Short Stories of One Who Comes and Goes L.W. Coffee,2020-12-03 ONE WHO COMES AND GOES is a collection of short stories based on real life events and written in that spirit. When John Silver came home from Vietnam he was suffering from PTSD but he didn't know. For 46 years he dealt with PTSD. Yes, there was something wrong with his life but no clues. There was no one to talk to, not even his wife. Alcohol became his only friend. He

found no shortage of co-horts to comfort him. In reality PTSD is a debilitating mental disorder and affects men returning from combat zones. They are then thrown into a civilian population that is not aware of PTSD. Not a good situation. One Who Comes and Goes is a small effort to try and alert and/or make aware a population who does not know what PTSD is.

Long For Life Brandon Harrison,2023-04-18 I just did my best to remember to tell myself 'I can and will change my life for the better,' page 40, Long for Life. It is inevitable that, at some point, everyone will confront some sort of challenge, adversity, or obstacle in life. Survivor, Brandon Harrison, however, faced more than a challenge. His cancer diagnosis at a young age came with a slim twenty-five percent chance of surviving through childhood, only then to suffer two hemorrhagic strokes in his teens. Brandon Harrison chose to claim his life back and raise money by longboarding across Canada with his father, Michael. Tragically, Harrison's trip was cut short when he suffered a third hemorrhagic stroke at their second Heart and Stroke fundraiser and he woke up from a coma half-paralyzed on his twentieth birthday. After learning to stand, walk, and ride again, Harrison would finish his cross-country mission on the third-year anniversary of the day he nearly lost his life from the paralyzing stroke. Long for Life is Brandon's mind-boggling story of 28 years: a diversity of drama, suspense, adventure, and curiosity full of twists that will inspire readers aged mid-teens to sixty to live the best possible life they can. Long for Life is sure to stir readers to weather life's misfortunes by working hard, believing in themselves, and never giving up, no matter what life throws at them. To live their lives to the fullest. To know without a reasonable doubt that they, too, can overcome any and all obstacles that life may throw at them.

May We Be Forgiven A.M. Homes,2013-09-24 Winner of the 2013 Women's Prize for Fiction—A darkly comic novel of twenty-first-century domestic life by a writer who is always “compelling, devastating, and furiously good” (Zadie Smith) Harold Silver has spent a lifetime watching his younger brother, George, a taller, smarter, and more successful high-flying TV executive, acquire a covetable wife, two kids, and a beautiful home in the suburbs of New York City. But Harry, a historian and Nixon scholar, also knows George has a murderous temper, and when George loses control the result is an act of violence so shocking that both brothers are hurled into entirely new lives in which they both must seek absolution. Harry finds himself suddenly playing parent to his brother's two adolescent children, tumbling down the rabbit hole of Internet sex, dealing with aging parents who move through time like travelers on a fantastic voyage. As Harry builds a twenty-first-century family created by choice rather than biology, we become all the more aware of the ways in which our history, both personal and political, can become our destiny and either compel us to repeat our errors or be the catalyst for

change. May We Be Forgiven is an unnerving, funny tale of unexpected intimacies and of how one deeply fractured family might begin to put itself back together.

A Vintage Year R. T. Eggimann,2005-09 This is a story about two best friends who set out with a pauper's budget on an amazing journey through the jungles of Mexico, sailing the Caribbean, hitch hiking across North America and sojourning through Europe, the Greek Isles and beyond. Their adventure took place in the mid seventies when the world was still innocent enough to let two free spirits soar. Uncanny coincidences, close calls and good fortune will draw you into this true story told from the unique perspective of naive youth in a care free world.

10 Blind Dates Ashley Elston,2019-10-01 Sophie wants one thing for Christmas—a little freedom from her overprotective parents. So when they decide to spend Christmas in South Louisiana with her very pregnant older sister, Sophie is looking forward to some much needed private (read: make-out) time with her long-term boyfriend, Griffin. Except it turns out that Griffin wants a little freedom from their relationship. Cue devastation. Heartbroken, Sophie flees to her grandparents' house, where the rest of her boisterous extended family is gathered for the holiday. That's when her nonna devises a (not so) brilliant plan: Over the next ten days, Sophie will be set up on ten different blind dates by different family members. Like her sweet cousin Sara, who sets her up with a hot guy at an exclusive underground party. Or her crazy aunt Patrice, who signs Sophie up for a lead role in a living nativity. With a boy who barely reaches her shoulder. And a screaming baby. When Griffin turns up unexpectedly and begs for a second chance, Sophie feels more confused than ever. Because maybe, just maybe, she's started to have feelings for someone else . . . Someone who is definitely not available. This is going to be the worst Christmas break ever . . . or is it?
