I'm the Plug Moe Love, 2018-12-14 Moe Love has accomplished, in his second book, what is sure to become an urban classic. Tone's compelling saga continues as he overcomes one heartbreaking betrayal after another during his quest to become Newport's wealthiest drug lord. He was betrayed by his partners, family members, as well as his beloved mentor, but Tone was far too driven for heartbreak or betrayal to derail his intended goal of doing more than merely surviving. His ambition and desire to take care of his family were enough to propel him to the top of the food chain and produce one of the most prolific drug dealers of our time.
