The Enchanted Life Sharon Blackie,2018-04-24 Taking as her starting point the inspiration and wisdom that can be derived from myth, fairy tales, and folk culture, Dr. Sharon Blackie offers a set of practical and grounded tools for enchanting our lives and the places we live, so leading to a greater sense of meaning and of belonging to the world. Enchantment. By Dr. Blackie's definition, a vivid sense of belongingness to a rich and many-layered world, a profound and whole-hearted participation in the adventure of life. Enchantment is a natural, spontaneous human tendency – one we possess as children, but lose, through social and cultural pressures, as we grow older. It is an attitude of mind which can be cultivated: the enchanted life is possible for anyone. It is intuitive, embraces wonder, and fully engages the mythic imagination – but it is also deeply embodied in ecology, grounded in place and community. To live this way is to be challenged, to be awakened, to be gripped and shaken to the core by the extraordinary which lies at the heart of the ordinary.

Dreamtime , Essays in which happiness becomes a magic carpet, lifting readers above momentary fret and making the ordinary appears wondrous.

Me I Am! Jack Prelutsky,2011 An illustrated poem which celebrates children who enjoy doing all kinds of activities. This poem originally appeared in The Random House book of poetry for children, published in 1983.

Sea Monsters Chloe Aridjis,2019-02-07 Winner of the 2020 PEN/Faulkner Award 'A mesmerizing, revelatory novel, smart and funny and laced with a strangeness... For my money, Chloe Aridjis is one of the most brilliant novelists working in English today' Garth Greenwell One autumn afternoon in Mexico City, 17-year-old Luisa does not return home from school. Instead, she boards a bus to the Pacific coast with the reckless, impulsive Tomás, a boy she barely knows. Their quest: to track down a troupe of Ukrainian dwarfs who have recently escaped a touring circus. Together they head for Zipolite, the 'Beach of the Dead', a community peopled by hippies, nudists, beach combers and eccentric storytellers, and Luisa searches for someone, anyone, who will 'promise, no matter what, to remain a mystery'. But as Luisa wanders the shoreline, she begins to discover that a quest is more easily envisioned than accomplished. 'Destined to be a classic: a richly imaginative, reflective and entrancing novel' Xiaolu Guo

Shitty Craft Club Sam Reece,2023-09-19 Shitty Craft Club is a uniquely empowering guide that allows burnt-out, pressured people to accept their imperfections and find inner calm with whatever shitty thing they can make. Did you know that you are a glorious and incredible artist? Wait, really? Well, you are. Through silly and deeply relatable tales from her life, Sam Reece, founder of the Shitty Craft Club, guides you through dozens of craft projects that give you permission to be as weird, wild, and wonderful as you want to be. Melding the nihilistic spirit of millennial/Gen Z humor with Amy Sedaris's gonzo crafting style and a healthy dose of Lisa Frank vibes, the Shitty Craft Club proves there's no limit to what a craft can be. Making a bunch of pom-poms so you can be your own cheerleader? That's a craft. Sculpting a rhinestone shrimp out of aluminum foil and a glue gun? A craft. Having literally one sip of water (congrats, by the way)? Yup, you bet—a craft. Because life is hard. So why not spend a bit of time gluing some trash to more trash if it makes you happy? This is your sign to embrace anti-perfectionism. Join us at the Shitty Craft Club! SELF-ESTEEM OVER SELF-IMPROVEMENT: In times of uncertainty, we all need a little more self-compassion. Treat yourself with kindness and care. Shitty Craft Club gives us the tools to cope in a creative and fun way, without feeling the pressure to make everything perfect. A SHITTY PHENOMENON: From in-person events at the Ace Hotel and Milk Bar to viral projects on Instagram and TikTok, Sam Reece, the creator of Shitty Craft Club, has cultivated a movement that embraces the weird and wonderful over the perfect. This book captures all that magic of Shitty Craft Club (and hopefully inspires you to start your own). FOR FANS OF MAKING IT AND AT HOME WITH AMY SEDARIS: With projects like Rhinestone Wall Shrimp, the Corndle, and the Shitty Trophy, this book will inspire you to pick up a glue gun, buy a bucket of beads, and make your own strange and beautiful creations. Perfect for: Fans of Sam Reece and Shitty Craft Club Crafters and DIY enthusiasts looking for a humorous take on creativity Self-care and mindfulness practitioners Fans of Making It, Nailed It!, and At Home with Amy Sedaris Creative gift for Mother's Day, graduation, holidays, and birthday

