Pink Butterfly Journal Journals to Write In, 2018-08-07 This 120-page journal features: 117 wide-ruled lined pages 5.5 x 8.5 size - big enough for your writing and small enough to take with you smooth 55# cream-color paper, perfect for ink, gel pens, pencils or colored pencils a cover page where you can enter your name and other information a colorful illustration of bright pink butterflies that wraps around the front and back covers a matte-finish cover for an elegant, professional look and feel This journal can be used for writing poetry, jotting down your brilliant ideas, recording your accomplishments, and more. Use it as a diary or gratitude journal, a travel journal or to record your food intake or progress toward your fitness goals. The simple lined pages allow you to use it however you wish. Journals to Write In offers a wide variety of journals, so keep one by your bedside as a dream journal, one in your car to record mileage and expenses, one by your computer for login names and passwords, and one in your purse or backpack to jot down random thoughts and inspirations throughout the day. Paper journals never need to be charged and no batteries are required! You only need your thoughts and dreams and something to write with. These journals also make wonderful gifts, so inspire someone you love today!

The Silent Screams of Little Jessie Jessie Parker, 2012-11-27 The Silent Screams of Little Jessie is based on a true story of a little girl who becomes orphaned when her mother, abused terribly by her father both mentally and physically, is sent to the state mental hospital. Jessie faces many adversities—poverty and being tossed here and there, unmercifully abused by seemingly everyone. Soon Jessie is afraid to speak or tell anyone about the abuse, for fear it will only bring more abuse. This frail little girl soon begins silently screaming for help. Will anyone hear her screams, or will it be too late? To protect the rights of some, all of the characters in this book are fictional, except for little Jessie. Sadly, all her experiences in this book are very true.

Coming of Age in 2020: Teenagers on the Year that Changed Everything Katherine Schulten, 2022-10-11 A time capsule of art and artifacts, created by Gen Z. Everyone knows what coming of age in America is supposed to look like. Then came 2020. Instead of proms and championship games and all-night hangouts with friends, there was school on Zoom from bed. In this book, teenagers from across the country show how they coped with a world on fire, as a pandemic raged, political divides hardened, and the Black Lives Matter movement galvanized millions. Via diary entries, comics, photos, poems, paintings, charts, lists, Lego sculptures, songs, recipes, and rants, they tell the story of the year that will define their generation. The pieces in this collection, chosen from

more than 5,500 submitted to a contest on the New York Times Learning Network, provide an arresting documentation of how ordinary teenagers experienced extraordinary events. But for every creative expression of terror, frustration, loneliness, and anxiety, there is another of meaning, joy, resilience, and hope.

Unseen Reggie Yates, 2017-10-26 From Grange Hill to Top of the Pops, Reggie Yates has been on camera nearly all of his life, but it's as a documentary filmmaker – and a pretty fearless one at that – where he has truly been making his mark, investigating everything from gun crime in Chicago, to life as a refugee in Iraq. In his first book, *Unseen*, Reggie takes us behind the scenes on his journey from TV host to documentary storyteller. Using some of the key moments and extreme circumstances he has found himself in, Reggie examines what he has learned about the world, and himself as a person. Beginning as a brief exploration of Reggie's relationship with the camera and life growing up on screen, *Unseen* explores the journey Reggie has taken in the documentary world. Initially resistant to documentary making, Reggie was convinced his point of view as a young black working class man with a history in music, children's TV and entertainment would not make his films remotely credible. Through conflict and challenges on screen, the understanding gained from the very thing once seen as a weakness would become his strength on camera, as the eye of the everyman and voice of the audience. *Unseen* unpicks the stories behind the fascinating characters and situations Reggie encounters across a series of films, as well as chronicling the personal growth through each testing shoot for Yates himself.

Bicycling with Butterflies Sara Dykman, 2021-04-13 “What a wonderful idea for an adventure! Absolutely inspired, timely, and important.” –Alistair Humphreys, National Geographic Adventurer of the Year and author of *The Doorstep Mile* and *Around the World by Bike* Outdoor educator and field researcher Sara Dykman made history when she became the first person to bicycle alongside monarch butterflies on their storied annual migration—a round-trip adventure that included three countries and more than 10,000 miles. Equally remarkable, she did it solo, on a bike cobbled together from used parts. Her panniers were recycled buckets. In *Bicycling with Butterflies*, Dykman recounts her incredible journey and the dramatic ups and downs of the nearly nine-month odyssey. We're

beside her as she navigates unmapped roads in foreign countries, checks roadside milkweed for monarch eggs, and shares her passion with eager schoolchildren, skeptical bar patrons, and unimpressed border officials. We also meet some of the ardent monarch stewards who supported her efforts, from citizen scientists and researchers to farmers and high-rise city dwellers. With both humor and humility, Dykman offers a compelling story, confirming the urgency of saving the threatened monarch migration—and the other threatened systems of nature that affect the survival of us all.

