The Hoosier Mama Book of Pie Paula Haney,2013-08-13 Making a delicious pie has never been easier with this extensive cookbook from the popular Chicago bakery. When Paula Haney first opened the Hoosier Mama Pie Company on March 14, 2009 (Pi day, appropriately enough), she worried whether her new business could survive by specializing in just one thing. But with a line around the block, Paula realized she had a more immediate problem: had she made enough pie? The shop closed early that day, but it has been churning out plenty of the Chicago's most delectable pies ever since. Specializing in hand-made, artisanal pies that only use locally sourced and in-season ingredients, Hoosier Mama Pie Company has become a local favorite and a national destination gaining praise from Bon Appetit, the Food Network, and Food & Wine as one of the top pie shops in the country. Now, The Hoosier Mama Book of Pie delivers all the sumptuous secrets of buttery crusts, fruity fillings, creams and custards, chess pies, over-the-top pies, and even the stout and hearty savory pie. The practically oriented, easy-going, and accessible style of this book will help bakers both new and old make the perfect pie for every occasion. On top of all of this, The Hoosier Mama Book of Pie also includes tips on technique, fascinating historical anecdotes, and an emphasis on special seasonal recipes, as well as quiches, hand pies, and scones. This beautifully photographed and designed book

has the classic retro feel of the mid-20th century golden age of pie, and all the warmth and personality of the Hoosier Mama Pie Co.'s cozy Chicago storefront. The focus on using local produce and employing the farm-to-table philosophy gives the book a contemporary twist, helping home bakers make the freshest, most delicious pies imaginable. Now readers can take a little piece of the Hoosier Mama Pie Company anywhere they go. Praise for the Hoosier Mama Book of Pie "Paula Haney . . . just put out a massive cookbook with her recipes . . . and it's something very special. The almost-400-page tome details Hoosier Mama's opening and development, as well as Haney's recipes for everything from crust to biscuits to custard fillings. The photos make everything look delicious and, to the above-average baker, everything seems relatively easy to execute." —Marah Eakin, The AV Club "Everything you could possibly want to know about proper pie making is covered . . . No facet of the process is too humble for discussion; the merits of salt in the crust is given as much thought as the best way to combine butter and flour. If you've ever wanted to learn the right way to crimp a pie, or how to make lattice work actually work, this is the book for you." —Serious Eats, naming Hoosier Mama a top dessert cookbook of 2013
