Pimp Iceberg Slim,2011-05-10 “[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I’ve ever heard in my life.” –Dave Chappelle, from his Nextflix special The Bird Revelation Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim’s autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago’s street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, “In this book, I will take you, the reader, with me into the secret inner world of the pimp.” An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler’s tale that never seems to go out of style.

No Logo Naomi Klein,2000-01-15 What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands. Billy Bragg from the bookjacket.

Mundo Cruel Luis Negrón,2013-03-12 Luis Negrón’s debut collection reveals the intimate world of a small community in Puerto Rico joined together by its transgressive sexuality. The writing straddles the shifting line between pure, unadorned storytelling and satire, exploring the sometimes hilarious and sometimes heartbreaking nature of survival in a decidedly cruel world.

Great North Road Peter F. Hamilton,2013-01-01 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY New York Times bestselling author Peter F. Hamilton’s riveting new thriller combines the nail-biting suspense of a serial-killer investigation with clear-eyed scientific and social extrapolation to create a future that seems not merely plausible but inevitable. A century from now, thanks to a technology allowing instantaneous travel across light-years, humanity has solved its energy shortages, cleaned up the environment, and created far-flung colony worlds. The keys to this empire belong to the powerful North family—composed of successive generations of clones. Yet these clones are not identical. For one thing, genetic errors have crept in with each generation. For another, the original three clone “brothers” have gone their separate ways, and the branches of the family are now friendly rivals more than allies. Or maybe not so friendly. At least that’s what the murder of a North clone in the English city of Newcastle suggests to Detective Sidney Hurst. Sid is a solid investigator who’d like nothing better than to hand off this hot potato of a case. The way he figures it, whether he solves the crime or not, he’ll make enough enemies to ruin his career. Yet Sid’s case is about to take an unexpected turn: because the circumstances of the murder bear an uncanny resemblance to a killing that took place years ago on the planet St. Libra, where a North clone and his entire household were slaughtered in cold blood. The convicted slayer, Angela Trameló, has always claimed her innocence. And now it seems she may have been right. Because only the St. Libra killer could have committed the Newcastle crime. Problem is, Angela also claims that the murderer was an alien monster. Now Sid must navigate through a Byzantine minefield of competing interests within the police department and the world’s political and economic elite . . . all the while hunting down a brutal killer poised to strike again. And on St. Libra, Angela, newly released from prison, joins a mission to hunt down the elusive alien, only to learn that the line between hunter and hunted is a thin one. BONUS: This edition includes an excerpt from Peter F. Hamilton’s The Abyss Beyond Dreams. Praise for Great North Road “A mesmerizing page-turner.”—Publishers Weekly (starred review) “A gripping saga that blends wilderness survival, police procedural, political and social intrigue, and dynastic sf into a mammoth tale featuring believable characters and exceptionally skilled storytelling.”—Library Journal (starred review) “A perfect introduction to [Hamilton’s] gifts for character design, dialogue, and sheer, big-idea-driven storytelling.”—Booklist (starred review) “Compelling and original . . . an awesome novel [with] plenty of action.”—SFRevu “One very compelling and entertaining science fiction novel.”—SF Site “Simply brilliant . . . an astonishing achievement.”—Tor.com

Ebony ,2001-08 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

All New, All Different? Allan W. Austin,Patrick L. Hamilton,2019-11-05 Taking a multifaceted approach to attitudes toward race through popular culture and the American superhero, All New, All Different? explores a topic that until now has only received more discrete examination. Considering Marvel, DC, and lesser-known texts and heroes, this illuminating work charts eighty years of evolution in the portrayal of race in comics as well as in film and on television. Beginning with World War II, the authors trace the vexed depictions in early superhero stories, considering both Asian villains and nonwhite sidekicks. While the emergence of Black Panther, Black Lightning, Luke Cage, Storm, and other heroes in the 1960s and 1970s reflected a cultural revolution, the book reveals how nonwhite superheroes nonetheless remained grounded in outdated assumptions. Multiculturalism encouraged further diversity, with 1980s superteams, the minority-run company Milestone’s new characters in the 1990s, and the arrival of Ms. Marvel, a Pakistani-American heroine, and a new Latinx Spider-Man in the 2000s. Concluding with contemporary efforts to make both a profit and a positive impact on society, All New, All Different? enriches our understanding of the complex issues of racial representation in American popular culture.

The Drag King Book Del Lagrace Volcano,Judith Halberstam,1999 What is a drag king? Why have drag kings not been as numerous or as popular as their drag queen counterparts in popular culture? Are drag kings lesbians? The Drag King Book tells you everything you've wanted to know and more about the lives and performances of contemporary male impersonators. The book profiles many different performers, among them San Francisco's larger-than-life Elvis Herselvis and New York's mackdaddy Dred, and presents interviews with drag kings alongside descriptions and analyses of actual shows. Lavishly illustrated with over 100 pictures by transgender photographer Del LaGrace Volcano, The Drag King Book is a striking testament to the multiple forms of gender variance today.

