Life Course Perspectives on Military Service Janet M. Wilmoth,Andrew S. London,2013-01-04 This edited volume provides a comprehensive and critical review of what we know about military service and the life course, what we don't know, and what we need to do to better understand the role of military service in shaping people's lives. It demonstrates that the military, like colleges and prisons, is a key social institution that engages individuals in early adulthood and shapes processes of cumulative (dis)advantage over the life course. The chapters provide topical synthesizes of the vast but diffuse research literatures on military service and the life course, while the volume as a whole helps to set the agenda for the next generation of data collection and scholarship. Chapter authors pay particular attention to how the military has changed over time; how experiences of military service vary across cohorts and persons with different characteristics; how military service affects the lives of service members' spouses, children, and families; and the linkages between research and policy.

Overseas Basing of U.S. Military Forces Michael J. Lostumbo,Michael J. McNerney,Eric Peltz,Derek Eaton,David R. Frelinger,2013-04-15 This independent assessment is a comprehensive study of the strategic benefits, risks, and costs of U.S. military presence overseas. The report provides policymakers a way to evaluate the range of strategic benefits and costs that follow from revising the U.S. overseas military presence by characterizing how this presence contributes to assurance, deterrence, responsiveness, and security cooperation goals.

The Military Advantage, 2014 Edition Terry Howell,2014-05-15 The Military Advantage, 2014 Edition is the most complete annual reference guide to Military and Veteran's benefits. Written by Terry Howell, Managing Editor for Benefits for Military.com, the guide is backed by the resources of Military.com and its parent company, Monster.com. The Military Advantage, 2014 Edition is the most reliable benefits guide for the over 30 million Americans who have answered the call to serve in the military. These valuable benefits amount to billions in scholarships, educational benefits, home loan guarantees, and military discounts. These extraordinary benefits are frequently overlooked by those serving in uniform or retired from the service. The Military Advantage, 2014 Edition insures that all service members and their families are aware of the availability of all of these substantial benefits. This easy-to-use reference guide is full of insider tips, little-known benefits, shortcuts, and detailed answers to frequently asked questions. While information about these military and veterans benefits is available through numerous, separate sources, this book collects all of those valuable resources into one easy to use reference guide and provides important analysis of these benefits. The Military Advantage, 2014 Edition is the well-established essential guide to making the most of the military experience for active duty service members, veterans, military retirees, and family members.
