Virginia Parker Guidry

The Pet Poo Pocket Guide Rose Seemann,2015-05-01 Get the scoop on reducing the environmental footprint of your furry friends Eighty-three million dogs and ninety-six million cats call the United States home. Dogs alone produce enough waste to fill more than 1,091 football fields 1 foot deep in a single year. Add billions of plastic pick-up bags to the mix and season well with tons of litter box waste. Scoop a hefty portion into local landfills and seal it tightly to ensure optimal methane production. Clearly, this is a recipe for disaster. Dog and cat owners who trash their pets' offerings daily are in denial about how much waste is produced and what happens to it. Those who want to make the responsible choice often turn to the internet, only to find misleading, confusing, and contradictory information. The Pet Poo Pocket Guide will help you reduce your pet's environmental paw print with: Best practices for cycling pet waste back to nature Suggestions on how to tailor your approach based on location, situation, weather, needs, or available time Instructions for using your composted pet waste safely to enrich your soil and nourish ornamental plants With recycling tactics clearly indicated as easy, moderate, or demanding, The Pet Poo Pocket Guide offers something for everyone. This no-nonsense guide is a must-read for any pet owner who is concerned about the environmental impact of their best friend, and is seeking a safe and practical solution. Rose Seemann is the owner and operator of EnviroWagg, a company dedicated to collecting and composting canine waste into safe, nutrient-rich garden soil.

Picking Your Pet Claudia Martin,2009-08 This illustrated book features 300 pets including horses, dogs, cats, fish, and birds. Information tables containing key data showing size, diet and breeding have been included.

Faithful Friends River House Media,2006-03 This Little Pocket Book is a gift book with a twist! The book has a little gift tucked into the front pocket. Here's a new way to remind those we care about that someone is thinking of them in a loving way. To protect the gift and embellishment, an acrylic sleeve fits snugly over the entire front cover. In Faithful Friends, pet lovers are reminded how wonderful life is when we share it with our four-legged friends. The little picture frame included in the pocket is a perfect way to say hello to another pet lover. The receiver can place their own pet picture in the frame, or simply enjoy the vintage terrier pictured on it.

Complete Care Made Easy, Hamsters Virginia Parker Guidry,2011-10-11 Ever since hamsters arrived in the United States in the 1950s, they have topped the list as America's favorite critter. Hailed as the ultimate pocket pet, hamsters are small, cute, fuzzy, clean, and easy to care for, in the words of author Virginia Parker Guidry. Filled with terrific color photographs, this Complete Care Made Easy Hamsters encapsulates all the virtues of these flawless little mammals and gives owners practical advice about how to better understand them and properly care for them. Deciding to add a hamster to one's household is the subject of the chapter The Right Choice, which discusses the virtues of these easy-to-tame children's pets and the commitment they require. The chapter Locating a Healthy Hamster offers solid advice about selecting the right pet, where to purchase or adopt, and whether two (or three) is better than one. Two complete chapters on the hamster's homecoming offer the reader excellent advice about acclimating the new pet to the home, selecting the best cage, accessories, setting up the hamster's habitat, and finding a good vet. In Life with a Hamster, the author discusses the hamster's nocturnal nature, various physical behaviors, temperature requirements, handling, and basic husbandry. The hamster's feeding requirements are discussed in Dinnertime! which outlines the ideal diet of dry mix, fresh foods, and occasional treats. Sidebars about common poisonous items, including certain people food and household productions, are

requisite reading for all hamster keepers. Preventive care is discussed in the chapter The Healthy Hamster, along with common health concerns (such as colds, wet tail, abscesses, etc.) and breeding. The final chapter Hamster Fun explores games, toys, activities, and showing. The appendix includes lists of clubs, organizations, and websites. Glossary of terms and index included.
