This included the pole I was jumping with, where I ran from on the runway, what height or drill I was attempting, and more. I created this custom journal for pole vaulters to track every mechanical detail of their vault, capture goals, and reflect on their training and performance. The Pole Vault Championship of the Entire Universe Conor Lastowka, 2018-01-30 Kara Everglades has just finished her first year of high school and is longing for an adventure. So far her only option is an invitation from some upperclassmen to watch them drunkenly race a bunch of bullfrogs in a ditch. To be honest, she was hoping for something a bit more exciting. Her grandfather, Cornelius Everglades, is a renegade who founded his own island micronation.

Unfortunately, the rest of the world refuses to acknowledge it (possibly because he's gone about the nation-building process using wildly illegal and unethical means). When Cornelius shows up at Kara's door needing her help and promising an adventure, Kara agrees to go along with his far-fetched plan to put his micronation on the map, even though a) she thought Cornelius was dead, and b) his scheme depends heavily on Kara wearing a mascot costume. If Kara had known about the giant alien spaceship currently speeding toward her grandfather's country with the intent to subjugate and humiliate mankind, she might have reconsidered.
