Family Treasures Photo Album Speedy Publishing Llc, 2014-02 The Benefits of a Family Photo Album Family Photo Albums Aren't Going Anywhere. Family photo albums are a great way to share memories with others. One of the biggest benefits about using photo albums is that they do not require any batteries or electricity to be used. Photo albums are easy to carry around for other people to view. They're not as popular as they used to be in the past, but family photo albums do bring a certain historic appeal and character to the setting they're located in. Photos can be exchanged and rearranged without the need of connecting a computer or device in order to transfer images. Family photo albums can be handed down from one generation to the next, allowing children and grandchildren to see what things looked like in the old days.

Our National Monuments Q. T. Luong, 2021-09-25 From the north woods of Maine to the cactus-filled deserts of Arizona, America's national monuments include vast lands rivaling the national parks in beauty, diversity, and historical heritage. These critically important landscapes, mostly under the Bureau of Land Management supervision, are often under the radar with limited visitor

information available yet offer considerable opportunities for solitude and adventure compared to bustling national parks. The Antiquities Act of 1906 gave Presidents the authority to proclaim national monuments as an expedited way to protect areas of natural or cultural significance. Since then, 16 Presidents have used the Antiquities Act to preserve some of America's most treasured public lands and waters. In 2017, an unprecedented Executive Order was issued questioning these designations by calling for the review of 27 national monuments across 11 states and two oceans, opening the threat of development to vulnerable and irreplaceable natural resources. Our National Monuments introduces these spectacular and unique landscapes, in the first book of its kind. Accompanying the collection of scenic photographs is an invaluable guide including maps of each national monument with carefully selected attractions identified and described based on the author's wide-ranging explorations. Our National Monuments invites readers to experience for themselves these lands and learn about the people and cultures who came before, and to whom these lands are still sacred places. QT Luong is one of the most prolific photographers working in America's public lands and the author of *Treasured Lands*, the best-selling and acclaimed photography book about the national parks. Combining hundreds of his sumptuously printed photographs with essays from citizen conservation associations caring for these national treasures; including a foreword by former Secretary of the Interior Sally Jewell and photographs of marine national monuments from Ansel Adams award-winning photographer Ian Shive, the comprehensive portrayals of Our National Monuments help readers understand how these essential landscapes are preserving America's past and shaping its future.

Rage Against the Minivan Kristen Howerton, 2020-06-09 "Howerton writes unflinchingly about what it means to be raising children in today's world and how to liberate ourselves from the myth of perfect motherhood."—Glennon Doyle, author of *Untamed* and *Love Warrior*, founder of Together Rising In this smart and subversively funny memoir, Kristen Howerton navigates the emotional and sometimes messy waters of motherhood and challenges the idea that there's a "right" way to raise kids. Recounting her successes, trials, mishaps, and hard-won wisdom, this mother of four advocates for letting go of the expectations, the guilt, and the endless race to be the perfect parent to the perfect child in the perfect family. This book is for ● the parent who loves their kids like crazy but feels like parenting is making them crazy, too ● the parent who said "I will never . . ." and now they have ● the parent who looks like they have it all together but feels like a hot mess on the inside ● the parent who looks like a hot mess on the outside, too ● the parent who asks Am I good enough? Doing enough? Doing it right? What's wrong with me? What's wrong with these children? Are they eighteen yet? With her signature blend of vulnerability, sarcasm, and insight, Howerton shares her unexpected journey from infertility to adoption to pregnancy to divorce to dealing with the shock and awe of raising teens. As a mom of a multiracial family and as a marriage and family therapist, she tackles the thorny issues parents face today, like hard conversations about racism, disciplining other people's kids, the reality of Dad Privilege, and (never) attaining that elusive work/life balance. *Rage Against the Minivan* is a permission slip to let it go and allow yourself to be a "good enough" parent, focused on raising happy, kind, loving humans.

John Derian Picture Book John Derian, 2016-10-04 New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian's home goods empire reaches far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by more than 600 retailers worldwide, including Neiman Marcus, ABC, and Gump's in the United States; Conran and Liberty in the UK; and Astier de Villatte in Paris. It all started with his now-iconic collectible plates decoupaged with 19th-century artwork sourced from old and rare books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has expanded greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly beautiful assortment of nearly 300 full-bleed images in their original form. From intensely colored flowers and birds to curious portraits, hand-drawn letters, and breathtaking landscapes, the best of John Derian is here. The result is an oversized object of desire, a work of art in and of itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season.

Declutter Your Photo Life Adam Pratt, 2022-05-23

Turn your photo chaos into precious memories to be enjoyed and shared!

Now more than ever, we hold our photo collections dear. They are often some of our most prized possessions. Wouldn't it be great to finally have all your photos organized, safe, accessible, findable, and shareable? With *Declutter Your Photo Life* by your side, you have just what you need to achieve photo bliss.

Photographers and family historians understand the immense power that photographs have to convey meaning, emotion, and memory. We cherish both old film photos that were handed down by previous generations and our latest digital photos captured on the newest smartphone. But when those priceless memories are unorganized and scattered every which way—on a smartphone, on a laptop, on memory cards and flash drives, on two or three photo sharing websites, in photo albums, and in shoeboxes in the attic—the dominant feeling quickly goes from “overjoyed” to “overwhelmed.” What a mess!

Whether you're a professional photographer, a casual shooter, or the designated family historian, *Declutter Your Photo Life* will help you organize and enjoy your photos once again. In this book, professional photo organizer, photographer, and author Adam Pratt teaches you his straightforward step-by-

step workflow that will have you taking complete control and creating a calming order out of your photo chaos. And once you've mastered Adam's system—Gather, Preserve, Organize, Share, Maintain—you'll have all the tools you need to keep your photo treasure organized as you move forward.
