Create Your Own Photo Book Petra Vogt,2012-05-25 These days, photographs live on hard drives and DVDs in the company of several thousand other images, coming to light on a computer screen only for a short moment, if ever. In that respect our computer is a one-image-at-a-time exhibition of our photographic work. But as photographers, we like to print our best images, frame and show them at home or at an exhibition, or present a collection of prints in a portfolio. This book will guide you through the process of creating a printed and bound portfolio of your photographs, or even a bookstore-quality coffee table book. Learn about every step of the process, from selecting a book publishing service all the way through designing and proofing your photo book. You'll get practical advice on how to work with software provided by services such as Blurb or Viovio, and will learn about relevant concepts of book design, color management, and digital printing. Create your Own Photo Book is the perfect guide for the aspiring amateur photographer as well as the seasoned pro.

I hope you are all happy now Nicholas Zinner, 2014-06-10 Nick Zinner may be a man of few words, but who needs to talk when you can say so much with the click of a shutter button? The rock press has been striving for more than thirty years to show what life is like for a band on the road. In his own quiet way, by snapping a shot of every crowd the Yeah Yeah Yeahs have played for, every hotel room they've left in disarray, and every moment of consequence they've had together, Zinner makes hacks of us all and brings us behind the music for real. -- Jenny Eliscu, *Rolling*

Stone In four years the Yeah Yeah Yeahs went from underground sensation to internationally acclaimed rock band. Through the lens of his camera, lead guitarist Nicholas Zinner documented the group's meteoric rise to fame. From the Grammys to the concerts, Nick captured the glamour, debauchery and road-weary tedium of his world. I hope you are all happy now gives readers a never-before-seen look at rock 'n' roll. This collection includes essays by Jim Jarmusch, director of Coffee and Cigarettes, and comedian David Cross.

Vivian Maier: The Color Work Colin

Westerbeck, 2018-11-06 The first definitive monograph of color photographs by American street photographer Vivian Maier.

Photographer Vivian Maier's allure endures even though many details of her life continue to remain a mystery. Her story—the secretive nanny-photographer who became a pioneer photographer—has only been pieced together from the thousands of images she made and the handful of facts that have surfaced about her life. *Vivian Maier: The Color Work* is the largest and most highly curated published collection of Maier's full-color photographs to date. With a foreword by world-renowned photographer Joel Meyerowitz and text by curator Colin Westerbeck, this definitive volume sheds light on the nature of Maier's color images, examining them within the context of her black-and-white work as well as the images of street photographers with whom she clearly had kinship, like Eugene Atget and Lee Friedlander. With more than 150 color photographs, most of which have never been published in book form, this collection of images deepens our understanding of Maier, as its immediacy demonstrates how keen she was to record and present her interpretation of the world around her.
