Martin Holz

The Mamba Mentality Kobe Bryant, 2018-10-23 The Mamba Mentality: How I Play is Kobe Bryant's personal perspective of his life and career on the basketball court and his exceptional, insightful style of playing the game—a fitting legacy from the late Los Angeles Laker superstar. In the wake of his retirement from professional basketball, Kobe "The Black Mamba" Bryant decided to share his vast knowledge and understanding of the game to take readers on an unprecedented journey to the core of the legendary "Mamba mentality." Citing an obligation and an opportunity to teach young players, hardcore fans, and devoted students of the game how to play it "the right way," The Mamba Mentality takes us inside the mind of one of the most intelligent, analytical, and creative basketball players ever. In his own words, Bryant reveals his famously detailed approach and the steps he took to prepare mentally and physically to not just succeed at the game, but to excel. Readers will learn how Bryant studied an opponent, how he channeled his passion for the game, how he played through injuries. They'll also get fascinating granular detail as he breaks down specific plays and match-ups from throughout his career. Bryant's detailed accounts are paired with stunning photographs by the Hall of Fame photographer Andrew D. Bernstein. Bernstein, long the Lakers and NBA official photographer, captured Bryant's very first NBA photo in 1996 and his last in 2016—and hundreds of thousands in between, the record of a unique, twenty-year relationship between one athlete and one photographer. The combination of Bryant's narrative and Bernstein's photos make The Mamba Mentality an unprecedented look behind the curtain at the career of one of the world's most celebrated and fascinating athletes.

Rare Air Michael Jordan, Mark Vancil, 1993 Complete before his resignation from basketball, Jordan discusses his love of the game, his family, and his competitiveness

Sneaker Freaker. The Ultimate Sneaker Book! Martin Holz, 2018-10 Every Sneaker Story Worth Telling! A 15-year anthology of cult magazine Sneaker Freaker When self-acclaimed Sneakerhead Simon Woody Wood decided to pursue his love of sneakers--and freebie footwear--with a publication, the mighty Sneaker Freaker was born. From its punk fanzine style first edition in 2002 to today's slick print and online operation, the independent magazine has remained at the fore of the global sneaker scene, documenting every collab, limited edition, retro reissue, Quickstrike, custom shoe and more, with raw, fastidious passion. This massive anthology celebrates 15 years of Sneaker Freaker, featuring the magazine's finest pages together with over 130 pages of expert sneaker content never seen before. As funny and serious, meaningful and pointless at the same time as the magazine's own ethos, the book packs in more than 650 pages of dense insider knowledge, hundreds of beautiful photos, as well as Woody's own obsessional observations. The book rollicks through some 100 years of sneaker history, documenting Air Max, Air Force, All Stars, Dapper Dan, Michael Jordan, Reebok Pump, and Nike Skateboarding, alongside more obscure treasures like Troop, SPX, and Vision Street Wear. All the major sneaker moments are all there, from Kanye to adidas Futurecraft, Nike Air Force 1 to New Balance, as well as landmark collabs, leading advertising campaigns, and crux talking points, not least Nike vs adidas. All Sneaker Freaker pages have been meticulously redesigned for this book edition, with fresh updates bringing every story up to speed, while preserving the charm of the original prose. Through all the limited editions, customs, retro reissues, and samples, this is the definitive source of sneaker knowledge you'll love as hard as your Beaters. The most definitive sneaker culture magazine on the planet! -- MTV

The Unchosen Ones R. J. Kern, In 2016, award-winning Minnesota-based photographer R. J. Kern made portraits of youth contestants at Minnesota county fairs. Each participant—some as young as four years old—had spent a year raising an animal, which they had then entered into a 4-H livestock competition. None of the youths who sat for him had succeeded in winning an award, despite the obvious care they had given to their animals. The Unchosen Ones depicts the bloom of youth and the mettle of the kids who grow up on farms, reminding us how resilient children can be when confronted with life's inevitable disappointments. The formal qualities of the lighting and setting endow these young people with a gravitas beyond their years, revealing self-directed dedication in some, and in others, perhaps, the pressures of traditions imposed upon them. Kern's beautiful portraits capture a particular America, a rural world, and a time in life when the layered emotions of youth are laid bare. Four years later, in 2020, Kern returned to photograph his young subjects. The most recent photographs show how the children have grown into adolescence or young adulthood: some of them have continued to pursue animal husbandry, while others have developed other interests. It is likely that some of these kids will not choose to continue running their family farms—an unpredictable and demanding way to make a living. These diptychs are punctuated by lush landscapes of the farms that are their homes. As Kern made the second group of photographs, he asked his young subjects what they had carried forward from their previous experience. What were their thoughts, their dreams, and their goals for the future? How would they fit into the future of agricultural America?

