Orthodox Christian Renewal Movements in Eastern Europe Aleksandra Djurić Milovanović,Radmila Radić,2017-10-11 This book explores the changes underwent by the Orthodox Churches of Eastern and Southeastern Europe as they came into contact with modernity. The movements of religious renewal among Orthodox believers appeared almost simultaneously in different areas of Eastern Europe at the end of the nineteenth and during the first decades of the twentieth century. This volume examines what could be defined as renewal movement in Eastern Orthodox traditions. Some case studies include the God

Worshippers in Serbia, religious fraternities in Bulgaria, the Zoe movement in Greece, the evangelical movement among Romanian Orthodox believers known as Oastea Domnului (The Lord's Army), the Doukhobors in Russia, and the Maliovanttsy in Ukraine. This volume provides a new understanding of processes of change in the spiritual landscape of Orthodox Christianity and various influences such as other non-Orthodox traditions, charismatic leaders, new religious practices and rituals.

Fingerpicking Dulcimer JANITA BAKER,2011-08-18 A collection of 21 songs arranged in a fingerpicking style for the mountain dulcimer, this book offers a wide variety of musical genres and

playing levels. Divided equally between arrangements for three and four equidistant strings, the songs progress in difficulty within each section from beginner to advanced level. Each piece is written in both standard music notation and dulcimer tablature, and is accompanied by performance tips for playing that song. Many arrangements utilize the 6 1/2 fret, and tunings range from standard modal tunings to four-string variations. the arrangements cover a wide range of song styles including traditional ragtime, blues, and classical standards. Songs include My Old Kentucky Home; Londonderry Air, All Through the Night, the Entertainer, Careless Love, House of the Rising Sun, Für Elise, and Bach's Minuet in G. There is an extensive introduction on playing techniques for both left and right hands, tunings, reading tablature, and dulcimer embellishments. the accompanying CD is an instrumental recording of solo dulcimer, designed to give the student a note-for-note reference to each written arrangement while providing a performance-quality listening experience.
