WJ Hussar

Piano Angel Esther Woolfson, 2008 Following the recurrence of a brain tumour, Mark Blum chooses to return to his native Glasgow to die, leaving behind in New York his architectural practice, and bewildered friends and family. The processes of illness oblige Mark to re-assess his life and to re-establish contact with his brother Daniel, a successful photographer. A legacy of bitterness and jealousy in the brothers' relationship stems from their friendship as teenagers with a young Hungarian refugee.

The Amazing Piano Bobette Stanbridge,2013-08-21 This is a story of a piano whose music heals. Not only does it deliver positive messages to the reader, but it teaches basic piano lessons and energy healing lessons. The Bobette Art Company introduces a new type of children's picture book that leads the reader through an adventure while teaching valuable lessons through both the story and the positivity of the illustrations. Although written primarily for children, their message is important for all readers.

Music Apps for Musicians and Music Teachers Elizabeth C. Axford, 2015-02-19 In today's digital age, learning and creating music has never been so easy and affordable. Anyone can enhance their musical knowledge, skills, and creativity with the multitude of music apps available. However, sifting through thousands of music apps in the Apple App Store and Google Play can be a daunting task for any musician or music instructor. But not anymore! Having spent countless hours researching the most interesting useful, educational, fun, and easy-to-use music apps, Elizabeth C. Axford in *Music Apps for Musicians and Music Teachers* surveys the landscape of music-related apps for both iOS and Android mobile devices, including tablets and smartphones. *Music Apps for Musicians and Music Teachers* lists hundreds of music-related apps organized by category, including singing, musical instruments, music theory and composition, songwriting, improvisation, recording, evaluating music performances, listening to music, music history and literature, music appreciation, and more. App developers are listed with each app, including links to their websites for updates and support. The book sections and chapters align with the newly revised National Standards for Music Education released in 2014 by the National Association for Music Education. Suggested activities for educators are provided, as well as key terms and a bibliography. *Music Apps for Musicians and Music Teachers* is for anyone interested in music, whether hobbyist or professional. It enhances the ability to learn on the go by offering musicians, music students, and music instructors a list of the most useful music apps available.
