Le'Veon Bell John Bankston,2019-07-04 Le'Veon Bell faced some tough challenges. He had a single mom. Money was tight. Yet his hardest challenge was how easily football came to him. It was so easy, he didn't have to work to win games. As a high school player, he realized top schools weren't looking at him. He knew he had to change his strategy. He began working harder at the game. It paid off. He was chosen by Michigan State University. Today he plays for the Pittsburgh Steelers, his family's favorite team. He's one of the best running backs in the country.

Pittsburgh Dad Chris Preksta,Curt Wootton,2015-04-28 When Pittsburgh Dad debuted on YouTube, creators Chris Preksta and Curt Wootton little suspected their sitcom would receive more than sixteen million views and turn their blue-collar everyman into a nationally known figure. Illustrated with hilarious black-and-white photos, Pittsburgh Dad shares the best of the best, from rants about swimming pool rules to reflections on coaching little league to curmudgeonly movie reviews. With its heavy dose of nostalgia and pitch-perfect sensibility, Pittsburgh Dad will have readers laughing in recognition, especially those who love recent blockbusters like Sh*t My Dad Says and Dad Is Fat.

Tales from the Pittsburgh Steelers Sideline Dale Grdnic,2013-09-01 One of the oldest teams in the NFL, the Pittsburgh Steelers have carved one of the most exciting legacies in professional football. Founded as the Pittsburgh Pirates by Art Rooney in 1933 with winnings from a single day at the racetrack, the Steelers spent the next 40 years as the NFL's "Lovable Losers." All that changed in the early '70s, as savvy draft choices and a smashmouth style of play transformed the Steelers into the most dominant team of the decade. In *Tales from the Pittsburgh Steelers Sideline*, veteran journalist Dale Grdnic captures the essence of the Steelers teams across the decades. Grdnic highlights many of the squad's most memorable moments, including Franco Harris's Immaculate Reception and their eight Super Bowl appearances. He covers the team's greatest rivalries, including the epic battles with the Oakland Raiders and Dallas Cowboys. And he profiles the memorable players who've worn the Black and Gold over the decades, including Byron White, Johnny "Blood" McNally, Terry Bradshaw, Lynn Swann, Mean Joe Greene, Jack Lambert, Jerome Bettis, and "Big Ben" Roethlisberger. The latest addition to the *Tales* series, this is a must-have book for any member of Steelers Nation.

Tales from the Pitt Panthers Sam Sciullo,2004 The Pitt Panthers or the Pittsburgh Panthers? Even their name evokes an argument, a touch of controversy. For anyone who has followed the football and basketball fortunes of the University of Pittsburgh, however, controversy is just one of many facets of Pitt's programs throughout the institution's very long history. Pitt has fielded a football team since 1890 and will celebrate its 100th year of basketball in 2005. Both programs have experienced plenty of success, periods of failure, lots of humor, and some old-fashioned heartbreak along the way. *Tales from the Pitt Panthers* goes straight to the people who have lived with and contributed to the stories of Pitt football and basketball, including players, coaches, administrators, and fans. Author Sam Sciullo Jr. does not intend the book to be a chronological history of either sport, but rather a look back at some of famous-and not-so-famous--games, teams, incidents, and personalities from both the football and basketball programs. From the recruitment of football legends like Marshall Goldberg, Tony Dorsett, and Dan Marino, to the basketball prowess of Charley Hyatt and Charles Smith. *Tales from the Pitt Panthers* takes a behind-the-scenes look at a major metropolitan area's sports team that continue to excite and, at times, confound its loyalists. This is a book for fans that have ever wondered what it was like to be in the locker room just moments before the opening kickoff or have thought about the emotions felt in the aftermath of a key victory or a crushing loss. Included are stories about Tony Dorsett running to the Heisman Trophy and Pitt's national championship season in 1976, a 1970 basketball game at the Field House when a brashpoint guard decided to take strategy into his own hands, the things Larry Fitzgerald learned from his near-miss shot at the Heisman Trophy in 2003, and Jamie Dixon's thoughts when school officials searched for Ben Howland's replacement after the 2003 season. *Tales from the Pitt Panthers* offers a wide-angled look at Pitt football and basketball from several different perspectives, from both inside and outside the program.

Pittsburgh Sports Firsts Alliance of Esteemed Duquesne Scribes,2021-03-15 Countless groundbreaking moments in the nation's sports history were made on the gridirons, courts, fields, ice rinks and ballparks of Pittsburgh. Duquesne's Chuck Cooper was the first African American player drafted by the NBA. Beloved local radio station KDKA produced the first-ever broadcast of a Major League Baseball game. The Pittsburgh Stars were the first NFL champions in 1902. The first nighttime World Series game was played in the Steel City, and the only game seven World Series walk-off homerun happened there too. The city boasts compelling claims as the birthplace of pro hockey, pro football and college basketball. Some of the most preeminent authors and sports historians of Western Pennsylvania capture the vivid moments that make Pittsburgh a city of historic sports firsts.

