You Should Let Me Love You Chenell Parker,2017-03-28 Past heartbreaks and failed love has hardened Candace's fearful heart. David, her current love interest, wants all of her including her broken heart. David won't settle for anything less. Being with one woman is new for him, but he feels that Candace is worth it. Dwight has a few skeletons in his closet, but he's unsure of how he should come clean about them. Co-Co is unpredictable and there's no telling how he'll react to his news. Co-Co must decide if the risk of pushing away his only living parent is worth losing his one true love. To complicate matters, Dwight's cousin Yasmine not only moves in with him, but she also moves in on everyone's turf, especially the Roberts brothers. With drama, deceit and desperation all around, will Candace and David's love survive the many obstacles that are thrown their way or will one or both of them succumb to temptation? Find out as we catch up with the gang from the bestselling You're My Little Secret series.

Best of Enemies Rainier George Weiner,2015-05-07 Suppose fate placed you on an inflatable life-raft in the middle of the freezing Atlantic Ocean along with your most bitter enemy contrivable? Would the emotions of hatred, revenge and love of country trump the desire to survive, if killing that enemy ensured your own demise? Captain Mat Richardson, USN, and Emil Gluckler, a German submarine commander, experience that option during the 2nd World War. Mat, captain of a small destroyer, and Emil, commander of an attacking submarine, become stranded on a life-raft after each of the combatant crafts sink each other during a fierce naval engagement. They subsequently experience 38 harrowing days striving for survival. If nothing else, this required the ultimate in mutual cooperation. If the two survived, would the events have a lasting effect on their relationship? Or, if one had the opportunity to kill the other at a later date in a new war-time circumstance, would he do so, or not?

Drawings on a Bus Ellsworth Kelly,2007 This reproduction of Ellsworth Kelly's 1954 Sketchbook 23 offers a rare glimpse into the celebrated artist's rigorous exploration of line, form and composition. Drawn into a blank book and forming a single continuous gesture over 25 pages as the artist saw and captured the changing fall of shadows while riding on a bus in Paris, Kelly's line pursues a path of eccentric discovery and distillation through subtle variations and bold transformations.

Work Without Boundaries Michael Allvin,Gunnar Aronsson,Tom Hagström,Gunn Johansson,Ulf Lundberg,2011-03-21 Drawing on more than a decade of inter-disciplinary research, this book provides a comprehensive overview of the available theories, concepts, data and research on new work organizations and the concept of 'work without boundaries'. Explores a concept of work that is not restricted by traditional organizational rules like regular office hours, a single workplace, fixed procedures and limited responsibility Provides a comprehensive overview of the available theories, concepts, data and research on new work organizations Examines the shift of power away from organizations to make individuals accountable for their own employability and work Draws on over a decade of original research into 'work without boundaries' in which the authors are key authorities Brings together organization theory and work psychology with scholarship from related fields including sociology, social psychology, cognition and psychobiology

Architecture of Systems Problem Solving George J. Klir,Doug Elias,2012-12-06 One criterion for classifying books is whether they are written for a single purpose or for multiple purposes. This book belongs to the category of multipurpose books, but one of its roles is predominant-it is primarily a textbook. As such, it can be used for a variety of courses at the first-year graduate or upper-division undergraduate level. A common characteristic of these courses is that they cover fundamental systems concepts, major categories of systems problems, and some selected methods for dealing with these problems at a rather general level. A unique feature of the book is that the concepts, problems, and methods are introduced in the context of an architectural formulation of an expert system referred to as the general systems problem solver or aSPS-whose aim is to provide users of all kinds with computer-based systems knowledge and methodology. The aSPS architecture, which is developed throughout the book, facilitates a framework that is conducive to a coherent, comprehensive, and pragmatic coverage of systems fundamentals-concepts, problems, and methods. A course that covers systems fundamentals is now offered not only in systems science, information science, or systems engineering programs, but in many programs in other disciplines as well. Although the level of coverage for systems science or engineering students is surely different from that used for students in other disciplines, this book is designed to serve both of these needs.

A Cute Love Story Nidhi Agrawal,2018-08-16 Aakriti loves Neeraj who is smart, sensible and a passionate lover, Neeraj loves Aakriti who is simple, innocent but very

naughty. They together made A CUTE LOVE STORY which is completed 42,926 words romantic story of MBA college students set in lucknow. Fun, romance and sensual, the book revolves around the girl Aakriti and also Neeraj who learn the ultimate meaning of honesty, passion, and devotion and changed himself to be a true lover of the girl.Aakriti who after a lot of hard work and struggle ,manages to get into the MBA college founds herself to be attracted towards one of the senior who also started liking her a lot .Neeraj who himself was attracted towards Aakriti and likes her for her simplicity but remains reserved and never approached her. MBA College brought all new experiences for Aakriti, the environment in the hostel, the fun they use to have, different type of people and heavy loads of assignments, placement time, changing attitude of friends. Where on one side it all appears to be very tough to handle and life seems to be very difficult here, on the other hand life became pleasant for her after being friendly with khushi who later becomes her roommate.With time she realizes Neeraj was not serious about her, he behaves in the same way with other students and juniors and there was nothing special about her for him. She was heartbroken but she didn't said anything to him as she realized that he never made any commitment to her and wished him good luck and said bye forever . Where after that Aakriti suffered the pain and agony from being separated by her love, Neeraj realizes that Aakriti really loved him and started missing her. He realized he could not do without her and what he has lost. After the 3rd trimester break when Aakriti came back to lucknow and miss each and every moment in college when she saw him, Neeraj wasn't there for her. Khushi her roommate understands her feelings but didn't want her to live in fantasy and want her to move on. Once when she was sitting in her room someone knocked Aakriti's room and she was shocked after opening the door.Who was there at the door? Is this any how related to her dreams? Did she finally get her love? Will there be the successful ending for this cute love story ? Now a little about me.I am an avid reader of romance and love writing it as well. I have taken part in many of the poem/creative writing programmes in college and got certificates also. I believe the story would definitely fascinate the youngsters and for all other readers it would bring their old memories of college life back.
