- 📖 **Muffin, Digby And Petal** BRIAN L. PORTER,2022-02-16 When Juliet Porter saw an advertisement for Puppies For Sale, little did the author expect that instead of one puppy, they would end up adopting 3 adorable little pups from the same litter. This is the story of those three puppies, who in nine years have remained inseparable, to the extent the family refer to them as ‘one dog with twelve legs,’ literally doing everything together and bringing laughter and joy to everyone with their antics. There’s cheeky footballer Muffin, ‘Little Miss Snooty’ Petal and the utterly loveable Mummy’s boy, Digby. The book charts their lives from those early days and the author couldn’t think of a way he could possibly write individual books for each of them, so their stories are here, all together, the ups and downs and all the fun that could be expected from having three lively puppies who have grown into equally lively adult dogs, who probably don’t realise they’ve grown up yet.
