Camera Lucida Roland Barthes, 1981 Examining the themes of presence and absence, the relationship between photography and theatre, history and death, these 'reflections on photography' begin as an investigation into the nature of photographs. Then, as Barthes contemplates a photograph of his mother as a child, the book becomes an exposition of his own mind.--Alibris.

A Madness Most Discreet Nichole Van, 2018-04-19 Tennyson D'Angelo . . . Darkness lives within each of us. Shadows. We are each capable of great goodness and unbelievable evil. It is the duality of being human. I want to live in the light. I don't enjoy the

shadows. But I'm not sure I've been given a choice in the matter. The shadows own me. They dance at my edges and tangle in my light. They torment my days and make my nights an anguished hell. I simply want to be free. One way . . . or another. The call him the Prophet. Tennyson D'Angelo, the man who can foretell the future. A modern-day oracle. And Olivia Hawking desperately needs his help. She tracks him down in Italy, begging for his assistance. She has a life-or-death problem that only a bonafide psychic can solve. But Tennyson is slowly fracturing from within, the weight of the D'Angelo curse destroying him. Olivia and Tennyson join forces, each searching for answers. But their understanding of the D'Angelo curse keeps changing, and Time is not on their side. Even as they fall in love, Tennyson and Olivia realize they are in a race against the clock. Will they find answers in time to save themselves?

An Introduction to the Study of the Diatomaceae Frederick William Mills, Julien Deby, 1893

A Pool of Thoughts James Pool Enterprises, Rose Marie Leo, 2021-06-28 For more than 200 years a bond between the United States and The Netherlands remains strong. The diplomatic ties constituting one of the longest unbroken diplomatic

relationships with any foreign country. Some notable writings within this book are: Post-Revolutionary war notes and the finding of Chatfield, Minnesota, living on the Mississippi during the Civil War, The crime wave of 1949, Eleanor Roosevelt 1961, and the tornado of 1965, along with many others. This book preserved valuable information respecting the early historical settlements of the Mapes/M?bs Family who originally immigrated from Germany and Bohemia to include the Dutch American Family from Holland and the Netherlands, along with the Bosgra, Eason and other members of my family from Bergum, Tietjerksteradeel, Holland and England. Fascinatingly, I have organized and documented my family history to my ancestors' collective writings, along with my own. As an example: In Orange City, Iowa: the area where my family settled was known to my ancestors and the surrounding community as The Pool Lane. This was because of how each home was laid out on a plot. Specifically, they built each home in a semi-circle. All the houses with yards were set off from their other buildings. This design was the first of its kind and created a neighborhood. This design allowed a homeowner to drive into a neighborhood from the north or south entrance of a street. . Most of the chapters were composed, in my home office, on a Dell desktop computer located

in California. Distractions from this book included junk mail, political mail, power naps, letters, and telephone calls of comfort for my son who passed away while writing this book, Mollie B's Polka Party and Huell Howser reruns, coffee breaks and pie. We hope you enjoy this book and we hope to create future historian's hereafter. WHEN YOU ARE FINISHED READING THIS BOOK AND NO LONGER WANT TO KEEP IT, PLEASE DONATE THIS BOOK TO YOUR LOCAL CHURCH OR LIBRARY OR LEAVE IT ON A PARK BENCH.

Free, Fair, and Alive David Bollier, Silke Helfrich, 2019-09-03

The power of the commons as a free, fair system of provisioning and governance beyond capitalism, socialism, and other -isms. From co-housing and agroecology to fisheries and open-source everything, people around the world are increasingly turning to

'commoning' to emancipate themselves from a predatory market-state system. *Free, Fair, and Alive* presents a foundational rethinking of the commons — the self-organized social system that humans have used for millennia to meet their needs. It offers a compelling vision of a future beyond the dead-end binary of capitalism versus socialism that has almost brought the world to its knees. Written by two leading commons activists of our time, this guide is a penetrating cultural critique, table-pounding political treatise, and practical playbook. Highly readable and full of colorful stories, coverage includes: Internal dynamics of commoning How the commons worldview opens up new possibilities for change Role of language in reorienting our perceptions and political strategies Seeing the potential of commoning everywhere. *Free, Fair, and Alive* provides a fresh, non-academic synthesis of contemporary commons written for a popular, activist-minded audience. It presents a compelling narrative: that we can be free and creative people, govern ourselves through fair and accountable institutions, and experience the aliveness of authentic human presence.

