Pompey on Patrol William J. Keresey, III, 2016-01-05 Turn back the clock. It's the start of the 20th century in New York City. Police Officer Redmond Keresey is on patrol astride his magnificent horse, Pompey. Redmond has no cell phone or even a two-way radio to summon assistance. But he has a unique partner: Pompey. Together they can rapidly respond to a developing problem; control an unruly crowd; transport an injured party to the hospital; stop a runaway carriage; and even ferret out the criminal in a lineup. Pompey on Patrol is the true story of Roundsman Redmond Keresey and his equine partner of 17 years. Told by his great-grandson, William J. Keresey III, you'll discover the remarkable story of a horse who became the talk of the nation. Pompey's heroic police exploits were reported in newspapers across the country, and this four-footed officer entertained crowds as they watched in amazement at a horse who could add, subtract, even multiply. The author, William J. Keresey III, Billy, is the fourth generation of police officers in his family. Raised in the law enforcement profession, his fondest bedtime stories were about Pompey. As Billy discovered, what he thought was just family folklore was all true. He wanted to share the story of an exceptional police duo who kept the streets of New York much safer.

K9 Partner Jim McIlwain, 2017-10-24 K9 Partner By: Jim McIlwain K9 Partner is a thrilling novel about the institution of a K9 officer in the previously sleepy and crime-free town of Westfield. Randy Thompson, an officer with the Westfield Police Department, is frustrated that his town is turning into a hotbed of drug trafficking and crime. After a particularly grizzly standoff involving a domestic dispute, Randy is sent to the Southern Training Academy to train with a K9 officer. There, he meets Nero, his soon-to-be crime fighting partner. Upon their return to Westfield, Nero and Randy quickly become the toast of the town as they foil crime after crime. The culmination of their efforts together is not to be missed. This riveting novel is full of action, suspense, and hope as this unlikely duo takes on the crime threatening to tear their hometown apart.

Police Social Work George T. Patterson, 2022-01-31 Grounded in contemporary social work practice approaches such as trauma-informed practice, cultural competency, and systems theory, this book provides a model for developing, implementing, and evaluating police social work and social service collaboration within the context of contemporary policing strategies. The practice of professional social work in law enforcement agencies is increasingly becoming an important area of practice. Police social work, as it is known, benefits community residents and assists law enforcement agencies with accomplishing community policing and other problem-solving initiatives. Throughout 13 chapters, this book covers: The practice of professional social work within law enforcement agencies The types of social problems addressed and characteristics of police social work collaborations Ethical and other practice issues that arise when collaborating with law enforcement agencies and required practice skills to address these issues An examination of collaborations formed between law enforcement agencies and social services agencies in which the service providers are not professional social workers A model for developing police social work collaborations and investigating collaboration effectiveness Expanded roles for police social work practice such as consultation, officer selection, training recruits and police officers, and assisting their families Police Social Work provides a wealth of case studies and other reference material to prepare students for police social work practice, as well as serving as a resource for police officers, recruits, and students majoring in policing.

Directory of Civil Society Organisations Working in the Field of Missing and Sexually Exploited Children Tessa Schmidburg, H. de Pauw, Isabelle de

Schrijver,2004 The result of the second part of the project is a comprehensive Directory of civil society organisations working in the field of missing and sexually exploited children. The directory contains information on the mission, role, structure, practices and contact details of over 250 of such organisations in the 15 EU Member States and 4 Candidate States, including national approaches on their cooperation with the competent authorities. It is the first practical Europe-wide directory for supporting day-to-day national and international cooperation between and with civil society organisations working in the field of missing and sexually exploited children. Child Focus and IRCP hope the directory proves to be a valuable tool in helping and assisting child victims, parents and practitioners throughout Europe. Alongside with this printed version, the project team has also released the information contained in the directory in an even more user-friendly, interactive format, producing a searchable database on CD-rom and creating the current Childscope website, which offers on-line access to the updated and extendable database information.

