Timeless Toys Tim Walsh, 2005-10 The book *Why Didn't I Think of That!* includes the passage 'If a toy has magic, when people see it they say, 'Oooh! What is that?' . . . It appeals to the kid in everybody. That same kind of magic captures the kid in everybody when they pick up *Timeless Toys: Classic Toys and the Playmakers Who Created Them*. *Timeless Toys* represents one of the finest documentaries and displays of modern toys ever written. Author Tim Walsh, a successful toy inventor himself, reveals a world of commerce, toys, and wonder that is equally fun, fascinating, and nostalgic. Readers of every age and background will find it impossible to pick up this book, turn a few pages, and not become spellbound by its insightful stories and the personal memories that the text and 420 brilliantly colored photographs bring forth. Slinky, Lego, Tonka trucks, Monopoly, Big Wheel, Frisbee, Hula Hoop, Super Ball, Scrabble, Barbie, Radio Flyer Wagons: All of these and many, many more are featured in this fascinating tome, along with the toys' histories, insider profiles, and rare interviews with toy industry icons. It's simply magic!

The Other Serious Christy Wampole, 2015-07-07 An original collection of incandescent cultural criticism, both experimental and personal, full of pragmatic advice for how to live a considered, joyful existence in our era of screen living and hipster irony, by a Gen-X Princeton professor and contributor to *The New York Times* The essays in *The Other Serious* examine the signature phenomena of our moment: the way our lives contradict themselves, how exaggeration and excess seep into our collective subconscious, why gender is becoming more rather than less complicated, and how we interact with the

material things that surround us. It is a book about the delicacy and bluntness of American life, about how pop culture sticks its finger deeply into the ethical dilemmas of our time, and how to negotiate between the old and the new, the high and the low, the global and the local, the sacred and the profane. At the heart of these reflections lies a central question: What should you do when you don't know what to do? Taken together, these essays comprise a guide for the overhaul of the administrativersity of contemporary American life, a bureaucratic prison where the brain needn't work anymore. These pieces investigate the writer's own way of thinking—putting forth new ideas, questioning them, and urging the reader to adopt the same spirit of critical reexamination.

Cowboys, Yogis, and One-Legged Ski Bums Don Morreale, 2014-05 Cowboys, Yogis, and One-legged Ski Bums is a compilation of Don Morreale's popular YourHub/Examiner.com articles about the life and times of contemporary Coloradans. In addition to people who have somehow managed to triumph over extremely difficult circumstances, he writes about artists, athletes, thinkers, helpers, seekers, and ordinary folks smitten with peculiar passions. His stories uncover a rich cultural tapestry hidden in plain sight at the foot of the majestic Rocky Mountains.

Toy Box Leadership Ron Hunter,Michael E. Waddell,2009-08-31 Reach back into your childhood and recapture the leadership principles you learned from your favorite toys. Authors Ron Hunter and Michael E. Waddell take a nostalgic look back into their childhood toy boxes to revisit the valuable leadership and life lessons we all unintentionally learned during playtime. While these lessons started in fun, as adults, we've complicated the principles of leadership - cluttering them with popular trends and theories. Toy Box Leadership clears away the clutter and takes listeners back to the simple and essential roots of the most effective and unchanging leadership best practices. In this book, you will learn: what Lego bricks can teach you about building your business through connection; how Slinky Dog demonstrates the value of patience when you're growing your organization; what every kid learned from the Little Green Army Men that can be used in business strategy; and many more playful and insightful lessons. Whether you still feel young at heart or your childhood seems to be a distant memory, Toy Box Leadership will bring you back to the place where all important life lessons began to reinvigorate your ability to influence and lead others in the playground of life.

Post Your Peg High Charles L. Bradshaw, 2009-06 Charles Bradshaw has presented the great American saga, from the Great Depression era in a mining town through the greatest war ever. As a teen growing up in Mascot my mother (town librarian) often assured me that we would beat the Russians to the moon because Charles Bradshaw was helping Dr. von Braun. Ralph McGhee B.S. (U.S. Naval Academy) Th.M. Pastor Atkins Baptist Church, Mascot Librarian. I have had no greater friend than Brad and it is a special privilege to have been part of his life. He has done a great job in capturing the problems and pleasures of the 'Greatest Generation.' This book will be interesting to those from that era as well as their children. Joe Brake, A.A., B.S., M.B.A., and J.D., Chemical Engineer and Company Executive. This is a good book, often brilliant. The stories about athletics, mathematics, the Navy, and the author's technical career often catch fire. The author's keen intelligence, high standards, and genial acceptance and appreciation of life and of the home folks shine through. Anne Donnell, B.A., M.A.T., Author and Teacher. *Post Your Peg High* is a blended portion of life's experiences during the Great Depression, World War II, and the cold war. The hard times and the adverse experiences developed what has come to be known as the 'Greatest Generation'. Grady Holt, B.S., M.A., Professor, Aerospace Engineer and Entrepreneur. Charles Bradshaw, a native of Mascot and a graduate of Carter High in Knox County, worked as an applied mathematician in rockets, space flight and nuclear engineering at Oak Ridge National Laboratory, the Army Ballistic Missile Agency and the Marshall Space Flight Center (NASA). Snow Day Billy Coffey, 2010-10-11 In this debut novel, Peter is a simple man who lives by a simple truth--a person gains strength by leaning on his constants. To him, those constants are the factory where he works, the family he loves, and the God who sustains him. But when news of job cuts comes against the backdrop of an unexpected snowstorm, his life becomes filled with far more doubts than certainties. With humor and a gift for storytelling, Billy Coffey brings you along as he spends his snow day encountering family, friends, and strangers of his small Virginia town. All have had their own battles with life's storms. Some have found redemption. Others are still seeking it. But each one offers a piece to the puzzle of why we must sometimes suffer loss, and each one will help Peter find a greater truth--our lives are made beautiful not by our big moments, but our little ones.