The Pygmalion Effect Victor I. Stoichita,2008-06-15 Pygmalion's sculpture, which the gods endowed with life, marks, according to this book, perhaps the first instance in Western art of an image that exists on its own terms, rather than simply imitating something else. Stoichita delivers this image and its avatars from the shadow cast by art that merely replicates reality.

For the End of Time Rebecca Rischin, 2006 The clarinetist Rebecca Rischin has written a captivating book.... Her research dispels several long-cherished myths about the 1941 premiere.... Rischin lovingly brings to life the other musicians-- tienne Pasquier, cellist; Henri Akoka, clarinetist; and Jean Le Boulair, violinist--who played with Messiaen, the pianist at the premiere.--Alex Ross, The New Yorker This book offers a wealth of new information about the circumstances under which the Quartet was created. Based on original interviews with the performers, witnesses to the premiere, and documents from the prison camp, this first comprehensive history of the Quartet's composition and premiere held my interest from beginning to end.... For the End of Time touches on many things: faith, friendship, creativity, grace in a time of despair, and the uncommon human alliances that wartime engenders.--Arnold Steinhardt, Chamber Music The clarification of the order of composition of the movements is just one of the minor but cumulatively significant ways in which Rischin modifies the widely accepted account of the events at Stalag VIII A.... For the End of Time is a thorough and readable piece of investigative journalism that clarifies some important points about the Quartet's genesis.--Michael Downes, Times Literary Supplement The premiere of Olivier Messiaen's Quartet for the End of Time on January 15, 1941, has been called one of the great stories of twentieth-century music. Composed while Messiaen (1908-1992) was imprisoned by the Nazis in Stalag VIII A, the work was performed under the most trying of circumstances: the temperature, inferior instruments, and the general conditions of life in a POW camp. Based on testimonies by the musicians and their families, witnesses to the premiere, former prisoners, and on documents from Stalag VIII A, For the End of Time examines the events that led to the Quartet's composition, the composer's interpretive preferences, and the musicians' problems in execution and how they affected the premiere and subsequent performances. Rebecca Rischin explores the musicians' life in the prison camp, their relationships with each other and with the German camp officials, and their intriguing fortunes before and after the momentous premiere. This paperback edition features supplementary texts and information previously unavailable to the author about the Quartet's premiere, Vichy and the composer, the Paris premiere, a recording featuring Messiaen as performer, and an updated bibliography and discography.

We Married Adventure Gap Pucci, 2011-09-04 When Peggy McClung graduated from the University of Kansas with majors in the romance languages of French and Spanish, she could not possibly have guessed that she would soon fall in love with --and marry--a man who would take her to an isolated cabin with no running water, telephone, television or central heating in the wilds of Wyoming. But that is what she did. And man, of course, was Gap Pucci. Beyond their love for each other, Gap and Peggy shared a love of wilderness and wildlife, a passion that led to a life of adventure unparalleled in modern times. Well-known Jackson Hole residents Mardy Murie and Dr. Don MacLeod bore witness to the Puccis' early challenges carving out a life in the wilderness, and rooted for their success as they raised a family of two lovely girls and Gap guided for others, before eventually establishing internationally known Crystal Creek Outfitters. We Married Adventure is a rollicking read that tells their fascinating story.

Kumba Africa Sampson Ejike Odum, 2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New Yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually being replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now being replaced by heavy trucks and lorries. African traditional methods of healing are now being substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.
