Not A Lot of Reasons to Sing, but Enough Kyle Tran Myhre,2022-03-01 OF WHAT FUTURE ARE THESE THE WILD, EARLY DAYS? An exploration of the role that artists play in resisting authoritarianism with a sci-fi twist. In poetry, dialogue and visual art the book follows two wandering poets as they make their way from village to village, across a prison colony moon full of exiled rebels, robots, and storytellers. Part post-apocalyptic road journal, part alternate universe history of Hip Hop, and part “Letters to a Young Poet”-style toolkit for emerging poets and aspiring movement-builders, it's also a one-of-a-kind practitioners' take on poetry, power, and possibility. NOT A LOT OF REASONS TO SING is a: -post-apocalyptic road journal -alternate universe history of Hip Hop -“Letters to a Young Poet” -toolkit for emerging poets and aspiring movement-builders it's also a one-of-a-kind practitioners' take on poetry, power, and possibility.

You Are the Best Thing That Happen to Me Alexander Raffaello Wilson Sr.,2014-09-22 True Love My book of love poems are poems especially written for adults to enjoy. When deciding which poem to read, pick the poem that reminded you of that special moment or experience you shared with that special someone in your life. Take a few minutes to stroll down memory lane, reflect on that image and try to feel that exact feeling you felt back then, I am quite sure you will come real close to it. The intent of the love poems, are to help you express those wonderful words to the one you care about and love. Women in general, love words; they experience a totally different emotion than men. Women take beautiful expressions to heart, and in return they show their appreciation and affection in ways that go beyond. My love poems are beautiful, they set the tone, they ignite that emotion, they make a person smile, they show affection, and they help mend that missing gap between couples in love . They create that special harmony between two persons that care about each other, and they keep you falling in love more and more, and they bring the very best out of you. Read these poems in your zone of tranquility, while you are relaxing, sipping on a glass of wine, while imagining a candle light dinner just for two. Share this book with a friend, a partner, with colleagues, and I assure you that true love will come your way. Enjoy and share one these lovely poems with someone you care for in your own special way. This book of love poems will definitely change your life. Believe me, it is possible.

Love and Other Poems Alex Dimitrov,2021-02-18 Alex Dimitrov’s third book, Love and Other Poems, is full of praise for the world we live in. Taking time as an overarching structure—specifically, the twelve months of the year—Dimitrov elevates the everyday, and speaks directly to the reader as if the poem were a phone call or a text message. From the personal to the cosmos, the moon to New York City, the speaker is convinced that love is “our best invention.” Dimitrov doesn’t resist joy, even in despair. These poems are curious about who we are as people and shamelessly interested in hope.

It's a Lonely Love Hunter Summerall,2018-11-13 Cataloguing the rise and fall of an ill-fated relationship, It's a Lonely Love explores the vulnerability one must feel before moving on from a lost love. Styled as entries from a journal, Hunter Summerall's poetry takes the personal and constructs a universal story about unrequited love and anguish.

Poems of Love and Pain Vincent Dizeo,2017-07-24 Poems of Love and Pain is meant to show that people aren’t alone in this world and that others have the same feelings that they do. This collection of poems and letters were sent to ladies I have loved though the years. It includes my feelings, hopes, dreams, love, and my pain. My heart and soul are trapped between these lines, showing my raw emotions and letting the ink flow to express myself the only way I can. I was born July 19, 1976 in Brooklyn, New York. I have two sisters and loving parents, but I’ve had a hard time dealing with love and the pain it can bring. I’m very romantic and my feelings get hurt easily. I love big and get hurt big. I’m the type who will love a woman endlessly and forever. I began writing at age 16 and never stopped. Moments get captured in my mind like a camera, creating snapshots of my memories to never let them go. I hold a lot in, but write everything down, as it’s the only way I know to express my feelings.

Sharon's Verses Sharon Maloney,2005-05 Sharon's Verses will make you aware of your life. By reading my poems you will learn to believe in yourself and your own abilities. God is explored on a spiritual and emotional level. You can learn what God is and what he can do for you in your struggles and hardships. Love is explored as a dream or realistic sensation, which can mean grown as a flower or it fills up the deep blue sea. You can learn about love in my poems in a special way. Dreaming about love can be looked at in relationships. It can mean missing a girl or having a long-lost love. Love and friendship go hand in hand, like in my poem Rich Friend. Friends are forever, and so is love when it is real. Nature is looked at in a beautiful fashion, such as blossoms, doves, or turtles' eggs. The beach is where someone wants to be reunited with their remembered love. Nature is a wonderful part of life, and the poem Wonderful Things Should Last expresses this beauty. My book will enrich your life as it does mine. Please read it and remember where you are going in this world. It can be sailing, church, or to a barbecue with friends. My poems will cover these topics and more. Enjoy!

Semper Fidelis E. Lee Kone, 2011-04 In *Semper Fidelis*, a poignant collection of poetry, love comes full circle as poet E. Lee Kone beautifully expresses heartfelt emotions about love lost, love found, and love reborn. Kone begins her collection with poetry written for those who have lost a loved one through infidelity, separation, divorce, or death. She continues her journey into the heartrending moments of longing for someone to love, the invigorating heights of newly-discovered love, the bittersweet feeling after discovering unattainable love, and the joyful rebirth that accompanies new love. Kone then concludes her journey with an emotional portrayal of a wife's tragic loss of her husband during the 9/11 tragedy and a child's pain after losing both parents. Everyone longs to have a lasting relationship with someone they adore. Kone's poems each tell a separate story of their own, all while illustrating that no matter how great the loss, the heart has the ability to adapt, to heal, to trust again, and ultimately to find its way back to true love.

Rocket Fantastic Gabrielle Calvocoressi, 2018-09-18 Now in paperback, a spellbinding reinvention and exploration of self, gender, and family. Like nothing before it, in *Rocket Fantastic* explores the landscape and language of the body in interconnected poems that entwine a fabular past with an iridescent future by blurring, with disarming vulnerability, the real and the imaginary. Sorcerous, jazz-tinged, erotic, and wide-eyed, this is a pioneering work by a space-age balladeer. "A dance of self-discovery, subverting our assumptions of gender and the body. . . Both innovative and sensual, *Rocket Fantastic* is a vital book for our time."—Diana Whitney, *San Francisco Chronicle*
