*Any Room for Me?* Loek Koopmans,1992 A woodcutter drops his mitten in the forest and it becomes a warm house for a mouse. Then, one by one, quite a few other animals want to move in, too A beautiful full-color picture book. (Ages 3-7)

*The Woodcutter's Mitten* Loek Koopmans,1995 A series of increasingly larger animals manage to squeeze into a lost mitten, until the owner comes back to look for it.

*There's Room for Everyone* Anahita Taymourian,2019-10-03 A child grows and discovers the world. As he lies awake at night, he sees there's enough room in the sky for all the stars and the moon. When he visits the ocean, he sees there is enough room for all the fish, even for the whales. As he grows up, he doesn't understand why people fight for space. Surely, if we are kinder to one another, there will always be room for everyone? This is a beautiful and profound picture book -- a testament of our time and a touching allegory for war and the refugee crisis.

*Any Room for Me?* Loek Koopmans,2020-09-08 A classic story with a message about sharing with soft illustrations and gentle, repetitive language.

*Room for Everyone* Naaz Khan,2021-11-09 A young boy on a crowded bus discovers that, after some wiggles and giggles, there's room for everyone in this lighthearted rhyming picture book set in Zanzibar. The dala dala rumbles and roars as Musa and Dada drive off to the shore—but the bus stops for multiple detours: “Do you need a ride? It's hotter than peppers out there in the sun! Come in, there's room for everyone!” One stop becomes two stops which soon becomes ten, and Musa wonders when it will end: “How can any more people get in? We're already smushed like sardines in a tin!” But there's always room for one more, if you make the room, which is the heartwarming take-away from this bouncy, joyous tale in rhyme.

*How I Met My Monster* Amanda Noll,2019-11-03 One night, when Ethan reaches under his bed for a toy truck, he finds this note instead: Monsters! Meet here for final test. Ethan is sure his parents are trying to trick him into staying under the covers, until he sees five colorful sets of eyes blinking at him from beneath the bed. Soon, a colorful parade of quirky, squeaky little monsters compete to become Ethan's monster. But only the little green monster, Gabe, has the perfect blend of stomach-rumbling and snorting needed to get Ethan into bed and keep him there so he falls asleep—which as everyone knows, is the real reason for monsters under beds. With its perfect balance of giggles and shivers, this silly-spooky prequel to the award-winning *I Need My Monster* and *Hey, That's MY Monster!* will keep young readers entertained.

*Always Room for One More* Sorche Nic Leodhas,1965-09-15 Children's story based on the Scottish ballad of the same title.

*I Wanna New Room* Karen Kaufman Orloff,2010-12-02 A hilarious companion to *I Wanna Iguana*. Ever since their baby sister came along, Alex has been forced to share a room with his little brother, Ethan, and it's a nightmare. Ethan always breaks stuff, snores like a walrus, and sticks crayons up his nose. No hardworking, well-behaved, practically grown-up boy like Alex should have to put up with that! Writing letters to his mom convinced her to let him get his pet iguana, so Alex puts pencil to paper again, this time determined to get his own room. Though all of his powers of persuasion can't get his dad to expand the house, he does come through with a fun alternative to give Alex some space of his own.

*What to Do When You're Sent to Your Room* Ann Stott,2014-09-23 Every kid who ever earned a few time-outs on his or her own turf will smile at this deadpan primer—and parents may wish to take notes for future reference. Ben is nothing if not prepared. So when he gets caught feeding his dinner to the dog (again) and is sent his room (again), he's up to the challenge of solitary confinement. And he's more than happy to share strategies with readers, from unearthing his cache of hidden snacks to liberating his caged pets, honing his slingshot skills — and of course drafting his birthday list. There's so much to do! Will there be time to do it all before his time is up? That just may depend on Ben's older brother. . . .

*A Space for Me* Cathryn Falwell,2020 Max wants some space for himself away from his younger brother who takes his things and makes noise, but eventually Max finds a way to make space for his brother too--

*Motel of the Mysteries* David Macaulay,1979-10-11 It is the year 4022; all of the ancient country of Usa has been buried under many feet of detritus from a catastrophe that occurred back in 1985. Imagine, then, the excitement that Howard Carson, an amateur archeologist at best, experienced when in crossing the perimeter of an abandoned excavation site he felt the ground give way beneath him and found himself at the bottom of a shaft, which, judging from the DO NOT DISTURB sign hanging from an archaic doorknob, was clearly the entrance to a still-sealed burial chamber. Carson's incredible discoveries, including the remains of two bodies, one of then on a ceremonial bed facing an altar that appeared to be a means of communicating with the Gods and the other lying in a porcelain sarcophagus in the Inner Chamber, permitted him to piece together the whole fabric of that extraordinary civilization.
