Girl Culture [2 volumes] Claudia Mitchell,Jacqueline Reid-Walsh,2007-12-30 Never before has so much popular culture been produced about what it means to be a girl in today's society. From the first appearance of Nancy Drew in 1930, to Seventeen magazine in 1944 to the emergence of Bratz dolls in 2001, girl culture has been increasingly linked to popular culture and an escalating of commodities directed towards girls of all ages. Editors Claudia A. Mitchell and Jacqueline Reid-Walsh investigate the increasingly complex relationships, struggles, obsessions, and idols of American tween and teen girls who are growing up faster today than ever before. From pre-school to high school and beyond, Girl Culture tackles numerous hot-button issues, including the recent barrage of advertising geared toward very young girls emphasizing sexuality and extreme thinness. Nothing is off-limits: body image, peer pressure, cliques, gangs, and plastic surgery are among the over 250 in-depth entries highlighted. Comprehensive in its coverage of the twenty and twenty-first century trendsetters, fashion, literature, film, in-group rituals and hot-button issues that shape—and are shaped by—girl culture, this two-volume resource offers a wealth of information to help students, educators, and interested readers better understand the ongoing interplay between girls and mainstream culture.

Escape from the Room: Murder in the Village Nathen Newark,2018-04-06 The Escape from the Room series, captures the thrills of a live escape room experience in book form. Murder in the Village finds Bernie Angel, an amateur private investigator, conspiracy theorist blogger and professional game show contestant, locked inside a police station trying to uncover the mystery behind a seemingly unsolvable murder. You, as the reader and player, must search the room, finding items to help overcome problems, decrypt codes and solve puzzles all while the story of Bernie Angels' adventure unfolds. With the room depicted over several illustrated pages, you may revisit any part of the room to look for clues that may help you solve puzzles as you navigate your way through the book. The book shares similarities with a 'choose your own adventure' in that you do not read front to back, the solution to each puzzle gives the page number to visit next. With included hints, reaching the conclusion to the book is achievable for all, giving everybody the chance to solve the murder and escape from the room.This book mimics the key elements of a live escape room in a portable format available for everyone to experience. As with escape rooms, how you play it is up to you. You can play it on your own, or with friends, working through the puzzles and challenges for that sweet moment of victory. Challenge yourself to crack it in one sitting or you may be looking to chip away at it over your tea breaks.
