Commercial Pilot Test Prep 2003 Federal Aviation Administration (FAA), 2002-10 This series of test preparation guides for pilots covers the Federal Aviation Administration (FAA) exams for applicants seeking licensing by the FAA. The FAA publishes a question database on the Internet to help applicants prepare for the exams, but they do not supply the correct answers. This series is fashioned to aid the applicant in studying for an exam by providing answers and explanations for every question in the FAA exam database. Designed to encourage self-testing and promote memory recall, these books arrange topics by subject category and are accompanied by specific study material for each category.

Commercial Pilot Aviation Supplies & Academics, Inc, 2006-09 Applicants studying for the Commercial Pilot Knowledge Exam will find answers and explanations for every question in the Federal Aviation Administration (FAA) exam database in this guide. All of the more than 900 questions

from the exam are arranged by subject category and are accompanied by specific study material. Each question is followed by the answer, an explanation of the answer, and a reference and subject code for further study in FAA materials. Subjects covered include basic aerodynamics, aircraft systems, flight instruments, aircraft performance, basic navigation, airspace and airport operations, and meteorology.
