The photobooth was born. This book presents over 700 photobooth pictures from the last 75 years, a portrait of everyday people and a testament to the ongoing fascination with both the process and the result.

Photobooth Meags Fitzgerald,2014 For almost a century chemical photoboos have occupied public spaces; giving people the opportunity to quickly take inexpensive, quality photos. In the last decade these machines have started to rapidly disappear, causing an eclectic group of individuals from around the world to come together and respond. Illustrator, writer and long-time photobooth lover, Meags Fitzgerald has chronicled this movement and the photobooth's fortuitous history in a graphic novel. Having traveled in North America, Europe and Australia, she's constructed a biography of the booth through the eyes of technicians, owners, collectors, artists and fanatics. Fitzgerald explores her own struggle with her relationship to these fleeting machines, while looking to the future.

Always a Bridesmaid (For Hire) Jen Glantz,2017-02-07 In the tradition of Sloane Crosley, Mindy Kaling, and Katie Heaney, a hilarious and insightful memoir about one New York City millennial's journey to find herself, her dream career, and true love, all while juggling a truly unique job as the world's only professional bridesmaid. After moving to New York City in her mid-twenties to pursue her dream of writing—and not living on the “Upper East Side” of her parents’ house anymore—Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties. What she got instead were a string of phone calls that began with, “Jen, I have something exciting to tell you!” and ended with, “I’d be honored if you would be my bridesmaid.” At first she was delighted, but it wasn’t long before she realized two things: all of her assets were tied up in bridesmaid dresses, and she herself was no closer to finding The One. She couldn’t do much about the second thing (though her mother would beg to differ), but she could about the first. One (slightly tipsy) night, Jen posted an ad on Craigslist advertising her services as a professional bridesmaid. When she woke up the next morning, it had gone viral. What began as a half-joke suddenly turned into a lifetime of adventure for Jen—and more insight into the meaning of love than she was getting from OKCupid—as she walked down the aisle at stranger after stranger’s wedding. Fresh, funny, and surprisingly sweet, *Always a Bridesmaid (For Hire)* is an entertaining reminder that even if you don’t have everything together, you can still be a total boss—or, at the very least, a BFF to another girl in need.

The Dancing Hours Harold Ohlson,1916

American Photobooth Nakki Goranin,2008-01-29 A fascinating history of an American institution that includes an extraordinary collection of photobooth images. “That a perceptive, dedicated, and sensitive artist like Näkki Goranin has rescued from oblivion so many amazing self-portraits created by amateurs confronting themselves in the fleeting privacy of humble photoboos is yet another miracle for which we can be grateful.”—from the foreword by David Haberstich Generally relegated to the realm of kitsch, the history and cultural importance of the photobooth has long been overlooked. Here, Näkki Goranin documents the invention, technological evolution, and commercial history of the photobooth with extensive illustrations culled from twenty-five years of collecting. Complementing this history is a powerful collection of heartbreaking, funny, and absolutely beautiful photobooth images. These often solitary figures—seeking freedom, confession, a thrill—are evocative of a lost time and place. Haberstich writes, “For anyone who assumes that photobooth pictures are perfunctory, utilitarian records at best, the range of emotions and moods portrayed by the subjects of [this] collection is a revelation.”

Shelter Dogs in a Photo Booth Guinnevere Shuster,2016-05-03 This uplifting, fun collection of photographs and biographies of rescue dogs is the perfect gift for animal lovers. Man's best friend! What better way to showcase adoptable dogs than by letting their true personalities shine in a photo booth! In the tradition of the best-selling dog photography book, *Underwater Dogs*, *Shelter Dogs in a Photo Booth* wins the heart of all dog lovers. Often seen as sad, rejected, and behind cold metal bars, it's no wonder people would avoid images of shelter dogs awaiting forever homes. From talented photographer (and now public figure and adoption champion) Guinnivere Shuster comes *Shelter Dogs in a Photo Booth*, a guaranteed-to-make-you-smile photo book featuring rescued dogs in a brand-new light. Get ready to see the cutest canine portraits you’ve ever seen, along with a short stories about the dog’s personality and how the dog ended up in the shelter, and the adoption date. Guinnevere’s fantastic photos have been featured on websites, in magazines, and on television programs all over the world: *Good Morning America*, *NBC*, *ABC*, *MSNBC*, *The Huffington Post*, *Time*, *The Daily Mail* . . . even celebrities have gotten in on the action: Amy Poehler, Cesar Millan, and Zooey Deschanel have made statements and posts declaring their love of Guinnevere’s work. After the adorable and up-for-adoption photos of these furry friends were seen and enjoyed by millions, adoption rates at Utah's Humane Society skyrocketed. A portion of the proceeds of this book will benefit the Humane Society of Utah and Best Friends Animal Society.

Hilhaven Lodge ,2003 Red-hot Hollywood director Brett Ratner (*Rush Hour I and II*, *Red Dragon* and the forthcoming *Superman*), lives in Ingrid Bergram's old Hillhaven Lodge, where he houses his old-fashioned b/w photo booth. Into this booth Ratner has enticed a cornucopia of white-hot celebrities, personalities and legends, all of whom voluntarily vlogged, posed and made silly faces without the help of stylists and makeup artist. The result is a hilarious and revealing look at such people as Michael Jackson, Britney Spears, Liv Tyler, Colin Farrell, Mariah Carey, Edward Norton and Salma Hayek and more.

Tails from the Booth Lynn Terry,2015-10-20 Furry friends meet photo booths in this quirky photography book that captures all the cute canine action when the leashes come off and the dogs are the star of the show. If dogs could take selfies, it might look something like *Tails from the Booth*. For this adorable collection of photographs, Lynn Terry draws on more than twenty years of professional photography experience to capture the most endearing moments between canine companions: A couple of pitbulls grinning widely at the camera. Two saggy-faced bulldogs bumping jowls. A Pomeranian, an English bulldog, and a Boston terrier dog-piling (of course) on top of each other. These pictures show the countless ways dogs will ham it up in front of a camera, and that more dogs in a photo booth = even more fun! With all the charm of *Underwater Dogs* and *Shake*, *Tails from the Booth* will make you laugh out loud at all the awkward and endearing ways dogs make friends with each other.