Caramelo Sandra Cisneros, 2013-04-30 NATIONAL

BESTSELLER • Every year, Ceyala “Lala” Reyes’ family—aunts,

uncles, mothers, fathers, and Lala's six older brothers—packs up three cars and, in a wild ride, drive from Chicago to the Little Grandfather and Awful Grandmother's house in Mexico City for the summer. From the celebrated bestselling author of *The House on Mango Street* and winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. Struggling to find a voice above the boom of her brothers and to understand her place on this side of the border and that, Lala is a shrewd observer of family life. But when she starts telling the Awful Grandmother's life story, seeking clues to how she got to be so awful, grandmother accuses Lala of exaggerating. Soon, a multigenerational family narrative turns into a whirlwind exploration of storytelling, lies, and life. Like the cherished rebozo, or shawl, that has been passed down through generations of Reyes women, *Caramelo* is alive with the vibrations of history, family, and love. From the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature.

The Popol Vuh Lewis Spence, 1908

Germania Brendan McNally, 2009-02-10 In their youth, Manni and Franzi, together with their brothers, Ziggy and Sebastian, captured Germany's collective imagination as the Flying Magical Loerber Brothers -- one of the most popular vaudeville acts of the old Weimar days. The ensuing years have, however, found the Jewish brothers estranged and ensconced in various occupations as the war is drawing near its end and a German surrender is imminent. Manni is traveling through the Ruhr Valley with Albert Speer, who is intent on subverting Hitler's apocalyptic plan to destroy the German industrial heartland before the Allies arrive; Franzi has become inextricably attached to Heinrich Himmler's entourage as astrologer and masseur; and Ziggy and Sebastian have each been employed in pursuits that threaten to compromise irrevocably their own safety and ideologies. Now, with the Russian noose tightening around Berlin and the remnants of the Nazi government fleeing north to Flensburg, the Loerber brothers are unexpectedly reunited. As Himmler and Speer vie to become the next Führer, deluded into believing they can strike a bargain with Eisenhower and escape their criminal fates, the Loerbers must

employ all their talents -- and whatever magic they possess -- to rescue themselves and one another. Deftly written and darkly funny, *Germania* is an astounding adventure tale -- with subplots involving a hidden cache of Nazi gold, Hitler's miracle U-boats, and Speer's secret plan to live out his days hunting walrus in Greenland -- and a remarkably imaginative novel from a gifted new writing talent.

Solito Javier Zamora, 2023-06-06 New York Times Bestseller • Read With Jenna Book Club Pick as seen on Today • Winner of the Los Angeles Times Christopher Isherwood Prize for Autobiography • Winner of the American Library Association Alex Award A young poet tells the inspiring story of his migration from El Salvador to the United States at the age of nine in this “gripping memoir” (NPR) of bravery, hope, and finding family. Finalist for the PEN/John Kenneth Galbraith Award for Nonfiction • One of the New York Public Library’s Ten Best Books of the Year Longlisted for the Andrew Carnegie Medal for Excellence and the PEN/Open Book Award “I read *Solito* with my heart in my throat and did not burst into tears until the last sentence. What a person, what a writer, what a book.”—Emma Straub “A riveting tale of perseverance and the lengths humans will go to help each other in times of struggle.”—Dave Eggers ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, NPR, The Washington Post, San Francisco Chronicle, Vulture, She Reads, Kirkus Reviews Trip. My parents started using that word about a

year ago—“one day, you’ll take a trip to be with us. Like an adventure.” Javier Zamora’s adventure is a three-thousand-mile journey from his small town in El Salvador, through Guatemala and Mexico, and across the U.S. border. He will leave behind his beloved aunt and grandparents to reunite with a mother who left four years ago and a father he barely remembers. Traveling alone amid a group of strangers and a “coyote” hired to lead them to safety, Javier expects his trip to last two short weeks. At nine years old, all Javier can imagine is rushing into his parents’ arms, snuggling in bed between them, and living under the same roof again. He cannot foresee the perilous boat trips, relentless desert treks, pointed guns, arrests and deceptions that await him; nor can he know that those two weeks will expand into two life-altering months alongside fellow migrants who will come to encircle him like an unexpected family. A memoir as gripping as it is moving, *Solito* provides an immediate and intimate account not only of a treacherous and near-impossible journey, but also of the miraculous kindness and love delivered at the most unexpected moments. *Solito* is Javier Zamora’s story, but it’s also the story of millions of others who had no choice but to leave home.