Basketball's Best Shots, 2002 More than three hundred photographs capture the achievements of some of the National Basketball Association's greatest players, including Michael Jordan, Dr. J., Kobe Bryant, Walt Frazier, and Larry Bird.

I Have a Superpower Stephen Curry, 2022-09-06 Four-time NBA champion and superstar Stephen Curry makes a splash with his picture book debut inspiring young readers to unlock their very own superpower. A positive boost from a strong role model. —Kirkus With accessible advice honoring commitment to craft and fortitude, this is a sporty and strong addition to growth-mindset and social-emotional-learning conversations. —Booklist Stephen Curry's journey to the NBA wasn't easy. Coaches and recruiters repeatedly told him he was too small to make it in the big leagues. But Stephen used their doubts to shape his ever-positive attitude and fuel his own underdog success story. Now, Curry pens an original story to inspire the next generation of go-getters and big dreamers. I Have a Superpower is the empowering story that teaches kids you don't have to be the strongest, fastest, or even tallest kid out on the court. So long as you have heart, any goal is achievable through hard work and determination—even without a cape!

Daido Moriyama: a Diary Sara Walker, Louise Wolthers, 2020-01-30 Celebrating Daido Moriyama's 2019 Hasselblad Award in a concise overview, with testimonies from his many collaborators and admirers With its generous image flow, this book celebrates Japanese photographer Daido Moriyama (born 1938) as the 2019 Hasselblad Award winner and his highly influential, lifelong, radical and authentic approach to photography. A Diary draws on his daily photographic expeditions, resulting in a body of work charged with fragments, repetitions, chance and chaos. His production of images is enormous, and whereas some photographs have become iconic and reappear in numerous books and exhibitions, it is always possible to encounter more unknown works. In order to exemplify the long-term and wide-range impact of Daido Moriyama's photography, this publication not only presents an overview and analysis of his work by Sandra Phillips, but it also includes shorter personal notes from people who have encountered and worked with him over the years, such as Simon Baker, Mark Holborn, Hervé Chandès, Nick Rhodes and Ishiuchi Miyako.

The Golden Hat Kate Winslet, Margret Ericsson, 2012-03-27 Thank you for taking this journey with us. We hope this book brings a new awareness of the opportunity we have to help those with autism learn to communicate and realize their ambitions. People with autism have the potential to achieve great things, but only when given the appropriate support and education. This is why the Golden Hat Foundation was formed. All author proceeds from this book go directly to the Golden Hat Foundation. With your help, we can change the world for people with autism. For more information about the Golden Hat Foundation and ways you can help, please visit our website: www.goldenhatfoundation.org "I simply couldn't conceive of how devastating it would be not to be able to hear my children's voices. Not to be able to communicate with them, to hear them learn, grow, and express themselves verbally. How fortunate, how blessed I am. This overwhelmed me. I can talk to my children, I can respond to their needs and comfort them when they tell me they are unwell. I can tell them stories and hear them tell theirs." Kate Winslet Imagine what it would be like not to be able to communicate with those we love. For many individuals living with nonverbal autism and their families, this is their everyday reality. The Golden Hat is an intimate response to this reality created by Kate Winslet, Margret Ericsson, and her son Keli, who has nonverbal autism. Kate and Margret's stories, their personal email correspondence, and Keli's poetry give us a profound insight into the world of those living with autism. Kate has shared this story with some of the world's most famous people, posing the question: "What is important to you to express?" Their responses are a collection of intimate self-portraits and unique quotes. Among them are: Christina Aguilera Zac Efron Julianne Moore Maria Sharapova Kobe Bryant James Franco Rosie O'Donnell Ben Stiller Michael Caine Ricky Gervais Michael Phelps Meryl Streep Kim Cattrall Tom Hanks John C. Reilly Justin Timberlake George Clooney Elton John Tim Robbins Naomi Watts Leonardo DiCaprio Jude Law Kristin Scott Thomas Oprah Winfrey Put together by Kate, Margret, and the dedicated team who work daily on the Golden Hat Foundation, this project has been a labor of love. All the author proceeds from this groundbreaking book will benefit the Golden Hat Foundation, founded by Kate Winslet and Margret Ericsson to build innovative living campuses for people with autism and raise public awareness of their intellectual capabilities.

