**Jeffrey K. Rohrs**

## Instagram: How a Photo-Sharing App Achieved a \$1 Billion Facebook Buyout in 18 Months Sarita

Harbour, 2012-07-30 ABOUT THE BOOK On April 5, 2012

Instagram was valued at 500 million dollars as part of a new round of funding with investors. Just a few days later, Mark Zuckerberg, CEO of Facebook, negotiated to buy it for \$1 billion, \$300 million cash and \$700 million in Facebook shares. CNN called it one of the biggest deals in recent business tech history – not too shabby for a business only 18 months old, and a great inspiration to small companies everywhere.

However, Facebook's acquisition received mixed reviews and many raised eyebrows in the technology and business world. As details emerge regarding the buyout, and as analysts scramble to make sense of the deal, there are many questions. How did Zuckerberg and Kevin Systrom of Instagram arrive at a figure of \$1 billion? What implications does this deal have for Facebook when it goes public in an expected Initial Public Offering in May, 2012? Why does Facebook want Instagram so badly? What can businesses learn from this deal, and how the heck did a tiny company without any revenue become so desirable in just 18 months? While Instagram's buyout by Facebook was viewed by many as a surprise acquisition, it illustrates the increasing importance of the image-based social-sharing platforms in today's technology business world. Facebook already had a photo-sharing mobile photo-sharing program, but it was slow to load and clumsy to use. For the past several years, a team had been working on developing a solution. As

recently as last summer, rumours circulated about a Facebook iPhone photo-sharing application that would make it easier for users to upload, edit and share their photos. With changes in team members and little to show for their work, nothing more was heard of Facebook's progress until February 2012, when Business Insider magazine reported new product boss Dirk Stoop was working on a new solution to the problem. Zuckerberg was reported in the New York Times piece *With Instagram Deal Facebook Shows its Worth* as saying "We don't plan on doing many more of these, if any at all, but providing the best photo-sharing experience is one reason why so many people love Facebook and we knew it would be worth bringing these two companies together." It is safe to assume that Facebook's own product was not working out as hoped, leading Zuckerberg to buy the best photo-sharing experience instead of developing it. In addition to examining details of the acquisition, there are broader issues to address. How can businesses use Instagram and Facebook to build their own brands? What does this deal say about Facebook's predictions for the mobility market and photo-sharing platforms? While Zuckerberg's official statement is that Instagram will continue operating as a separate platform from Facebook, and that people who have Instagram but aren't on Facebook can continue using their favorite app, how will Instagram change now that it is owned by Facebook? In this book, we will address these questions and review a quick history of Instagram. We'll examine the events of Easter weekend that led to the Instagram buyout, and get a glimpse

into the fast-moving world of high tech business and multi-billion dollar companies. EXCERPT FROM THE BOOK Mark Zuckerberg and Facebook paid \$1 billion for a business that doesn't have any revenue. Why? In a nutshell, Facebook purchased Instagram to take custody of its users before Facebook competitors did, to strengthen its position in the mobile phone market, and to get rid of a potentially difficult competitor. As people in the tech world often say, money follows the users. The recent availability of Instagram for Android users had Zuckerberg concerned, especially when the Instagram user population jumped by 10 million people in 10 days... ..buy the book to continue reading!

Facebook For Dummies Carolyn Abram, 2013-07-31

**Facebook For Dummies** Carolyn Abram,Amy Karasavas,2021-05-04 Be a new face on Facebook! If you're new to the Facebook user community, don't be shy: you're joining around 2.7 billion users (roughly two-and-a-half Chinas) worldwide, so you'll want to make sure you're being as sociable as possible. And with more functionality and ways to say hello—like 3-D photos and Video Chat rooms—than ever before, Facebook For Dummies is the perfect, informative companion to get and new and inexperienced users acquainted with the main features of the platform and comfortable with sharing posts, pictures (or whatever else you find interesting) with friends, family, and the world

beyond! In a chatty, straightforward style, your friendly hosts, Carolyn Abram and Amy Karasavas—both former Facebook employees—help you get settled in with the basics, like setting up your profile and adding content, as well as protecting your privacy when you want to decide who can and can't see your posts. They then show you how to get involved as you add new friends, toggle your newsfeed, shape your timeline story, join groups, and more. They even let you in on ways to go pro and use Facebook for work, such as building a promo page and showing off your business to the world. Once you come out of your virtual shell, there'll be no stopping you! Build your profile and start adding friends Send private messages and instant notes Share your memories Tell stories about your day Set your privacy and curate your news feed Don't be a wallflower: with this book you have the ideal icebreaker to get the party started so you can join in with all the fun!

