.

A Royal Waste of Time Marva J. Dawn, 1999 In this book, Marva Dawn insists that churches need to engage in a serious process of community discernment concerning worship in order to employ the best tools and forms, and she offers reflections to further the discussion. Each part of A Royal Waste of Time begins with a sample Scripture-based sermon since Dawn emphasizes that the church's worship must follow biblical guidelines and form a biblical people.--From publisher's description.

FBI Girl Maura Conlon-McIvor, 2017-07-14 In a house teeming with life, young Maura, voted the Most Quiet Girl in Catholic school, notices everything but says little. Eager to penetrate the secret world of her father, FBI agent Joe Conlon, she is drawn to the bureau drawer where he places his badge at night. The time is the late 1960s, and Vietnam and the Cold War are fomenting unrest outside Maura's suburban Los Angeles home. Inside, the Conlons and their five children are still bound by tradition: baseball games, Sunday dinners of roast beef and mashed potatoes, and The FBI on TV. Under the watchful gaze of J. Edgar Hoover's picture, Maura's mother, a former New York bathing beauty, remains a housemaker even as she slips out for assertiveness training. And there's the one unshakable rule of all: Joe Conlon never talks about his job. In fact, he rarely speaks at all. Believing that he communicates in code, Maura is determined to crack it. She uses clues gleaned from Nancy Drew mysteries, eavesdrops on adult conversations, and spins larger-than-life fantasies in her head, with her younger brother, Joey, who has Down syndrome, at her side. But her flights of fancy turn sober with a murder in the family. Suddenly her father's silence speaks volumes, and she learns a lesson from him about fierce love during a

time of devastating loss. Bathed in luminous nostalgia, resonating with hilarious and painful memories, FBI GIRL is the coming-of-age story of a highly imaginative girl and a passionate homage to family bonds, the trials that test them, and the triumphs that make them stronger.

To Heaven and Back Melissa Melitzer, 2022-05-31 A fascinating true-life story: powerfully moving and incredibly passionate, leaving the reader with a strong sense of reflection. The book displays raw emotions in telling the story about the two very different marriages and the strength the author possessed through some very challenging years. After the death of her second husband and being exhausted by life, the author changed her life by moving two thousand kilometres from her memories to start a new life for herself. In her late spring, a much younger man changed her life forever. A new town in tropical Queensland became her heaven on earth. An incredible love story was there for the taking, but her moral obligation, along with the fear of hurting her lover by tying him to her, made her leave him, taking exile in the Philippines. Writing this book became the author's therapy and obsession. It was never intended to be published but, after four years, she returned to her beloved Croatia alone. The circle of her life journey has closed, and healing of her soul has begun.