Problem-oriented Policing and Partnerships Karen Bullock,Rosie Erol,Nick Tilley,2013-05-13 This book makes an important contribution to the literature on problem-oriented policing, aiming to distill the British experience of problem-oriented policing. Drawing upon over 500 entries to the Tilley Award since its inception in 1999, the book examines what can be achieved by problem-oriented policing, what conditions are required for its successful implementation and what has been learned about resolving crime and disorder issues. Examples of problem-oriented policing examined in this book include specific police and partnership initiatives targeting a wide spectrum of individual problems (such as road safety, graffiti and alcohol-related violence), as well as organisational efforts to embed problem-oriented work as a routine way of working (such as improving training and interagency problem solving along with more specific challenges like improving the way that identity parades are conducted. This book will be of particular interest to those working in the field of crime reduction and community safety in the police, local government and other agencies, as well as students taking courses in policing, criminal justice and criminology.

Redemption Brian Francis Ellis, III, 2021-04-13 Metro Police Detective Lieutenant Tom Spenser is a third generation Pittsburgh cop whose world is rife with addiction, violence, loss and grief; it's just another day for this cop. Tommy Spenser has a penchant for tough cases, good Scotch, opiate painkillers, and failed marriages. Two years after Tommy's grandfather, the patriarch of the family, has passed away in his sleep, Tommy is still struggling with losing one of the few people who loved him unconditionally. Tom's estranged father, recovering alcoholic Frank Spenser, is the retired deputy commissioner of police, now a sort of wartime consigliere to the mayor, and daily endures the awkward and painfully strained relationship with his three sons who were once victims of his abuse. Tom's eldest brother Kenneth is the Deputy Homicide Inspector for the city and has slowly assumed the leadership roles in the void both his grandfather and dad have left in their wake. Tom's twin brother, Brady, who runs Internal Affairs, struggles with trying to live up to the family's legacy yet still find his own way in life, and is ever vigilant of the sibling with whom he entered the world. Lastly, there is Tom's partner Marco Escardo, a formerly violent youth offender that the Spenser family rehabilitated and took under their wing, who has grown up to be the unofficial fourth Spenser brother in the family's lineage of wearing the badge. Marco is torn between his admiration and contempt for his quasi-brother and partner, fully knowing Tommy is on a collision course with tragedy unless something changes. A champion boxer in his youth, Tommy carries the scars and beatings of his soul most visibly. He is highly revered and near-Machiavellian in his dealings as a police officer, but has a soft spot for protecting those who cannot fight for themselves. One night, while conducting a drug raid two doors down, Tommy is called to a domestic disturbance involving the introverted, yet extraordinarily gifted and lovely Claire. Clarissa 'Claire' Hewitt, formerly a musician with the Pittsburgh Symphony, is trying to escape the prison of her marriage with a volatile, abusive narcissist. Before he knows it, Tommy takes Claire into his

world and his home as they begin to entwine themselves in each other's lives, tenderly sharing their stories as survivors, and slowly letting go of the years of abuse they both have endured. Meanwhile, in Pittsburgh, two heroin kingpins have fallen in less than a week and free enterprise means quick money for anyone daring to take the toppled throne, no matter how many bodies stack up in the Metro morgue. Police Headquarters has become the new Fort Apache. When given a high visibility case and leadership in a newly formed task force by his eldest brother, Tommy is thrown into a maelstrom of betrayal and deceit, at the same time battling his own addictions and demons. After a visit to an oncologist and realizing he is in Stage II of Hodgkins' Lymphoma, Tommy sets out to take back the reins of his life. What starts out as him seeking to save Claire ends up with Tommy realizing that he still has time to save himself, and right a lifelong of wrongs for those he loves most.

Silent Partner Road Deputy, Steven King, 2008-11 This raw, unedited compilation chronicles the daily activities of Road Deputy from the pages of his year-long police journal, and reveals the unbelievable and sometimes baffling experiences of a cop on the beat--Back cover.

Fire Cop R. J. Beam, 2015-11-15 When Officer Ben Graystock becomes fed up with drug dealer Avery Spade's ability to avoid arrest, he tries a highly illegal method to bust the criminal. Ben sets fire to Avery's house. The officer assumes fire investigators will see the meth lab evidence and make an arrest. The plan does not work, resulting in Ben tracking down Avery's other drug labs and setting additional arsons. Police officer and volunteer firefighter Stuart Thompson is assigned to investigate these arsons. Thompson also happens to be Graystock's close friend and partner at the police department. Fire investigation turns to a murder investigation after Avery Spade assumes the arsonist is a local rival dealer. Spade kills the rival using a fire as a form of street justice. As the investigation progresses more fire deaths occur. The pressure is on for Officer Thompson to find a suspect and end the fires before more people die.