**Adobe Premiere Pro CC For Dummies** John

Carucci, 2022-03-17 When the filming stops, the real video production work begins Ever wonder how your favorite video creators regularly put out such slick content? They're probably using Adobe Premiere Pro CC, a go-to video production app for both professional and amateur video creators. Adobe Premiere Pro CC For Dummies walks you through each step of editing and producing slick and stylish videos that stand up to what the pros post. From transferring your digital movie files from your camera or phone to your computer all the way to uploading your latest creation to YouTube or the web, this book has the info you need to

bring your ideas to life. If you're new to video production, you can begin at the beginning with the handbook's user-friendly guide to the basics of setting clips on the timeline and making them flow seamlessly. Or, if you've already got a few videos under your belt, you can skip right to the more advanced material, like special effects and handy tricks of the trade. You'll also find: Instruction on joining video clips into a continuous final product, complete with transitions, special effects, and more Advice on improving sound, getting rid of color errors, and customizing the look of your videos with filters and aftereffects Straightforward guides to adding voiceovers and soundtracks to your videos So, if you're new to Adobe Premiere Pro CC—or digital video editing in general—Adobe Premiere Pro CC For Dummies is the first and last resource you'll need to start editing like a pro.

- Discover how best to use Facebook to keep in touch with your kids and grandkids
- Use the News Feed to discover what your friends and family are up to
- Update your friends and family on your current activities

*Organizing for Digital Innovation* Alessandra

Lazazzara,Raoul C.D. Nacamulli,Cecilia Rossignoli,Stefano Za,2018-06-29 This book presents a collection of research papers exploring the human side of digital innovation management, with a specific focus on what people say and share on social media, how they respond to the introduction of specific IT tools, and how digital innovations are impacting sustainability and inclusion. Given the plurality of views that it offers, the book is particularly relevant for digital technology users, companies, scientists and governments. The overall spread of digital and technological advances is enhanced or hampered by people's skills, behaviors and attitudes. The challenge of balancing the digital dimension with humans situated in specific contexts, relations and networks has sparked a growing interest in how people use and respond to digital innovations. The content of the book is based on a selection of the best papers – original double-blind peer-reviewed contributions – presented at the annual conference of the Italian chapter of the AIS, which was held in Milan, Italy, in October 2017.

*Facebook Marketing For Dummies* Stephanie Diamond,John Haydon,2018-05-08 Add Facebook to your marketing plan—and watch your sales grow With 2 billion monthly active users across the world, Facebook has evolved into a community of consumers, creating a primary resource for marketers. If you're a marketer looking to effectively add Facebook to your overall marketing mix, consider this book the mecca of Facebook marketing. Inside, you'll discover the psychology of the Facebook user, establish a social media presence, increase your brand awareness, integrate Facebook marketing with other marketing strategies, learn to target a specific audience, and much more. Develop a desirable community Sell products and services Use Facebook events to drive sales Get new business tips and avoid common mistakes Whether you're a novice or a pro, you're no stranger to the power of Facebook. And this book makes Facebook marketing that much more exciting and easy!

**Snap and Share** Adam Furgang, 2014-12-15 They say a picture is worth a thousand words. If that's true, then what are a thousand pictures worth? Today, with the use of mobile smartphones and similar devices containing miniaturized cameras, snapping and sharing photos has never been easier—or more commonplace. Playing around with photo and video apps like Instagram, Vine, Flickr, and Snapchat has become a natural part of teenage life. But along with the fun comes responsibility. This volume guides readers through simple steps for using photo and video apps and offers ideas for unleashing creativity. It also addresses the potential risks of using these apps, such as cyberbullying, and suggests a code of conduct that should be enforced whenever anyone snaps and shares.

**The iPhone Filmmaking Handbook** Neil Philip

Sheppard,2023-09-20 The iPhone movie-making revolution is here! With the right knowledge and minimal equipment, everyone now has the power to make great films with their iPhone. Whether you're an aspiring filmmaker, vlogger, journalist, educator, charity worker, student, business professional, or an individual with a passion for making films, you'll find the information in this book to be an invaluable resource. You too can make great movies with the iPhone you already own and produce award-winning films for minimal cost. This book includes 27 chapters filled with expert knowledge on various topics, such as the best equipment for your budget, choosing the right camera and editing apps, lighting, sound, and camera techniques, technical advice on iPhone movie-making, guides to the best video camera and editing apps, reviews on the top iPhone movie-making equipment, digital video concepts, detailed information on composition, lighting, sound recording, video editing, going live, and posting videos to the web. Additionally, the book covers how to transfer iPhone videos to a computer, filming for broadcast television and cinema, the best social media platforms for video, and budget iPhone filmmaking kits. With this comprehensive guide, you'll have all the tools and knowledge necessary to unleash your creativity and produce professional-quality films using your iPhone.