Late, Late at Night Rick Springfield,2010-10-12 Features four bonus videos! Watch Rick discuss the events that have shaped his life; step inside his recording studio to hear him discuss his music, his acting career, coming to America, and his love of dogs; and watch Rick's “What’s Victoria’s Secret?” music video and his unplugged version of “I Get Excited.” In a searingly candid memoir which he authored himself, Grammy Award-winning pop icon Rick Springfield pulls back the curtain on his image as a bright, shiny, happy performer to share the startling story of his rise and fall and rise in music, film, and television and his lifelong battle with depression. In the 1980s, singer-songwriter and actor Rick Springfield seemed to have it all: a megahit single in “Jessie’s Girl,” sold-out concert tours, follow-up hits that sold more than 17 million albums and became the pop soundtrack for an entire generation, and 12 million daily viewers who avidly tuned in to General Hospital to swoon over his portrayal of the handsome Dr. Noah Drake. Yet lurking behind his success as a pop star and soap opera heartthrob and his unstoppable drive was a moody, somber, and dark soul, one filled with depression and insecurity. In Late, Late at Night, the memoir his millions of fans have been waiting for, Rick takes readers inside the highs and lows of his extraordinary life. By turns winningly funny and heartbreakingly sad, every page resonates with Rick’s witty, wry, self-deprecating, brutally honest voice. On one level, he reveals the inside story of his ride to the top of the entertainment world. On a second, deeper level, he recounts with unsparing candor the forces that have driven his life, including his longtime battle with depression and thoughts of suicide, the shattering death of his father, and his decision to drop out at the absolute peak of fame. Having finally found a more stable equilibrium, Rick’s story is ultimately a positive one, deeply informed by his passion for creative expression through his music, a deep love of his wife of twenty-six years and their two sons, and his life-long quest for spiritual peace.

Finding Latinx Paola Ramos,2020-10-20 Latinos across the United States are redefining identities, pushing boundaries, and awakening politically in powerful and surprising ways. Many-Afrolatino, indigenous, Muslim, queer and undocumented, living in large cities and small towns—are voices who have been chronically overlooked in how

the diverse population of almost sixty million Latinos in the U.S. has been represented. No longer. In this empowering cross-country travelogue, journalist and activist Paola Ramos embarks on a journey to find the communities of people defining the controversial term, "Latinx." She introduces us to the indigenous Oaxacans who rebuilt the main street in a post-industrial town in upstate New York, the "Las Poderosas" who fight for reproductive rights in Texas, the musicians in Milwaukee whose beats reassure others of their belonging, as well as drag queens, environmental activists, farmworkers, and the migrants detained at our border. Drawing on intensive field research as well as her own personal story, Ramos chronicles how "Latinx" has given rise to a sense of collectivity and solidarity among Latinos unseen in this country for decades. A vital and inspiring work of reportage, Finding Latinx calls on all of us to expand our understanding of what it means to be Latino and what it means to be American. The first step towards change, writes Ramos, is for us to recognize who we are.

Post-Soul Satire Derek C. Maus, James J. Donahue, 2014-07-07 From 30 Americans to Angry White Boy, from Bamboozled to The Boondocks, from Chappelle's Show to The Colored Museum, this collection of twenty-one essays takes an interdisciplinary look at the flowering of satire and its influence in defining new roles in black identity. As a mode of expression for a generation of writers, comedians, cartoonists, musicians, filmmakers, and visual/conceptual artists, satire enables collective questioning of many of the fundamental presumptions about black identity in the wake of the civil rights movement. Whether taking place in popular and controversial television shows, in a provocative series of short internet films, in prize-winning novels and plays, in comic strips, or in conceptual hip-hop albums, this satirical impulse has found a receptive audience both within and outside the black community. Such works have been variously called "post-black," "post-soul," and examples of a "New Black Aesthetic." Whatever the label, this collection bears witness to a noteworthy shift regarding the ways in which African American satirists feel constrained by conventional obligations when treating issues of racial identity, historical memory, and material representation of blackness. Among the artists examined in this collection are Paul Beatty, Dave Chappelle, Trey Ellis, Percival Everett, Donald Glover (a.k.a. Childish Gambino), Spike Lee, Aaron McGruder, Lynn Nottage, ZZ Packer, Suzan Lori-Parks, Mickalene Thomas, Touré, Kara Walker, and George C. Wolfe. The essays intentionally seek out interconnections among various forms of artistic expression. Contributors look at the ways in which contemporary African American satire engages in a broad ranging critique that exposes fraudulent, outdated, absurd, or otherwise damaging mindsets and behaviors both within and outside the African American community.

