20th Century Bookkeeping and Accounting James Williams Baker,1917

The Gallup Poll Alec M. Gallup, Frank Newport, 2006 This work is the only complete compilation of polls taken by the Gallup Organization, the world's most reliable and widely quoted research firm. An invaluable tool for ascertaining the pulse of American public opinion in a certain year, as well as for documenting changing perceptions over time of crucial core issues (such as women's rights, health care). It is necessary for all social science research. More than just a collection of polls, each title in this series offers in-depth commentary and analysis, placing current topics in a readable, historical context. Survey results are given in a easy-to-use form. Breakdowns by sex, age, race, level of education, and other factors enable the reader to grasp major issues quickly.