Flora Nick Knight, Sandra Knapp, 2014-03 The young British photographer Nick Knight discovered the beauty of dried plants on a stroll through the herbarium, the library of pressed flowers, at the Natural History Museum in London. These flowers were a source of such fascination to the photographer that in 1997 he devoted his second large photo album to them. A classic of plant photography, Nick Knight: Flora is now available again in an unchanged edition.

Complex Presents: Sneaker of the Year Complex Media, Inc., 2020-10-20 In 1985, Nike released Michael Jordan's first sneaker, the Air Jordan 1, and sneaker culture was born. Now thousands of people wait in line at Supreme, and companies throw millions of dollars at LeBron James to keep him in their marketing plans. The trend that saw steady growth for decades with the emergence of sports, hip-hop, and sportswear advertising has exploded into a phenomenon. And no one has watched that phenomenon more closely than Complex. Sneaker of the Year explores the past 35 years of sneaker culture with the expertise, authority, and passion that only Complex can offer. With vibrant photographs and illustrations throughout, as well as input from some of the sneaker world's most important voices, this compilation is a must-have for hypebeasts and sneakerheads everywhere.

Shaun White Shaun White, 2023-10-17 The recently retired 3-time Olympic gold medalist shares his favorite action-sports photographs and family albums in this personally curated illustrated autobiography. White chronicles his evolution from his childhood in California into becoming the world's best snowboarder and skateboarder, his travels to train and compete around the world, his appearances in fashion editorials and advertising, and his interest in music. Some of the world's best action-sports photographers capture White performing his extreme snowboarding and skating tricks around the world--from his groundbreaking aerial maneuvers such as his Double McTwist 1260 on Olympic half pipes, to his radical skating tricks such as his Frontside 540 Sky Hook at the X Games. White exceeded the imaginable limits of snowboarding and raised the bar for other snowboarding competitors to try to keep up with him. Narrated by White with detailed commentary throughout, this book is an autobiography in images and an intimate glimpse into the life of a celebrity athlete: training, competing, on the road and in the spotlight.

Nike: Better Is Temporary Sam Grawe, 2021-01-25 At Nike, the desire to be the best is a journey, not a destination--better is always temporary. Phaidon commemorates the company's influence with Nike: Better Is Temporary, a landmark publication that charts Nike's transformation from rebellious upstart to global phenomenon. This immersive visual survey offers an unprecedented, behind-the-scenes exploration into Nike's ethos-driven design formula, placing industry-defining innovations and globally recognized products alongside previously unpublished designs, prototypes, insider stories, and more. Beginning with Breaking2, an introduction detailing Nike's 2017 attempt to facilitate a sub-two-hour marathon, the book lays out in five thematic chapters Nike's focus on performance, brand expression, collaboration, inclusive design, and sustainability. The book's extraordinary design also nods to its contents. The striking cover features overlapping silkscreened layers of Nike's proprietary Volt yellow and Hyperpunch pink colors overlaying an image of world-champion marathoner Eliud Kipchoge printed in a half-tone dot pattern. The book's spine, visible through the clear jacket, showcases a series of colored tabs that extend from its interior pages and which are referenced in the book's bonus chapter, Crafting Color. Combining 500 color illustrations with stories, insights, knowledge, passion, and history shared by Nike's remarkable team, Nike: Better Is Temporary will serve as a manual of innovation and inspiration for generations to come.