House & Garden, 1979

de Gournay Claud Cecil Gurney, 2020-10-06 Renowned for its elegant hand-painted wallpapers and textiles, de Gournay creates some of the most beautiful interiors in the world. Celebrated for its hand-painted chinoiserie wallpapers, sumptuous patterns of colorful flora and varied birdlife, the company produces additional collections that explore historical themes, such as nineteenth-century French pastoral scenes or exotic Brazilian landscapes bursting with wildlife. De Gournay also crafts more abstracted designs that fit well with modern interiors. Collaborating with renowned tastemakers from across creative industries, de Gournay works with leading interior designers as well as noted trendsetters such as Kate Moss. This volume showcases de Gournay designs in situ, in beautiful interiors created by top designers in homes from San Francisco and New York to London, Paris, and beyond. The book explores de Gournay interiors in both city and country settings, how to take inspiration from English stately homes, and how custom wallpaper designs are created. Full of inspiring interiors and design ideas, de Gournay is an in-depth look at the stunning creations of one of the most prestigious and influential design houses of today.

Stuffed Patricia Volk, 2007-12-18 Patricia Volk's delicious memoir lets us into her big, crazy, loving, cheerful, infuriating and wonderful family, where you're never just hungry—your starving to death, and you're never just full—you're stuffed. Volk's family fed New York City for one hundred years, from 1888 when her great-grandfather introduced pastrami to America until 1988, when her father closed his garment center restaurant. All along, food was pretty much at the center of their lives. But as seductively as Volk evokes the food, *Stuffed* is at heart a paean to her quirky, vibrant relatives: her grandmother with the "best legs in Atlantic City"; her grandfather, who invented the wrecking ball; her larger-than-life father, who sculpted snow thrones when other dads were struggling with snowmen. Writing with great freshness and humor, Patricia Volk will leave you hungering to sit down to dinner with her robust family—both for the spectacle and for the food.

Autumn Leaf Cher'elle D. Plummer, 2013-04 Tracy wanted nothing more than to live the life she

had always dreamed of. She thought that all of her dreams would come true, but that dream faded on the day she went back to show her family her childhood home. With her past unfolding right before her very eyes, she found herself caught between being the loving wife and mother or taking back what was not others to take. Tracy lived for her children and husband and went out of her way to make sure that they were all happy, but deep down inside she wanted nothing more than to see the ones that had done her wrong pay the ultimate price. In the end, Tracy found herself wanting to prove that she was willing to die to ensure that she was not going to leave this world until they felt the pain and the suffering that they had inflicted on her for all those years.

Summerwater Sarah Moss, 2021-01-12 A BEST BOOK OF JANUARY: O Magazine A BEST BOOK OF THE YEAR in the UK: The Guardian, The Times “[Moss] writes beautifully about... souls in tumult, about people whose lives have not turned out the way they’d hoped. . . There’s little doubt, reading Moss, that you’re in the hands of a sophisticated and gifted writer. —Dwight Garner, The New York Times The acclaimed author of *Ghost Wall* offers a new, devastating, masterful novel of subtle menace They rarely speak to each other, but they take notice—watching from the safety of their cabins, peering into the half-lit drizzle of a Scottish summer day, making judgments from what little they know of their temporary neighbors. On the longest day of the year, the hours pass nearly imperceptibly as twelve people go from being strangers to bystanders to allies, their attention forced into action as tragedy sneaks into their lives. At daylight, a mother races up the mountain, fleeing into her precious dose of solitude. A retired man studies her return as he reminisces about the park’s better days. A young woman wonders about his politics as she sees him head for a drive with his wife, and tries to find a moment away from her attentive boyfriend. A teenage boy escapes the scrutiny of his family, braving the dark waters of the loch in a kayak. This cascade of perspective shows each wrapped up in personal concerns, unknown to each other, as they begin to notice one particular family that doesn’t seem to belong. Tensions rise, until nightfall brings an irrevocable turn. From Sarah Moss, the acclaimed author of *Ghost Wall*—a “riveting” (Alison Hagy, The New York Times Book Review) “sharp tale of suspense” (Margaret Tablot, The New Yorker), *Summerwater* is a searing exploration of our capacity for kinship and cruelty, and a gorgeous evocation of the natural world that bears eternal witness.

