With this approach, they drive each other. Covering the what, why, and how of running a client-centered practice, with examples from law firms leading this revolution as well as practical strategies for implementation, *The Client-Centered Law Firm* is a rallying call to unlock the enormous latent demand in the legal market by providing client-centered experiences, improving internal processes, and raising the bottom line.

On the Way to Birdland Frank Morelli,2021-05-04 Self-proclaimed teenage philosopher Cordell Wheaton lives in a sleepy, southern town where nothing ever happens; not since his hero, jazz musician John Coltrane, left some seventy years earlier to follow the sound. Cordy's life has been unraveling since the night his father and his brother, Travis, exploded on each other. The night Travis's addiction transformed him from budding musician into something entirely different. The night Travis took his saxophone and disappeared. When Cordy's father falls ill, the sixteen-year-old vows to reunite the Wheaton family. He embarks on a modern-day odyssey with forty bucks in his pocket and a dream to find his brother and convince him to be Travis again--by taking him to a show at Birdland Jazz Club in New York City, and reminding him of the common bonds they share with their legendary hero. Cordy's journey is soon haunted by ghostly visions, traumatic dreams, and disembodied voices that echo through his mind. He starts to wonder if the voices are those of the fates, guiding him toward his destiny--or if he's losing his grip on reality.

No Sad Songs Frank Morelli,2018 Following a family tragedy, 18-year-old Gabe LoScuda suddenly finds himself thrust into the role of caregiver for his ailing grandfather. And when long-lost Uncle Nick appears on the scene, Gabe soon finds that living with Nick and Grandpa is like babysitting two grown men. Aside from John, the only person who truly understands Gabe is Sofia, a punk-rocking rebel he meets at the veteran's hospital. When these three unlikely friends are faced with a serious dilemma,

will they do what it takes to save Grandpa? If there's a chance of preserving the final shreds of Grandpa's dignity, Gabe may have to make the most gut-wrenching decision of his life--and there's no way out.--Provided by publisher.

The Common Sense of Teaching Foreign Languages Caleb Gattegno, 1976 Gattegno wrote this book as a scientist interested in learning processes, as a student interested in the mastery of foreign languages, and as a teacher interested in providing his students with ideal learning conditions. These perspectives combined with years of research, travel, and fieldwork create a full insight into the problem of learning a foreign language. He argues that learning a language should not be about recitation and memorization, but about the natural learning processes we have used since birth. In fact, he writes, We can no more say that we remember our language than that we remember how to stand up or walk.

Peach Wayne Barton, 2019-01-15 Following the untimely passing of a close friend, British songwriter and producer, Freddie Ward, arrives in Bliss, Idaho to work on a comeback album with beloved singer-songwriter, Hal Granger. Adrift and bereft, Freddie is looking to gain a sense of perspective after a series of bad decisions--decisions that cost him his relationship and life as he knows it. However, almost as soon as Freddie arrives in Idaho, Hal drops an unexpected and devastating bombshell. Far from the hustle and bustle of his life in England, out in the stark isolation of the northwestern U.S., with time to think, to reflect, Freddie slowly begins to rebuild his life, haunted both by the events of the recent past and his reactions to them.

Through words of wisdom from Hal and a series of meandering, existential, and profound conversations, PEACH explores themes such as love, loss, loyalty, and friendship; second chances and redemption; how to make the most of your time; and, last but not least, the meaning of home.

Life, Liberty, and the Pursuit of United Gary B. France, 2018-03-10 It is said that you don't choose your team--your team chooses you. On April 5, 1975 Manchester United Football Club chooses a young football fanatic growing up on England's North West coast. On this day Gary B. France becomes United. Twenty years later, Gary relocates to the United States--destination Detroit. Blue collar. Motor City. Hockeytown. Where football means Detroit Lions--and soccer is virtually nonexistent. Embarking on a journey thousands of miles from home, Gary is determined to reconnect with the team and the game he left behind. Before long, he is thrust into an early morning underground subculture of soccer fanatics. Could America be waking up to soccer? Life, Liberty, and the Pursuit of United isn't simply about one man's dedication to soccer and his team. It's about fans and the lengths to which we go to remain connected; it's about home, where it all starts, and remembering those roots no matter how far we wander; and it's about community, characters, and--most importantly--the friendships that evolve through a shared passion for the beautiful game.