Nip/Tuck Roz Kaveney, Jennifer Stoy, 2011-07-22 Promoted as a 'disturbingly perfect' and 'deeply shallow' television drama and created by Ryan Murphy, who is also behind the teen musical show Glee, Nip/Tuck has been one of the most popular and controversial shows on cable TV. The misadventures and soap opera-esque entanglements of the lives of plastic surgeons Christian Troy (Julian McMahon) and Sean McNamara (Dylan Walsh) won Golden Globes and boycotts from the American Family Association. Yet, as this first full critical examination of Nip/Tuck shows, ironically the show is an examination of the American family and its many definitions, anxieties and complications of gender and sexuality, and the class issues and illusions surrounding the American dream. It is also revealed as a glorious televisual melodrama, full of Gothic tropes and contemporary sensationalism and at the same time, a deeply misanthropic satire on the American dream with a sometimes highly problematic portrayal of women and minorities. The book also features an interview with frequent Nip/Tuck director Elodie Keene and an episode guide.

Woman at Point Zero Nawal El Saadawi, 2024-06-27 Firdaus is on death row. Her crime, the murder of a man. Born to poverty in a rural Egyptian village, her childhood dreams and ambitions had been met with neglect and abuse by the world and the men who rule it. Driven to sex work to support herself, she is faced with the moral outrage of society and the bitter knowledge that for a woman, true freedom comes only when all hope is abandoned. In Nawal El Saadawi's landmark novel, Woman at Point Zero, published here with a new foreword, Firdaus tells her unforgettable story.

Between The Land And The Sea Derrollyn Anderson, 2011-03-30 Marina is a privileged girl who's had an unusual upbringing. Traveling the world with her scientist father, doted on by her wealthy and glamorous neighbor Evie, Marina's life seems perfect. Everything changes in the summer of her sixteenth year when she is sent to live with her Aunt Abby and Cousin Cruz in the lovely seaside town of Aptos, California. Only a few weeks after arriving, sixteen year-old Marina has nearly drowned twice, enchanted the hottest guy in high school, and discovered a supernatural creature. If she can manage to survive some increasingly dangerous encounters with unpredictable mermaids, she might be able to unlock the mystery of her past and appease the mysterious forces that want something from her...And maybe even find true love along the way.

Ivory Shoals John Brandon, 2021-06-15 In Ivory Shoals, twelve-year-old Gussie Dwyer--audacious, resilient, determined to adhere to the morals his mother instilled in him--undertakes to trek across the sumptuous yet perilous peninsula of post-Civil War Florida in search of his father, a man who has no idea of his son's existence. Gussie's journey sees him cross paths with hardened Floridians of every stripe, from the brave and noble to a bevy of cutthroat villains, none worse than his amoral shark of a stepbrother. Rich in visceral details and told with a pulse-quickenning pace, Ivory Shoals is a distinctly American story, in the tradition of Mark Twain and Cormac McCarthy. The novel is also a timeless epic, tracking Gussie's odyssey from childhood toward adulthood. Will he survive his quest, and at what cost?

Spiritual Journeys Various, 2003

Home Toni Morrison, 2012-05-08 The latest novel from Nobel Prize winner Toni Morrison. An angry and self-loathing veteran of the Korean War, Frank Money finds himself back in racist America after enduring trauma on the front lines that left him with more than just physical scars. His home--and himself in it--may no longer be as he remembers it, but Frank is shocked out of his crippling apathy by the need to rescue his medically abused younger sister and take her back to the small Georgia town they come from, which he's hated all his life. As Frank revisits the memories from childhood and the war that leave him questioning his sense of self, he discovers a profound courage he thought he could never possess again. A deeply moving novel about an apparently defeated man finding himself--and his home.

It's Complicated Danah Boyd, 2014-02-25 Surveys the online social habits of American teens and analyzes the role technology and social media plays in their lives, examining common misconceptions about such topics as identity, privacy, danger, and bullying.

Oxford Thesaurus of English Maurice Waite, 2009-08-13 The leading single-volume English thesaurus explores the richness of the English language with hundreds of thousands of synonyms and antonyms, and thousands of example sentences drawn from the Oxford English Corpus; finds the word you need quickly with carefully chosen and arranged synonyms; broadens your vocabulary and finds solutions to word puzzles and crosswords with hundreds of thematic word lists; and helps express yourself more accurately with hundreds of 'Choose the Right Word' boxes exploring the difference between similar words. --Book Jacket.

Critical Theory Today Lois Tyson, 2012-09-10 Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's The Great Gatsby through the lens of each theory; a

list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

In the Time of the Butterflies Julia Alvarez, 2010-01-12 Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo. (Concepción de León, New York Times) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—the *Butterflies*. In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred *Butterflies* live again in this novel of courage and love, and the human costs of political oppression. Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas.—Francisco Cantú, *The New York Times Book Review* This Julia Alvarez classic is a must-read for anyone of Latinx descent. —Popsugar.com A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion. —People Shimmering . . . Valuable and necessary. —Los Angeles Times A magnificent treasure for all cultures and all time." —St. Petersburg Times Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed.—Cosmopolitan.com