615 Jefferson Avenue David Armstrong, Manuel Segade, Boyd Holbrook, 2011 The images are romantic but far from erotic. They have a timeless quality, the models awash in sunlight and dressed in variety of corsets, military garb and, of course, tulle - anything but modern.

Mick Christopher Andersen, 2012-07-10 "He's a smart little mother*****, I'll give him that." --KEITH RICHARDS on MICK JAGGER IS he Jumpin' Jack Flash? A Street Fighting Man? A Man of Wealth and Taste? All this, it turns out, and far more. By any definition, Mick Jagger is a force of nature, a complete original--and undeniably one of the dominant cultural figures of our time. Swaggering, strutting, sometimes elusive, always spellbinding, he grabbed us by our collective throat a half-century ago and--unlike so many of his gifted peers--never let go. For decades, Mick has jealously guarded his many shocking secrets--until now. As the Rolling Stones mark their 50th anniversary, journalist and #1 New York Times bestselling author Christopher Andersen tears the mask from rock's most complex and enigmatic icon in a no-holds-barred biography as impossible to ignore as Jagger himself. Based on interviews with friends, family members, fellow music legends, and industry insiders--as well as wives and legions of lovers--MICK sheds new light on a man whose very name defines an era and candidly reveals: --New details about

Jagger's jaw-dropping sexual exploits with more than four thousand women (including Madonna, Angelina Jolie, Carly Simon, Linda Ronstadt, Uma Thurman, and France's First Lady Carla Bruni)—as well as his encounters with several of rock's biggest male stars. Also, the day Mick's wife Jerry Hall and Keith Richards pleaded with Jagger to seek treatment for sex addiction. —The backstage drama surrounding Mick's knighthood, and Jagger's little-known ties to Britain's Royal Family, including Prince William and Kate Middleton. —What he really thinks of today's superstars—including Lady Gaga, Britney Spears, Beyoncé, Justin Timberlake, Kanye West, and Justin Bieber. —Never-before-revealed, behind-the-scenes accounts of his often turbulent relationships—from his band-mates, ravenous groupies, and rabid fans to such intimates as Andy Warhol, John Lennon, Jackie Onassis, Bill Clinton, and others. —Cocaine, LSD, hashish, and speed—the flabbergasting truth about the extent of Jagger's substance abuse, and how long it really went on. —A rare glimpse into Mick's business dealings and the killer instinct that has enabled him to amass a personal fortune well in excess of \$400 million. —The stormy “marriage” between Mick and Keith that nearly ran aground over Keith's searing comments—and all the scandal, mayhem, excess, madness, and genius that went into making the Rolling Stones “the world's greatest rock-and-roll band.” Like its subject, this book is explosive and riveting—the definitive biography of a living legend who has kept us thrilled, confounded, and astounded. **THIS IS MICK.**

Dwyane Wade, 2021-11-16 The long-awaited photographic memoir from basketball superstar Dwyane Wade, beautifully designed with hundreds of photos from Wade's life on and off the court. [A] trip down memory lane with one of the NBA's greats. ... For those yearning for the personal side of Wade, they need to look no further. —Sports Illustrated For 16 years, Dwyane Wade has dazzled basketball fans with his on-court artistry and has built his personal brand into one of the most powerful ones in sports. In this beautiful full-color memoir, featuring more than 200 photos from Bob Metelus, who has been documenting Wade's career for more than a decade, Wade takes readers inside his fascinating life and career. Dwyane moves from Wade's challenging upbringing on the South Side of Chicago through his college career at Marquette, where he went from unheralded recruit to one of college basketball's greatest stars, to his extraordinary years with the Miami Heat, with whom he won three NBA championships and was named an All-Star 13 times. Off the court, too, his star has transcended basketball. In Dwyane he takes readers inside his relationship with Gabrielle Union; his dedication to his children and experiences as a father; and his varied interests outside of basketball, from fashion to winemaking. Dwyane is a deep dive into the mind and heart of one of the most compelling basketball players of all time.

