How to Sell on Amazon Esther Odejimi,2023-02-16 How to Sell on Amazon – Subtitle: The Real Deal How to sell on Amazon is the 2nd series in the earlier published Kindle Book (Kindle and Paperback) titled “Amazon Goldmine – “How Amazon Can Make You a Millionaire”. I will advise you to buy Amazon Goldmine that will walk you through on how to buy and sell on Amazon, publish your books into Kindle Direct Publishing (KDP) and how to become an Affiliate Marketer with Amazon – this is simply by promoting the products on Amazon to existing and potential customers. If the customer buys through your affiliate link(s), you will earn a commission. I have therefore decided to pick one of the 3 recommended methods of utilising Amazon to earn “money” working from the comfort of your own house. Buying and reselling physical products online is called “e-Commerce”, and it is a method in which you can research online to buy and sell products on popular marketplaces like Amazon, eBay, Shopify, Etsy, BigCommerce, BigCartel, Facebook Marketplace, your own website and much more. While it is possible to combine 2 or more marketplaces at the same time, my advice to you is that you should start with Amazon where you can later add other marketplaces as stated above. One beauty of starting with Amazon first is that by the time that you are ready to launch into other marketplaces, Amazon will take care of packing, picking, and shipping to your customers. This is made possible if you use its popular fulfilment method that is known as Fulfilment by Amazon (FBA). With FBA, you only need to send your merchandise to an Amazon warehouse, which you will see when you add and list your products on Amazon Seller Central, once, Amazon takes delivery, you can relax, and you will receive an email alert that says: “Amazon has dispatched the item which you sold”. Not only that, but Amazon will also handle customer services, such as, responding to inquiries, problems, etc. In addition, Amazon will take responsibility for defect orders and other problems. E-commerce is gold and if you are not selling online, you are missing

a great deal. This is because people will always buy whatever the economy might be or even in the face of pandemic, and this is the reason why I have decided to pick one out of the 3 recommended methods of using Amazon to make money online. Amazon Goldmine was first published in 2016 and since then Amazon has added other ways by which individuals and even organisations can make money online. In this 2nd series How to Sell on Amazon, I have excluded some of the platforms on Amazon Goldmine, since they are not reliable and will hurt your Amazon business. In addition, I have also listed the methods you can use to source for profitable items to resell. Happy reading and to your success!
