Poker Notes C. Cowart,2018-02-16 Studying away from the poker table and reviewing hands played is vital if you want to be a winning player. Poker Notes is a quick and easy way to record up to 120 hands during your sessions for later review. Whether you specialize in No-Limit Hold'em or Pot Limit Omaha, 6-max or full ring, Poker Notes allows you to organize stack sizes, player position, and the action for every street.

Poker Notes Tyler Nals,Joe Williams,2014-12 You love the game of poker, but you usually leave the game a loser. This is frustrating because you know you have what it takes to make a lot of money playing poker. You have two options: 1. Spend nearly a decade learning from trial and error. 2. Read the information provided in this book. I have been a profitable player for eight consecutive years, but my approach isn't the norm. I threw everything you're supposed to do out the window and focused on what approaches to the game lead to the highest probability of long-term profits. That's it. That's all I care about: Profits!