Broadcasting the Local News Lynn Boyd Hinds,2010-11-01 Television came to Pittsburgh in 1949 when WDTV (the forerunner of KDKA-TV) went on the air. Whereas many television stations in the United States began reading news on the air only to comply with FCC requirements, WDTV treated news seriously from day one with its first regular program, a local news show called Pitt Parade. Today KDKA is still highly regarded among journalists for its news programming. Although television news may seem familiar to us, it was anything but familiar to the men and women of early television. Hinds shows how they borrowed liberally from newspapers, radio, motion picture newsreels, theater, and even magazines to create, by trial and error, suitable ways to present the news. Rather than instantly replacing radio, television news moved slowly from the rip and read radio-style format, which simply duplicated what came over the wire services and was in the newspapers, to the conventions of local newscasts we take for granted today--live remotes, lead and feature stories, sports and weather, all brought together by an in-studio anchor. Pittsburghers will recognize many familiar names in Hinds's account--Bill Burns, Paul Long, Florence Sando, Eleanor Schano, and others--veterans of Pittsburgh broadcasting whom Hinds has interviewed for this book. The story they tell is the story of dozens of other stations across the country. In the process, they tell us much about the early history of television in America. Lynn Boyd Hinds spent over twenty years in Pittsburgh television and radio before moving to Penn State University where he was an affiliate producer for WPSX-TV, the public broadcasting station in Central Pennsylvania. There he created and hosted the popular quiz show, *The Pennsylvania Game*. Today he is Associate Professor of Broadcast News in the Perley Isaac Reed School of Journalism at West Virginia University.

1976 National Champion Pitt Panthers, The: Miracle on Cardiac Hill David Finoli,2021-11-22 Ten years after a one-loss season and being ranked third in the nation, the University of Pittsburgh's historic football team had fallen on hard times. In 1973, the team hired former All-American Johnny Majors to right the ship, and he promptly recruited Tony Dorsett and Al Romano. Over the next four years, the new-look Panthers were brought back to prominence with stunning victories, culminating in the 1976 NCAA National Championship. Dorsett, a future Pro Football Hall of Famer, became the first college running back to eclipse two thousand yards in a season and was awarded the Heisman Trophy in the championship year. Author David Finoli tells the story of one of the most dramatic turnarounds in college football history.

Miller Time David A. Burhenn,2018-03-20 Arizona. Kentucky. Indiana. It's astounding to think that three elite college basketball programs can trace their success back to one small-town high school coach, Blackhawk High's legendary John Miller. Coach John Miller was just following his heart's passion and channeling his unbreakable spirit when in the early 1970s he began to use basketball as a platform for developing young players and future leaders. Little could he have known that his two sons, Sean and Archie Miller, and their cousin, John Calipari, would grow up to lead historic basketball programs to national prominence. And over his career, he also inspired

countless other young players, who would grow up to become doctors, lawyers, and prominent CEOs. At his retirement in 2005, Coach Miller’s record stood at 657-280 over his thirty-five-year career, making him one of the winningest coaches in high school basketball history. Today, Coach Miller’s legacy extends from the tiny hamlet of Beaver Falls, Pennsylvania, to some of the most famous sporting venues in America. He is a legend in the sport, praised by greats such as Kobe Bryant, Thad Matta, Bucky Waters, and Jamie Dixon. Filled with original photos and behind-the-scenes stories, Miller Time is for every hardwood aficionado.

Disrupting Sports Journalism Simon McEnnis,2021-11-29 This book critically explores the impact that digital technology has had on the practices and norms of sports journalism. In the wake of major digital disruptions in news reporting, the author analyses how sports journalism has been particularly vulnerable to challenges and attacks on its expertise because of its historically weak commitment to professionalism. Ultimately, an argument is built that sports journalism’s professional distinctiveness will depend on its capacity to produce rigorous news work at a time when its core, routinised practices are being displaced by bloggers and team media. Recent developments such as The Athletic, a start-up that has built its business model around quality sports storytelling, and the impact of the COVID-19 pandemic offer hope that a paradigm shift in digital sports journalism culture towards serious reporting is starting to emerge. The question for both the industry and scholars going forward is whether these changes will crystallise and take hold in the long term. *Disrupting Sports Journalism* is a valuable text for researchers and students in sports media and journalism studies, as well as for industry professionals seeking an insight into developments in the field.
