Magic and Divination in Malay Illustrated Manuscripts Farouk Yahya,2015-10-27 This book offers an integrated study of the texts and images of illustrated Malay manuscripts on magic and divination from private and public collections in Malaysia, the UK and Indonesia. Containing some of the rare examples of Malay painting, these manuscripts provide direct evidence for the intercultural connections between the Malay region, other parts of Southeast Asia and the rest of the world. In this richly illustrated volume many images and texts are gathered for the first time, making this book essential reading for all those interested in the practice of magic and divination, and the history of Malay, Southeast Asian and Islamic manuscript art.

Governance, Conflict Analysis and Conflict Resolution Cedric Hilburn Grant,R. Mark Kirton,2007 Decades after our contemporary international system witnessed the end of the Second World War, the events that followed in its aftermath has fashioned an international system characterized by global conflict in the guise of the Cold War. Although wars were part of the struggle between the two rival super powers - the US and USSR - their main theatre

was the Third World and hostilities during the Cold War era were global. It is against this backdrop that Governance, Conflict Analysis and Conflict Resolution addresses conflict in the Caribbean and elsewhere, exploring the linkages between conflict and development. The book is divided into eight sections and offers diverse views on conflict, conflict resolution and governance: Part I - Governance and Conflict Management in a Global Context; Part II - Management and resolution of Conflict in the Regional Context; Part III - Perspectives on Social Stratification, Political Rivalry and Ethnic Insecurities; Part IV - High Intensity Conflicts; Part V - The Management and Resolution of Territorial Conflicts; Part VI - Poverty, Economics and Conflict Management; Part VII - Advancing Conflict Resolution through Education; and Part VIII - Civil Society, Governance and Social Consensus.