Build your profile and start adding friends Use Facebook to send private messages and instant notes Discover ways to set privacy and avoid online nuisances Launch a promotion page Get ready to have a whole lot of fun on the largest social network in the world.

**Study Material** YCT Expert Team , 2023-24 0 Level M1-R5 Study Material

**Influencer Marketing For Dummies** Kristy Sammis,Cat Lincoln,Stefania Pomponi,2015-11-20 The easy way to get 'in' with influencer marketing Are you a marketing guru looking to stay at the top of your game? Then you need to be in the know on influencer marketing. A hybrid of content marketing and native advertising, influencer marketing is an established trend in marketing that identifies and targets individuals with influence over potential buyers. Although this has usually meant focusing on popular celebrities and Internet personalities, there is a new wave of 'everyday consumers' that can have a large impact. In *Influencer Marketing For Dummies*, you'll find out how to market to those who rock social media—and, subsequently, grow your brand. Influencer marketing relies on building strong relationships with customers. With the help of this hands-on, friendly guide, you'll discover how to build superior customer service and experience, make strong interactions with customers, and encourage organic and authentic sharing about your

brand. Measure the most impact that content has on your overall marketing strategy Find influencers: it's not just a numbers game or a 'who's who' of social media Engage with influencers once you've found them Recognize the best practices of influencer marketing and outreach If you're a marketer, media agency professional, business owner, or anyone else who works hard to bring brands, products, and services to the largest audience possible, Influencer Marketing For Dummies is the go-to guide you don't want to be without.

Audience Jeffrey K. Rohrs, 2013-11-11 Proprietary audience development is now a core marketing responsibility. Every company needs audiences to survive. They are where you find new customers and develop more profitable relationships. And yet, most companies today treat their email, mobile, and social media audiences like afterthoughts instead of the corporate assets they are. With AUDIENCE, Jeff Rohrs seeks to change this dynamic through adoption of The Audience Imperative. This powerful mandate challenges all companies to use their paid, owned, and earned media to not only sell in the short-term but also increase the size, engagement, and value of their proprietary audiences over the long-term. As content marketing professionals have discovered, the days of "build it and they will come" are long gone. If you're looking for a way to gain a lasting advantage over your competition, look no further and start building your email, Facebook, Google, Instagram, mobile app, SMS, Twitter, website, and YouTube audiences to last.

### *Introduction to Advertising* Emmanuel

Mogaji, 2021-05-30 This book is an introductory roadmap to the advertising process. Advertising is explored as a creative communication message from a brand, created by advertising agencies and distributed across different media to target the right consumers. The book provides an understanding of the benefits of advertising, its role in the economy and, even more so, acknowledges that advertisements are not only about selling but also about effectively communicating a message. The creative and conceptual approach towards the communication process is discussed, and insight is presented into the dynamics within the industry and the different stakeholders involved, while recognising how different creative elements in advertisements are consciously selected to make them appealing. Finally, it considers how to analyse and measure an advert's effectiveness and looks ahead to future ideas and technologies arising in advertising. Effectively combining theory with practical insight, each chapter begins with learning objectives and ends with key learnings. International case studies feature throughout, including insights from British Gas, WPP, Audi and KFC, as well as other examples from smaller organisations and the non-profit sector. Taking students step by step through the advertising process, it is important reading for undergraduate and postgraduate students studying Advertising, Brand Management, Marketing Communications and Media Planning.

Running Lean Ash Maurya, 2012-02-24 We live in an

age of unparalleled opportunity for innovation. We're building more products than ever before, but most of them fail—not because we can't complete what we set out to build, but because we waste time, money, and effort building the wrong product. What we need is a systematic process for quickly vetting product ideas and raising our odds of success. That's the promise of Running Lean. In this inspiring book, Ash Maurya takes you through an exacting strategy for achieving a product/market fit for your fledgling venture, based on his own experience in building a wide array of products from high-tech to no-tech. Throughout, he builds on the ideas and concepts of several innovative methodologies, including the Lean Startup, Customer Development, and bootstrapping. Running Lean is an ideal tool for business managers, CEOs, small business owners, developers and programmers, and anyone who's interested in starting a business project. Find a problem worth solving, then define a solution Engage your customers throughout the development cycle Continually test your product with smaller, faster iterations Build a feature, measure customer response, and verify/refute the idea Know when to pivot by changing your plan's course Maximize your efforts for speed, learning, and focus Learn the ideal time to raise your big round of funding Get on track with The Lean Series Presented by Eric Ries—bestselling author of The Lean Startup: How Today's Entrepreneurs Use Continuous Innovation to Create Radically Successful Businesses—The Lean Series gives you solid footing in a proven methodology that will

help your business succeed.

festival est une méthode  
souple et très  
progressive qui rassure  
les apprenants et leur  
permet de devenir  
rapidement autonomes à l'  
oral a travers le guide
