The Game Neil Strauss,2012-05-01 Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. *The Game* is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

The Mystery Method Mystery,Chris Odom,2007-02-06 One of the most admired men in the world of seduction (*The New York Times*) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's *New York Times* bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from average frustrated chumps. *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

Models Mark Manson, 2017-09-11 You can become irresistibly attractive to women without changing who you are. So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving a F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. Men Who Hate Women Laura Bates,2021-03-02 The first comprehensive undercover look at the terrorist movement no one is talking about. Men Who Hate Women examines the rise of secretive extremist communities who despise women and traces the roots of misogyny across a complex spider web of groups. It includes eye-opening interviews with former members of these communities, the academics studying this movement, and the men fighting back. Women's rights activist Laura Bates wrote this book as someone who has been the target of many hate-fueled misogynistic attacks online. At first, the vitriol seemed to be the work of a small handful of individual men... but over time, the volume and consistency of the attacks hinted at something bigger and more ominous. As Bates went undercover into the corners of the internet, she found an unseen, organized movement of thousands of anonymous men wishing violence (and worse) upon women. In the book, Bates explores: Extreme communities like incels, pick-up artists, MGTOW, Men's Rights Activists and more The hateful, toxic rhetoric used by these groups How this movement connects to other extremist movements like white supremacy How young boys are targeted and slowly drawn in Where this ideology shows up in our everyday lives in mainstream media, our playgrounds, and our government By turns fascinating and horrifying, Men Who Hate Women is a broad, unflinching account of the deep current of loathing toward women and anti-feminism that underpins our society and is a must-read for parents, educators, and anyone who believes in equality for women. Praise for Men Who Hate Women: Laura Bates is showing us the path to both intimate and global survival.—Gloria Steinem Well-researched and meticulously documented, Bates's book on the power and danger of masculinity should be required reading for us all.—Library Journal Men Who Hate Women has the power to spark social change.—Sunday Times
