**Pin It** Sonya Swanson, 2015-01-06 Pinterest is essentially an image sharing platform where members 'pin' images to their own 'pin board'. With all the social media application we have, it is hard to get hold of all of them. It is then important that you get techniques so that it will be easier to handle your followers from one social media to another. We are now living in a modern world and we are now making use of computers, internet and social media for our own advantage. Before anything else, it would be better if we get to know one social media application at the base level. It will provide us with all the necessary background that will help us as we go further. Pinterest is actually one social media that allows you to express your thoughts and desires through pictures and images.

*The Art of Social Media* Guy Kawasaki, Peg Fitzpatrick, 2014-12-04 By now it's clear that whether you're promoting a business, a product, or yourself, social media is near the top of what determines your success or failure. And there are countless pundits, authors, and consultants eager to advise you. But there's no one quite like Guy Kawasaki, the legendary former chief evangelist for Apple and one of the pioneers of business blogging, tweeting, Facebooking, Tumblring, and much, much more. Now Guy has teamed up with Peg Fitzpatrick, who he says is the best social-media person he's ever met, to offer *The Art of Social Media*—the one essential guide you need to get the most bang for your time, effort, and money. With over one hundred practical tips, tricks, and insights, Guy and Peg present a bottom-up strategy to produce a focused, thorough, and compelling presence on the most popular social-media platforms. They guide you through steps to build your foundation, amass your digital assets, optimize your profile, attract more followers, and effectively integrate social media and blogging. For beginners overwhelmed by too many choices as well as seasoned professionals eager to improve their game, *The Art of Social Media* is full of tactics that have been proven to work in the real world. Or as Guy puts it, “great stuff, no fluff.”

**Pinterest Traffic Secrets** Michael Cors, 2021 Social media is the darling of the Internet. For the past few years, online user activity has been shifting more and

more toward social media of all types, but recently it has truly become an almost entirely visual format. Gone are the days where text-based communications dominated the social scene. These days, it's all about visual stimulation and contact through engaging pictures and videos. No website has made this more evident than Pinterest. Pinterest allows users to share photos and other media by "pinning" them to virtual pin boards. Remember the former popularity of corkboards? Pinterest has brought that concept online in a big way! According to Alexa.com, Pinterest is currently 15th in the United States and 34th in the world for traffic volume. The site gets a tremendous amount of traffic, and those users are known to visit the site regularly and to purchase products and visit websites they see there. In fact, MediaBistro.com compiled a report about social networking tools and discovered that almost as many people use Pinterest as use Twitter! In this guide, you're going to learn how to make the most of this social media powerhouse, and how to use it effectively as a marketing tool. So let's get started.

*Build Your Brand with Pinterest* Sarita Harbour, 2012-07-30 ABOUT THE BOOK Social media marketing is quickly becoming a crucial aspect of promoting any business: free and easy-to-learn platforms such as Facebook, Twitter, and Pinterest mean that businesses of all sizes can interact effectively with their target markets in our 21st century world. Many entrepreneurs successfully use these social media platforms as a way to market their businesses online, and you can too. As one of the most quickly growing social media platforms, CNN reports that according to Experian Marketing Services 2012 Digital Marketing Trend Report, Pinterest ranks number three on the list of most visited social sites, behind Facebook and Twitter. In the month of February alone, Pinterest attracted new users at an astonishing rate, increasing traffic to the site by fifty percent. The study also found that over ninety percent of adult internet users regularly visit one or more social media sites. Want to learn how to use this powerful tool to your fullest advantage? MEET THE AUTHOR A former financial adviser with over a decade of experience in personal finance and small business banking, Sarita Harbour is a professional freelance writer specializing in small business, personal finance, and content marketing techniques. Sarita is passionate about frugal living, financial literacy, and teaching small business owners how to provide and market excellent content on their websites. Her writing appears online at Zerys.com, Chron.com, The Business Finance Store and several other business and finance blogs. Sarita graduated from the University of Guelph with a degree in Psychology, and she holds the Personal Financial Planning designation from the Institute of Canadian Bankers. View her writing clips online at <http://saritaharbour.contently.com/>. Sarita can be found on Twitter @Avamummy. EXCERPT FROM THE BOOK According to the Wall Street Journal, its 17.8 million users places Pinterest ahead of LinkedIn on the list of most used social media sites, and it is also third on the list of the fastest growing American websites for the month of February, 2012. New accounts are opened every day, and businesses of all sizes are taking note of the marketing opportunities Pinterest provides. On ways an experienced user can build their brand on Pinterest: #8. Pin Tutorials: Video tutorials are an excellent way to get your business noticed on Pinterest. With so many do-it-yourself-ers looking online for advice on everything from painting a room to learning to knit, pinning a tutorial linking back to your website with the products needed for the project makes great marketing sense. Create your video and upload it to YouTube. On YouTube, click the share button and copy the url for the video (do NOT use the embed code). On Pinterest, click the Add button on the top of the screen. Paste in the url and click Find Images. Write a great description and pin your video tutorial to the board of your choice.
