**The Beauty Industry Survival Guide** Tina Alberino,2015-01-01 My name is Tina Alberino, and I wrote this book to save you. This is not another lame book full of generic beauty business advice. This book serves as the literary equivalent of a kick in the ass and a punch to the throat. You hold in your hands compendium of harsh lessons and a raw depiction of the true nature of this industry. The vast majority of these lessons aren't taught in schools and don't appear in textbooks; they're learned through experience--often in a way that is less-than-gentle. This book will help you navigate this tumultuous industry. The waters run deep, the currents are swift, and the tides shift quickly. The journey can certainly be treacherous. Don't learn these lessons the hard way. Learn how to avoid scoundrel salon owners and crackpot contracts, build a loyal following of glamorous gals and gallant gents, and land your first big break before graduation day!

**Make a Six Figure Income Doing Hair** Alan Daniels, 2012-10-01 If you are a hairdresser who is currently in or entering the hair industry or know someone who is, then you need this book. The vast number of working hairdressers make less than \$30,000 a year. Without an experienced mentor teaching a stylist what to do, it is very difficult to beat the odds and earn over \$100,000 a year in income in the beauty business. This book is that mentor! Learn exactly what to do and when to do it as it relates to building and maintaining a large and lucrative clientele base. In short, this book will teach you in detail how to make a lot of money in the hair industry while the vast majority of hairstylists do not. Here is a chapter list- Is this the industry for me? \* Internship-Where should I work? \* The critical consultation \* Commission or rental \* Fashion shows \* The bi-yearly builder \* Competition \* Hair care maintenance and retail product sales \* Up selling services \* The killer shampoo \* The power of humor \* The chameleon effect \* The 100% total satisfaction guarantee \* The image game \* Station location \* Pre-Booking appointments \* Tracking your business \* Double Booking \* Professionalism \* The assistant advantage \* Department store promotions \* Professional distance \* Lunch is for whimps \* Complete make-over demonstrations \* Free services \* Business cards \* Before and after \* The barter system \* Scouting for models \* Promotions with church groups \* Networking in the salon \* Clientele date base \* Your receptionist \* Accounting for success \* Do I open my own salon? \* Exit plan. This book will teach you how to: \* Start, grow, and maintain, a large and lucrative hair clientele \* Separate yourself from the crowd in the hair business \* Create a financially independent lifestyle for yourself in the hair industry \* Make a lot of money working in a hair salon \* Make the hair industry work for you \* Finally be successful as a hair stylist You will learn how successful people in the hair industry have achieved that status and how you can do it too. Most importantly, you will learn that making a lot of money in the hair industry has surprisingly little to do with physically doing hair. All of this will be taught from the perspective of a normal guy from Los Angeles California who was lucky enough to be put under the wing of a brilliant man, not through some corporate perspective. Alan Daniels has trained hundreds of stylists over the years and many of them have gone on to make over \$100,000 incomes. You can do it too!

Overnight, the group of thirty exploded to 24,000 members. By November 8, the group was three million strong. Since Pantsuit Nation’s inception, its members have shared personal stories that illustrate the complexities of living in a vibrant, oftentimes contentious democracy. Members turn to Pantsuit Nation as a place of refuge and inspiration, where marginalized voices are amplified, faces are put to political decisions, resources are shared, and activism is ignited. It is a dynamic, diverse community united by an unwavering commitment to building a more just, inclusive world. Now, hundreds of Pantsuit Nation members have contributed their stories and photographs to form this extraordinary book. An indelible testament to the idea that change comes first from the heart, and that the surest way to move a heart is to tell a story, Pantsuit Nation is a portrait of a moment in history and a rallying cry for our time.
