The Year Santa's Beard Turned Dark! Steve

Chavez,2020-09-21 What happens when Santa Claus wakes up the day after Christmas to find his snowy white beard has turned dark as night? With some smart thinking and a little magic, it might still be a merry Christmas!

What Happened to Santa's Beard? Annie Crabtree,2020-11-05

Hey guys, Santa here! I've finally decided to set the record straight. I've had too many close calls and have had to cover up too many times to save my image-or I should say my brother's image. I'm done! Now it's time to tell you the truth about me, Santa Claus, and what REALLY happened to my beard. Santa never had a beard. According to Santa himself, the whole white fluffy beard never belonged to him but his brother, Fred, who filled in for him after he slipped on ice and hurt his back. Fred slid in and out of chimneys like a pro. Then he found double-chocolate fudge-filled macadamia nut cookies waiting for him and he couldn't resist. He sat right down and finished the WHOLE plate so he didn't have to share with the REAL Santa waiting in the sleigh. Little Anna snuck a picture of Fred, and the next day it was all over the news. Now the REAL Santa had to figure out how to have a beard or risk

disappointing children around the world. He had to get creative with items around him whenever he got caught in the act of Santa-ing. Once he used a handful of snow. Another time he used Christmas lights from someone's Christmas tree. Then there was that one time when he used eggs to cover his naked chin after crashing into a lady's chicken coop-and making a HUGE mess! So please don't pull on Santa's beard next time you sit on his lap. It's not real, but Santa is!

There is Something Weird in Santa's Beard Chrissie Krebs,2016-10-31 Look out - it's the blob that ate Christmas!

Lovely Santa. He brings joy and gifts to children around the world. Secretly, he's also a bit of a slob. He loves snacking on the treats children leave for him on Christmas Eve, but he isn't quite as interested in washing his face and combing his beard. This year, the result isn't just gross - it grows into something so monstrous that it destroys all the toys in Santa's workshop. Will it become the blob that ate Christmas? Or will the reindeer's secret talent save the day?
