The Impact of Akira Rémi Lopez, 2020-09-02 Discover Katsuhiro Otomo's visionary work and post-Akira Japanese comic culture. The catalyst of an era, of a world that was unaware of its downfall, Katsuhiro Otomo's visionary work marked a turning point in the industry. First, in his homeland, Japan, in terms of graphics and plot on an entire generation of post-Akira artists who adopted his attention to detail, his realism and his dizzying views. But above all with his international reach, which threw Japanese comic strips and animations into the limelight in numerous countries, by trampling the rest of the world's notion that cartoons are exclusively for children. This book dives headfirst into the radioactive culture that is the creative power of Katsuhiro Otomo, from the mangaka's— already explosive—beginnings, up to winning recognition for Akira. Discover the themes and influences of this fundamentally anti-establishment work by exploring its socio-economic or simply literary aspects. The author of the work analyzes the phenomenon, from its tiny seed to the mighty tree, and reveals why Akira is, above all, a purely Japanese series. This book will provide you with an analysis of the socio-historical context of Akira. It aims to help Western readers to better understand the essence of this graphic and narrative treasure. ABOUT THE AUTHOR Rémi Lopez graduated with a degree in Japanese from Bordeaux III University. In 2004, he cut his teeth as an author when he wrote website columns on video game soundtracks. Two years later, he joined the Gameplay RPG magazine in which he carried out the same task. He then followed the then editor-in-chief, Christophe

Brondy, and his entire team to a new project: the monthly Role Playing Game magazine. Rémi wrote The Legend of Final Fantasy VIII and the book on the Original Soundtrack for Pix'n Love publications in 2013.

Twisted Lies Ana Huang, 2023-02-07 Discover the addictive world of the Twisted series that has readers obsessed, a viral TikTok sensation! He'll do anything to have her...including lie. Charming, deadly, and smart enough to hide it, Christian Harper is a monster dressed in the perfectly tailored suits of a gentleman. He has little use for morals and even less use for love, but he can't deny the strange pull he feels toward the woman living just one floor below him. She's the object of his darkest desires, the only puzzle he can't solve. And when the opportunity to get closer to her arises, he breaks his own rules to offer her a deal she can't refuse. Every monster has their weakness. She's his. His obsession. His addiction. His only exception. Sweet, shy, and introverted despite her social media fame, Stella Alonso is a romantic who keeps her heart in a cage. Between her two jobs, she has little time or desire for a relationship. But when a threat from her past drives her into the arms—and house—of the most dangerous man she's ever met, she's tempted to let herself feel something for the first time in a long time. Because despite Christian's cold nature, he makes her feel everything when she's with him. Passionate. Protected. Truly wanted. Theirs is a love twisted with secrets and tainted by lies...and when the truths are finally revealed, they could shatter everything. Twisted Lies is a contemporary slow burn romance. It's book four of the Twisted series but can be read as a standalone. This story contains a morally gray alpha hero, explicit sexual content, profanity, graphic violence, and topics that may be sensitive to some readers.. Recommended for 18+