Surrealism and Photography in 1930s Japan Jelena Stojkovic, 2020-05-31 Despite the censorship of dissident material during the decade between the Manchurian Incident of 1931 and the outbreak of the Pacific War in 1941, a number of photographers across Japan produced a versatile body of Surrealist work. In a pioneering study of their practice, Jelena Stojkovic draws on primary sources and extensive archival research and maps out art historical and critical contexts relevant to the apprehension of this rich photographic output, most of which is previously unseen outside of its country of origin. The volume is an essential resource in the fields of Surrealism and Japanese history of art, for researchers and students of historical avant-gardes and photography, as well as for readers interested in visual culture.

Confessions of a Yakuza Dr. Junichi Saga, 2010-08-05 This is the true story, as told to the doctor who looked after him just before he died, of the life of one of the last traditional yakuza in Japan. It wasn't a good life, in either sense of the word, but it was an adventurous one; and the tale he has to tell presents an honest and oddly attractive picture of an insider in that separate, unofficial world. In his low, hoarse voice, he describes the random events that led the son of a prosperous country shopkeeper to become a member, and ultimately the leader, of a gang organizing illegal dice games in Tokyo's liveliest entertainment area. He talks about his first police raid, and the brutal interrogation and imprisonment that followed it. He remembers his first love affair, and the girl he ran away with, and the weeks they spent wandering about the countryside together. Briefly, and matter-of-factly, he describes how he cut off the little finger of his left hand as a ritual gesture of apology. He explains how the games were run and the profits spent; why the ties between members of the brotherhood were so important; and how he came to kill a man who worked for him. What emerges is a contradictory personality: tough but not unsentimental; stubborn yet willing to take life more or less as it comes; impulsive but careful to observe the rules of the business he had joined. And in the end, when his tale is finished, you feel you would probably have liked him if you'd met him in person. Fortunately, Dr. Saga's record of his long conversations with him provides a wonderful substitute for that meeting.

Art, Anti-art, Non-art Reiko Tomii, Getty Research Institute, 2007 Introduction to two decades of artistic ferment in postwar Japan. As that devastated nation confronted the fraught legacy of World War II, a rapid succession of avant-garde groups began experimenting with new media and processes of making art, disrupting conventions to address the changes occurring around them. The works that remain from this era are largely ephemeral - exhibition flyers, programs for performances, musical scores, issues of short-lived journals, documentary photographs, pieces of mail art, and multiples made from the detritus of modern life - but the ideals of engagement and innovation that invigorated this creative surge are not.

R.J. Kern , 2021-12-07 The Unchosen Ones, a new book by award-winning photographer R. J. Kern, features portraits of future farmers in America's heartland. Kern's subjects are Minnesota 4-H members posing with their farm animals. Each one spent a year raising an animal, which they then entered into a 4-H competition. Kern first photographed them in 2016, and none of the children who sat for him succeeded in winning an award, despite the obvious care they had given to their animals. Kern's poignant images represent the bloom of youth and the striving of the young people who grow up on farms. The formal qualities of lighting and setting endow these young people with a gravitas beyond their years. The evocative poses and expressions of these young people and their relationships with these animals reveals self-directed dedication in some, and in others, perhaps, the pressures of traditions imposed upon them. These beautiful and stirring portraits capture a certain America, a rural world, and a time in life when the layered emotions of youth are irrepressibly laid bare. Four years later, in 2020, Kern returned to photograph and interview his young subjects. The new images are poignant when juxtaposed with the originals, tapping into the mindset of America's agricultural youth. In the book, the diptychs of the children are punctuated by lush landscapes of the farms where these children have grown up. As he took the second group of photographs, he inquired about what his young subjects had carried forward from their previous experience. What were their thoughts, their advice, their dreams and their goals for the future? How do they fit in future agricultural America?

Forthcoming Books Rose Arny, 1988-09

As recognized, adventure as well as experience not quite lesson, amusement, as well as understanding can be gotten by just checking out a book **Photobook Kobe 10** in addition to it is not directly done, you could take even more approaching this life, concerning the world.

We have the funds for you this proper as competently as easy pretentiousness to get those all. We find the money for Photobook Kobe 10 and numerous book collections from fictions to scientific research in any way. among them is this Photobook Kobe 10 that can be your partner.