Hunted by Sin Debbie Cassidy, Assassin turned superhero. Send help. Being a Gatekeeper in training means protecting the innocent and hunting down the bad guys. Makes me sound like a superhero. I’m not. I’m just trying to fix the shit I broke. But when a rogue vampire with some serious

ninja skills starts leaving a string of missing persons in his wake, I'm up against the clock. Throw in a series of witch blood kidnappings, and an order from the Mayfair Coven's high witch, and I'm in overload. I need to solve these cases fast. But the deeper I dig, the less things add up. I'm gonna have to learn to weed out the truth from the lies, but my gut tells me, if I'm not careful, the truth might just kill me.

New York Beauties & Flying Geese Carl Hentsch, 2017-04-01 Dramatic curves and angles for today's adventurous quilter Become a skilled foundation piecer with New York Beauty blocks and arcs of Flying Geese that amaze! Carl Hentsch simplifies a technique loved by many with his straightforward approach to curved piecing, foundation piecing, and simple machine appliqué. Stitch your way through 31 architectural block patterns, ideal for advanced beginners and intermediate quilters. Then it's time to practice on 10 full-size quilts and 27 bonus pillow projects with lively color combinations to provide movement and drama. In a personal foreword, fabric designer Tula Pink discusses how she met Carl and came to collaborate with him on the color choices for his quilts. • Complex piecing made simple! Expand your skill set and learn new tips and techniques for curved and foundation piecing • Traditional blocks shine with the use of modern fabrics in rich color stories, with fabric selections by Tula Pink • Practice your newfound skills on a small project with stunning round pillows designed to accompany each quilt

The Buzz Terri Ivens, 2014-09-12 It is 1981 in Reno, Nevada, and Kassia Ella has been a freshman at Procter R. Hug High School for exactly four horrible days. With her closest friends from middle school zoned for another high school, Kassia reluctantly attempts to start all over again. Even though she is captain of the freshman cheerleading squad and has dreams of one day finding true love, Kassia thinks isolation is her new best friend. But all of that changes during an assembly when her eyes fall upon number thirty-five on the freshman football team and Kassia suddenly believes in love at first sight. Now Kassia has but one goal: to meet her new crush. After she finally connects with Michael at a school dance and he begins to pursue her, Kassia must battle not only gossip, jealousy, and manipulation, but also her feelings of inadequacy, self-comparison, and fear of rejection. Now only time will tell if she will be successful and find the love she has always wanted. In this first installment in a young adult series, a teenager plagued by a fear of the unknown, her new friends, and her uncertain feelings is about to discover that life never goes as expected. In the Time of the Butterflies Julia Alvarez, 2010-01-12 Celebrating its 30th anniversary in 2024,

internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo. (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—the Butterflies. In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas.—Francisco Cantú, *The New York Times Book Review* This Julia Alvarez classic is a must-read for anyone of Latinx descent. —Popsugar.com A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion. —People Shimmering . . . Valuable and necessary. —Los Angeles Times A magnificent treasure for all cultures and all time.” —St. Petersburg Times Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed.—Cosmopolitan.com

Inside Out & Back Again Thanhha Lai, 2013-03-01 Moving to America turns H&à's life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

Love Isn't Constant Pain 2 K. Rashad, 2022-10-13 Her eyes are closed with Love Isn't Constant

Pain; she was learning, reflecting, healing, and releasing. In part one, K. Rashad spoke about narcissistic behavior, and emotional abuse women might face when involved in toxic relationships. In the sequel, *Now*, her eyes are open. She's aware; she's wiser; she's stronger. With *Love Isn't Constant Pain II*, Rashad delves into how women can be their worst enemy. In this book, he shows women how to hold themselves accountable, allow themselves to heal, and eventually open themselves up to Love again.

Go Fly a Kite, Charlie Brown! Charles M. Schulz, 2015-05-05 Trying to fly a kite on a beautiful breezy day, Charlie Brown is dismayed when his kites are caught by the Kite-Eating Tree until he receives help from his fellow Peanuts friends. Original. Simultaneous eBook.
