Dog Grooming Simplified Jodi Murphy, 2014-08-15 Jodi has been well respected as an educator in the grooming industry for many years. She is one of the top pet stylists in the world winning multiple titles included World Grand Champion and Best American Groomer. She is here to share her knowledge in this extraordinary book. With over 190 breeds recognized by the American Kennel Club along with individual breed-specific grooming instructions, it can become very overwhelming for new groomers to retain the information. Straight to the Point is the solution to learning about pattern lines, which simplifies the learning process. Whether the patterns are set tight or left more natural, the patterns are set in the same fashion. Once a groomer understands basic patterns he or she will be able to groom any breed with ease. The dogs pictured in this book are top winning show dogs presenting the correct profile according to their breed standards. Jodi chose to illustrate this way for several reasons. First, a show dog presents an excellent representation of the breed and how it should be groomed per the breed standard. Second, the reader will be able to see the realistic depth and dimensions of the coat. Last, it will give the reader a vision of the pattern in a realistic view and will be a great reference source when grooming each breed. Once the groomer understands correct pattern placement, it can easily be applied to pet trims. A pet dog does not have to be groomed using show techniques, i.e., hand stripping, to present the proper breed profile. With proper pattern placement and techniques described in this text, the groomer will be able to present a well-balanced, well-blended pet

trim to the pet owner.

Theory Of 5 Melissa Verplank,2018-08-30 The methods outlined in Theory of 5 have been time-tested for more than 30 years by Melissa Verplank and her team. They have been putting this concept to work every day, making their work easier and less confusing for the pet parent. The trims outlined in Theory of 5 are designed for dogs in typical family settings, both purebred and mixed breed. Following the steps simplifies the creation of neat, well-balanced trims from one family pet to the next - enhancing each dog's overall appeal and style. When done, every pet will also still look unique because of its physical shape, size, color and coat texture.

Brianna's Pet Popularity Contest Ronald Lynn,2024-01-24 Brianna and her mom and dad and two siblings live on a large piece of rural property north of Detroit. It is not a farm, but the family has chickens, ducks, rabbits, turkeys, as well as the more typical pets such as dogs, cats and fish. Brianna loves all animals. One day her younger brother asks her which animal she likes the best and Brianna comes up with the idea to have a Pet Popularity Contest at the family home. She must get the support of her siblings and the approval of her mom and dad if her idea is to become reality. That proves to be more difficult than coming up with the idea of a contest. She must learn how to sell her idea to get the support and approval that she needs. Not only is this book fun to read, it teaches important lessons of working and supporting each other for the greater good and appreciating the value and importance of getting along with others.

DIY Dog Grooming, From Puppy Cuts to Best in Show Jorge Bendersky,2014-03 You can often

tell how healthy a dog is by the appearance of its coat. Grooming your dog regularly offers clues to her health: It nips potential health problems, like allergies, poor nutrition, parasites, or diseases, in the bud--or at least gives you some early warning about them. Grooming also makes your dog (and you) comfortable socializing whilst also stopping the spread of dirt, fleas, and germs. You can conveniently groom your dog in the comfort of your home. But perhaps the biggest benefit to grooming your dog yourself is strengthening your bond with them. *DIY Dog Grooming, From Puppy Cuts to Best in Show* by Jorge Bendersky, and foreword by Cesar Milan, will show you how to take the best care of your dog, regardless of breed, temperament, or age. Practical step-by-step photos will take you through everything you need to know to bathe and trim your dogs, plus care for their nails, ears, teeth, and more. Learn how to train them to relax and enjoy grooming. While you can make excuses not to take your dog to the groomer, you have no reason to make excuses for not doing it yourself any longer. - Cesar Millan Inside you'll find: - Simple, step-by-step instructions for everything from bathing to brushing. - Practical solutions to common problems like fleas and ticks, dirt and mud. - Creative suggestions for grooming a picture-perfect dog.
