Split Second Kasie West,2014-02-11 Kasie West delivers nail-biting suspense and heart-pounding romance in the thrilling sequel to *Pivot Point*. Addie has always been able to see the future when faced with a choice, but that doesn't make her present any easier. Her boyfriend used her. Her best friend betrayed her. So when Addie's dad invites her to spend her winter break with him in the Norm world, she jumps at the chance. There she meets the handsome and aching familiar Trevor. He's a virtual stranger to her, so why does her heart do a funny flip every time she sees him? But after witnessing secrets that were supposed to stay hidden, Trevor quickly seems more suspicious of Addie than interested in her. She wants to change that. Laila, her best friend, has a secret of her own: she can restore Addie's memories . . . once she learns how. But there are powerful people who don't want this to happen. Desperate, Laila tries to manipulate Connor, a brooding bad boy from school—but he seems to be the only boy in the Compound immune to her charms. And the only one who can help her.

The Second Pivot Ellyn Conwen, 2014-03-03 Most of us measure our value by human standards. We want to matter. We expend a lifetime of energy to achieve a sense of significance by hiding our weaknesses and touting our real or perceived strengths. We judge ourselves to be demoted in worth because of our failings. We allow the weight of our deficiencies to defeat any expectation of recovery. We and others often define us as defunct. What we truly need is a different sort of mirror to view ourselves. We are all born with a yearning for Someone beyond us Who is perfect and powerful. We can do an inner pivot and find the One Who made us. We can be transformed by the power of redemption. Follow the lives of seven unlikely companions forced together by a natural disaster. As they are faced with the possibility of death, they must make a decision. Is the life they have led the truest version of themselves or will they change their destinies?
